## **Exclusive Donors Unlimited Embryo Purchasing Options & Breeder-to-Breeder Warranties**

We do a ton of embryo transfer – ask Dr. Mimms – and we know that the ET process can be tricky and expensive if you do not have the proper resources and tools in place. We want you to succeed with embryos that you purchase from us so, in an effort to simplify the process and expedite progress for everyone involved, we offer the following options and warranties:

**Conception Rate Guarantee** – If you purchase more than two embryos from us, we'll guarantee you no less than one confirmed 90-day pregnancy. If you purchase more than nine embryos, we'll guarantee a conception rate of no less than 50%. Be sure to approve your embryo technician with us before you implant the embryos. This guarantee is void after 18 months from the sale date.

**Embryo Implantation Option** – If you like, we'll implant your embryos for you. You purchase the embryos and tell us when you want your calves to arrive. Then, we'll implant your embryos, manage the recipients, and ship you the confirmed pregnant recipients. Please inquire about current recipient costs and be sure to call ahead for more information – The options are unlimited but our recipient numbers are not, so be sure to speak early to reserve your spots!

### **All Embryos Available For Immediate Shipping In Our Own Tanks**

**– Get Them In Plenty of Time For Spring Implants –  
No Hassle, Immediate Shipping**

## **Embryo Pickup and Shipping**

Please bring your jug with you to the sale and take your embryos/semen home with you. If you do not take possession sale day, please leave word at the clerk's desk of your intentions for shipping by leaving your shipping method and address, desired shipping date, and contact information. All shipping is the risk and responsibility of the purchaser but we have several shippers available to make the process easier. **A 14-Day Notice Is Requested For All Shipments.** Hereford Veterinary Clinic, 806/364-1331 (phone) 806/364-2391 (fax) – PrimeTIME, Inc, 419/862-0117

## **Transportation Cost Share**

If you require assistance with transporting your purchases, please let us know. We will have trailers available to haul most anywhere and will guarantee trucking to cost **no more than \$300 per head** to central points in the United States. Direct delivery to your farm or ranch may also be arranged. Please ask for more details.

# Our Greatest Options Ever...

Three sisters to the 2011 Ft. Worth Champion!

2011 Ft. Worth Stock Show Grand Champion Steer – Milkman x Donor N117

Donor N117

## KROUPA 4527

Female Calved: 2008

Sire: **Smooth Sailing**

Dam: **Donor N117** (Ground Zero x Jack Frost)

Due to calve 9/06 to GK Popeye (Ali x Dr. Who) – Calf Sex: Heifer

**Selling one-half interest with the option to double hammer price to acquire full interest**

Seller retains the right to half of two embryo flushes if full interest option is selected

*An amazing look-alike daughter of the great Donor N117, the Panhandle power source that produced the 2011 Ft. Worth Grand Champion Steer plus the \$31,000 top-selling steer of the 2011 Mimms Club Calf Auction. Study N117 in the HVC donor pens and then study this daughter; they're mirror images, only this daughter might be a notch smaller with even more hair. Pure power, perfect flexibility, unreal style – it's all here and this cow is just getting started. We resisted a high-premium offer to sell her as a baby just to see what she can do and we think you'll agree it was the right decision. N117 genetics will be limited going forward and this one might just be better. What a female!*

**Kroupa Genetics**

*Lot 1a*

**Buy Embryos from Donor N117 at Lot 202**

## KROUPA S01

Female Calved: 2006

Sire: **Cerveza** (by Irish Whiskey)

Dam: **Donor N117** (Ground Zero x Jack Frost)

Due to calve 8/07 to **McLovin**

*More power from the hottest thing in Hereford, this featured sister to the 2011 Ft. Worth Grand Champion Steer is built for high-speed production and she will not disappoint. She's got the same distinctive look and power as her amazing dam and sisters that sell here with added body shape and muscle. You've got to go big or you've got to go home and that is surely the case with this powerhouse that is due to McLovin, the proven full brother to Leroy Brown. Worth the trip!*

**Kroupa Genetics**

*Lot 1b*

**KROUPA T25**

Female Calved: 2007

Sire: **Hurricane**  
 Dam: **Donor N117** (Ground Zero x Jack Frost)

**Exposed to GK Popeye (Ali x Dr. Who) – Due 5/25-6/05**

*Another fantastic daughter of Donor N117, the most valuable cow in the Panhandle! Don't be deceived here, this cow is a hard worker that raised twins a year ago and is due in early June. She too is donor quality with perfect feet and joints, fantastic hair, and a powerful hip. Her THF/PHAF pedigree makes her even easier to use and we'd never bet against her. Transplant her this summer and still get her bred back for another fall delivery, you'll be glad you invested here!*

