RF SKELLI

FEMALE CALVED: 2012
SIRE: **STEEL FORCE**
DAM: "KELLI" (WHO DA MAN X HEAT SEEKER X SULL 6651)

Sells open and flushing with a 10 embryo average
Selling one-half interest only - No possession

Just right for the Holidays, here is an improvement and investment opportunity that will take any program to a higher level. This unique powerhouse is just hitting her most productive peak and she is royally bred and especially well proven.

Skelli is one of the most productive daughters of the great JSUL Dreams Come True 846U "Kelli" donor at Reimann Ranches, SD, and Hurst Cattle, TX, that was formerly a NAILE Supreme Champion and Frozen Gold donor for Bridwell Cattle, IN. Kelli is the dam of numerous elite cattle including champion steers, 6-figure donors, and AI sires likes Made 2 Order, M2O2, and Affliction. Each year, many elite show cattle on the scene feature some variation of this pedigree.

In her first ET crop, this cow gave us calves selling up to \$10,000 and she looks to be equally adept at raising steers and heifers that sell well. She flushes great - 10-embryo average over multiple IVF procedures - and looks incredible. We have had good ones in nearly every color from her; several are shown here and some have won already.

Skelli performs so well that we can share her and we want to do so while she is young and going strong. Take advantage of this opportunity to partner with Richland Farms on a sure thing. They will keep Skelli in their possession and alternate flushes at Donor Solutions, IN. Selling one-half interest only.

Important Sale Information:

Terms: Terms of sale are cash or good check made payable immediately after the sale and before any cattle are loaded. Invoiced (absentee) accounts are payable in full within 10 days of the sale or are subject to a 2% finance charge on the tenth day. A fee of \$50 will be assessed to all returned checks. **Liability:** All animals and merchandise will be at the buyer's risk as soon as bid off but will be cared for by the seller(s) for a reasonable amount of time during and immediately following the sale. Neither the owners, auctioneers, sale manager or other affiliated personnel may be held responsible for any accidents that may occur. PrimeTIME AgriMarketing NETWORK, Inc. acts only as an agent between buyer and seller and may not be held responsible for any livestock or merchandise. It is to be clearly understood that PrimeTIME AgriMarketing NETWORK, Inc. and its representatives act only as a medium between buyer and seller and may not be held liable, financially or otherwise, for any failure on the part of the same to fulfill any obligations set forth in this sale or for the truth of any warranties expressed or implied. Neither does PrimeTIME AgriMarketing NETWORK, Inc. assume any financial obligations to collect or enforce the collection of monies between buyer and seller. This catalog has been prepared by the sale manager from information provided by the seller(s) and is assumed accurate as presented to us. However, PrimeTIME AgriMarketing NETWORK, Inc. will in no way guarantee age, pedigree, or reproductive status of the animals selling. All exceptions taken and adjustments made are between buyer and seller. **Breeding Information:** Please see the footnotes regarding breeding information for each lot. All bred females will be examined for pregnancy by a qualified DVM prior to the sale and any changes to their breeding status will be made available sale day. Conception dates listed in this booklet are based on the results of said pregnancy examination and/or known breeding dates, and are intended as estimates of calving date only. **Health:** All animals will be accompanied by a health paper valid for interstate shipment. Buyers should make themselves aware of their respective state's health requirements prior to the sale. **Guarantee:** Those cattle described herein as "checked safe" or "safe" are guaranteed bred and do not carry further guarantee. No guarantee, expressed or implied, is made as to an animal's ability to produce transferable embryos or frozen semen. All registered cattle sell with the standard guarantee endorsed by their respective breed association. All claims on bred females must be made in writing within 60 days of the sale date, and any adjustments made will be in the form of sale credit on future purchases. **Insurance:** Livestock insurance will be available at the clerk's desk. **Trucking:** If you require assistance in transporting your purchases, please contact the sale manager. Every effort will be made to minimize costs to the buyer. **Announcements:** Any announcements made from the sale block by the owners, auctioneer, or sale manager take precedence over any printed materials. **Sale Booklet Prepared by:** Craig M. Reiter, Sale Manager.