**Kroupa Genetics**

*Lot 1c*

*Share the Future With Us!*

Lot 2

Donor F-22

**MIMMS DONOR 300**

Female Calved: Spring 2003

Sire: **Stop-N-Think** (by Meyer 734)  
 Dam: **Donor F-22** (Draft Pick x Angus)

**Due to calve August 3 to Who Made Who – Calf Sex: Heifer**

*Lot 2*

*A sale feature that has been worth waiting for, this Donors Unlimited customer favorite can be all yours this spring! This great cow is a favorite for many reasons and she makes a great highlight of our seventh sale. You simply will not find a more physically powerful cow in the DU lineup - if you've seen 300, then you remember her – and this black beauty has made a habit of producing with power. Due with a heifer calf this spring, this cow is the dam of three Heat Wave sons that have brought in \$12,700 plus a son by Smooth Sailing that sold for \$4,000 a year ago and still more have been top sellers for our embryo customers. In fact, our customers have not allowed us to transfer many embryos from 300 because she has ranked as one of the most popular cows in the DU lineup since we first offered her genetics in 2006 and her embryos always sell with the top of the auction. This cow raised the bar on "power cows" when she arrived in Hereford and her full sisters have been top sellers in this sale plus those of Kris Black, OK, and Frye Cattle Company, KS. Fun to own and easy to work, this special cow will have you coming back for more!*

**Mimms Cattle**

### MIMMS/HL 481

Female Calved: 2004

Sire: De Ja Vu

Dam: Mimms Donor 81 (Joe's Pride x Cunia x Sugar Ray x Red Knight)

Tested THF/PHAF - PE to HL 7542 8/17-11/17 - Safe-in-calf

Seller retains the right to one flush of not less than 6 transferable embryos

*From the same family as the great Mimms donors 7X and 7X-1, here is a flawless beauty that is ready for the toughest tests – and already proven. She's as good looking as good looking ones get and backed by the proven strength of Mimms Donor 81 that ranked as the leading revenue producer among natural-calving cows at Mimms Cattle before she sold for \$12,800 at 9 years of age in our 2007 Donors Unlimited Sale to Davis Cattle, TX, who also owns a maternal sister to this cow. To date, this THF/PHAF beauty has produced only one son – her first calf, sired by a \$750 Angus heifer bull – but he sold for \$10,000 and was later selected as the Champion Charolais of the 2008 Star of Texas. Kevin Newman, TX, managed to sneak one of her daughters out of the Horn herd for \$7,500, but everything else has been retained and 481 has yet to be flushed. This is a rare female that really has it all – great production, great looks, problem-free design and pedigree – and she is bred to be that way from the foundation genetics that started it all in Hereford. How do you build one any better?*

**Horn Livestock**

Mimms Donor 81

#### *Important Sale Information:*

**Terms:** Terms of sale are cash or good check made payable immediately after the sale and before any cattle are loaded. Invoiced (absentee) accounts are payable in full within 10 days of the sale or are subject to a 2% finance charge on the tenth day. A fee of \$50 will be assessed to all returned checks. **Liability:** All animals and merchandise will be at the buyer's risk as soon as bid off but will be cared for by the seller(s) for a reasonable amount of time during and immediately following the sale. Neither the owners, auctioneers, sale manager or other affiliated personnel may be held responsible for any accidents that may occur. PrimeTIME AgriMarketing NETWORK, Inc. acts only as an agent between buyer and seller and may not be held responsible for any livestock or merchandise. It is to be clearly understood that PrimeTIME AgriMarketing NETWORK, Inc. and its representatives act only as a medium between buyer and seller, and may not be held liable, financially or otherwise, for any failure on the part of the same to fulfill any obligations set forth in this sale or for the truth of any warranties expressed or implied. Neither does PrimeTIME AgriMarketing NETWORK, Inc. assume any financial obligations to collect or enforce the collection of monies between buyer and seller. This catalog has been prepared by the sale manager from information provided by the seller(s) and is assumed accurate as presented to us. However, PrimeTIME AgriMarketing NETWORK, Inc. will in no way guarantee age, pedigree, or reproductive status of the animals selling. All exceptions taken and adjustments made are between buyer and seller. **Breeding Information:** Please see the footnotes regarding breeding information for each lot. All bred females will be examined for pregnancy by a qualified DVM prior to the sale and any changes to their breeding status will be made available sale day. Conception dates listed in this booklet are based on the results of said pregnancy examination and/or known breeding dates, and are intended as estimates of calving date only.

**Health:** All animals will be accompanied by a health paper valid for interstate shipment. Buyers should make themselves aware of their respective state's health requirements prior to the sale. **Guarantee:** Those cattle described herein as "checked safe" or "safe" are guaranteed bred and do not carry further guarantee. No guarantee, expressed or implied, is made as to an animal's ability to produce transferable embryos or frozen semen. All claims on bred females must be made in writing within 60 days of the sale date. **Insurance:** Livestock insurance will be available at the clerk's desk through Great American Insurance. **Trucking:** If you require assistance in transporting your purchases please contact the sale manager. Every effort will be made to minimize costs to the buyer. **Announcements:** Any announcements made from the sale block by the owners, auctioneer, or sale manager take precedence over any printed materials.

**Sale Booklet Prepared by:** Craig M. Reiter, Sale Manager.

# DU Exclusives from the 602 Tribe!

Reg. 50% AMAA Female 364739

Calved: 3/20/04

# Lot 4

ATAN

CUNIA

PETUNIA

UNREGISTERED SIRE

ANGUS 602

UNREGISTERED DAM

AI to Monopoly 11/10 – Bred to Larry 12/23 – Due 9/30

The world's only Cunia daughter of the famed GK Angus 602! This sale feature is a proven Mimms donor and a rock-solid maternal sister to Sullivan Ranch's \$1 million-producing Chill 602G as well as the featured Lot 5 and 6 cows in this sale plus a long line of other proven donors and AI sires. This massive cow has been excellent in Hereford with hits like a \$6,100 son by Heat Wave in 2009, his \$1,800 full brother from a year ago, plus a strong son by Doc that sold as a herd sire. Several maternal matings are on the way this fall as this cow has maintained a strong 7.2 embryo average over 11 lifetime flushes. She is sound and powerful and she breeds on with a moderate frame, great hair, and plenty of dimension. You'll be the only one on your block with one of these, and you can never go wrong with cows like 4602!

## EMBRYOS OF MIMMS DONOR 4602

Lot 4A – Three embryos by Heat Wave

Lot 4B – Three embryos by Doc

Mimms Cattle

## MIMMS RK DONOR 4602-A

Female

Calved: January 2004

# Lot 5a

Sire: Red Knight

Dam: GK Angus 602

Due to calve September 13 to White Lightning – Calf Sex: Bull

More genetic exclusives from the world famous GK Angus 602, this identical twin sister to Lot 5B is one of only two Red Knight x 602 females in existence. Both of these females offer huge genetic potential with surprising physical power and impressive fleshing ability. We'll be the first to admit that we have not given them justice due to time and circumstance but rest assured that all of the potential is here. Both are carrying bull calves by the new Mimms/Horn/Myers herd sire, White Lightning, whose semen is not for sale.

Mimms Cattle and Sullivan Ranch

## MIMMS RK DONOR 4602-C

Female

Calved: January 2004

# Lot 5b

Sire: Red Knight

Dam: GK Angus 602

Due to calve September 11 to White Lightning – Calf Sex: Bull

We couldn't resist the temptation to offer this pair of identical twin sisters when they both came up carrying White Lightning bull calves; the potential here is very real. These Red Knight daughters are foundation material and they've got the look to back it up as they are smaller, wider, thicker cows with very clean front ends. The 602 line is famous because it works and these sisters have plenty to give.

Mimms Cattle and Sullivan Ranch

**KROUPA DONOR M18**

Female Calved: 2002

Sire: **Chill Factor**  
 Dam: **GK Angus 602**

**AI to Simple Math 11/10 – Bred to Larry 11/31 – Due 9/09 – Calf Sex: Bull**

*More proven power from the foundation Angus 602, this proven Kroupa donor is the dam of two sons by Friction and Heat Wave that have sold for a \$7,500 average plus an outstanding daughter by Eye Candy. This one generates with real power and Larry is a great combination here. This Chill Factor x 602 pedigree is always THF/PHAF and always shaggy; you can't breed it off them. This proven cow is loaded with the goods you need and she is more moderate and wider than many of her sisters. A strong daughter sells here.*

**Kroupa Genetics**

*Lot 6*

**KROUPA 657**

Female Calved: 2006

Sire: **Irish Whiskey**  
 Dam: **Kroupa Donor M18**

**Exposed to Freeze Frame (Alias) – Due 5/25-6/05**

*Powerful quality and genetic reliability you can bank on! Irish Whiskey x Chill Factor x 602; enough said. This is one huge boned, square hipped female and she'll deliver with Freeze Frame, the clean Alias son that is owned with Waldrip Cattle, TX.*