This Holiday gem got her start in our sale ring as she is a powerful daughter of one of the most successful Holiday Classic graduates ever, Henrietta 2W. This is the super-massive full sister to the OMAA record setting bull, Stock Broker, that sold for \$75,000 to Matt Lautner Cattle, IA. That makes her a maternal sister to another successful Matt Lautner sire, General Lee, and his top-producing sisters whose recent crops have spawned multiple top sellers and winners. This gentle giant is the right kind from the word "go". She is immense at the ground and through her center with awesome, functional stoutness and deep, thick hair. She wears snow shoes and they shake the ground when she moves; this is a power cow. She raised a pair of great heifers, flushed well, and bred back right away with milk production at the top of the charts. You will love her and she will deliver profit and enjoyment, like the rest of her family has.

The 24th Edition of the Sale That Pays YOU Back

Welcome back to the Holiday Classic and, on behalf of our great Classic Crew, we wish you and yours the merriest of Holiday seasons. Every Christmas is better with cows – the better the cows the better the Christmas is what I say – so we hope you will join us this year for a special presentation of profit-ready stock.

Our 24th lineup is loaded with opportunities from the first lot to the last. Several elite donor females sell along with a great set of young, well-bred bulls and females. Review the offering and you will find a great selection of service sires with special attractions like the recently deceased Snap Chat, the red-hot Databank, and the \$500,000-valued, back-to-back Denver Champion, Pay the Price.

The Holiday Classic delivers great results at all price points – it's well proven. This event has lasted because it continues to deliver cattle that "win" where it matters to our customers. Some win on the big stages and under the bright lights, many produce winners at local events, and still many more win in our customers' pocketbooks with strong year to year productivity. This set of cattle is diversified and high quality; there is much to admire within and I hope you will come to see for yourself.

This premium cattle business is wild and it gets wilder all the time. With all of these 6-figure calves and 6.0 WDA measurements sometimes it seems like a fight that you cannot win. So this year ask yourself this question: **Does it really matter to me and mine what the other guy is doing – or supposedly doing – or does it matter more to me that I raise cattle that I am proud of, that I enjoy, and that I can make money with?**

The Holiday Classic delivers the goods. Please come and see our 24th lineup.

Happy Holidays,
Craig M. Reiter

This very young cow is proven in production – top calves and embryo production – and she definitely looks the part of a superstar. This is the ideally sized, perfect structured, perfect uddered, super gentle cow we all crave, and she is bred to deliver success right away with the only bull to ever beat her brother, Pay the Price. The Holiday Classic delivers the great stuff and the cows that pay you back; we know we will be hearing from this one.

The first of two exciting bull options in our 24th lineup, this coming 2 year old is a multiple winner with a well-tested pedigree. His donor dam is a three-quarter sister to the dam of the Triple Crown Champion, Daddy's Money, and this powerhouse of quality is sired by the dominant sire, Colburn Primo. He is the reigning Grand Champion MaineTainer Bull of the Iowa State Fair, the Grand Champion Maine Bull at the World Beef Expo, and the Supreme Champion Bull of the 2018 Michigan State Fair. You will travel many miles before you find a bull with this level of quality and proven genetic reach; his dam is a great female that also produced Lot 60 and her winning siblings.

Our bull options are small in quantity only as we are very big on quality this year. This impressive son of our 2014 high-seller is a full brother to the multiple-champion heifer raised by Shegog Farms, OH in 2015 and he is a half-brother to a large array of winning cattle over the past 3 years including several featured in this book on page 2. This bull is especially fast growing and rugged with outstanding balance, muscle, and bone. Like all of his winning siblings, he is covered in that great W2W hair and he has her striking color pattern. These are the genetics that pay you back!