**Kroupa Genetics**

*Lot 6a*

**MIMMS 6118**

Female Calved: August 2006

Sire: **Full Flush**  
 Dam: **Mimms Donor 602CF** (Chill Factor x GK Angus 602)

**Due to calve April 8 to Copper Penny – Calf Sex: Bull**

*Another young, spring-calving highlight from the Mimms herd, this favorite cow carries one of the most valued pedigrees in the business and she has been a model cow. She ranks at the very top in terms of pure muscle thickness – enormous top and hip – yet she is ideally sound and productive with a great disposition. Her full sisters in-blood are highly valued donors in Hereford and around the country and their successes are well documented. This young cow has been a 100% heifer producer thus far but her first son will arrive before the sale.*

**Mimms Cattle**

*Lot 7*

**DSUL/MIMMS DONOR 7602**

Female Calved: August 2007

Sire: **Full Flush**  
 Dam: **Ms Chill 602G** (Chill Factor x 602)

**Sells open with a 03/17/11 heifer by Solid Gold**

*All the power you would expect from this pedigree, here is another young powerhouse from the spring calving herd at Mimms Cattle! This Full Flush x Chill Factor x 602 blend is a direct daughter of the famous leader at Sullivan Ranch that now records more than \$1 million in progeny sales. This very young cow is moderate and extra wide with tremendous body shape, bone, and better hair than most of her famous sisters. She has a fancy show prospect at-side and she is just getting started on what is sure to be a strong and profitable career. Flush or breed your way this summer, this pedigree – and this stout female – will not let you down!*

**EMBRYOS OF MIMMS DONOR 7602**

**Lot 8A – Three embryos by Heat Wave**

**Mimms Cattle**

*Lot 8*

# Hot Genetics for Efficient Success!

## Two Exceptional Daughters of Donor 88!

### MIMMS DONOR 6601

Female Calved: August 2006

Sire: **Bentley** (Strictly Business x H832)

Dam: **Mimms Donor 88** (No Mercy x 401)

**Due to calve April 10 to Doc – Calf Sex: Heifer**

*A special selection from the spring calvers at Mimms Cattle, this proven donor has power in the blood and plenty of power on the hoof. Stacked with versatile and proven genetics, this incredibly hairy and correct youngster is a maternal sister to the Reserve Grand Champion Commercial Heifer of the 2008 American Royal. She was flushed as a virgin heifer, bred back right away when she produced a heifer that sold to Kroupa Genetics, SD, and she is due before the sale with a valuable replacement by Doc. This one is crazy hairy and good with a smooth, cool look and plenty of power. Dig in!*

Mimms Cattle

### MIMMS 6062

Female Calved: March 2006

Sire: **Bentley** (Strictly Business x H832)

Dam: **Mimms Donor 88** (No Mercy x 401)

**All to Smilin Bob 11/10 – Bred to Larry 12/02 – Due 9/10 – Calf Sex: Bull**

*The full sister to Lot 9A, this is another high-potential beauty from the great 88 donor. This pair of sisters is absolutely as cool and hairy as they get, and this one has a show steer on the way. Her first calf was by Dirty Harry and he sold in the 2010 Mimms Club Calf Auction and her second was a heifer that sold privately. When it comes to pure good looks, you'll have a hard time resisting this pair. Own them both!*

Mimms Cattle

## Note on Fetal Sexing:

Whenever possible we tried to determine the sex of the calves these bred females are carrying. Not all females were available for fetal sexing and it's an inexact science so calf sex cannot be guaranteed. To the best of our knowledge the females will calve at approximately the dates shown and there is a strong likelihood they will deliver the calf sexes that are shown. Bid accordingly.

# Trendsetting Donors and Families!

## Donor 026 plus two daughters and two granddaughters!

### KROUPA DONOR 026

Female Calved: 2000

Sire: **Full Throttle**

Dam: **Maine Break x Angus**

**Exposed to Carpe Diem and Addiction – Due 5/25-6/05**

*Strong ranch equipment and one of the wisest investment options we'll have available this spring, this proven Kroupa donor is the dam of the now-deceased but much-remembered Donor 43 at Mimms Cattle. Donor 43 was the dam of more than \$500,000 in progeny sales including sons at \$56,000, \$31,500, and \$22,000 in the 2007 Mimms Club Calf Auction plus the 2008 Star of Texas Grand Champion Steer. Progeny from this cow by Strictly Business, Heat Wave, and Solid Gold have ranked among the best in their crops – ask Jimmy Martin, IN, and Todd Hixon, WY, among others about their extreme prospects – like the trio of brothers that sold as young herd sires for \$4,000 each in the 2009 Mimms Sale. This great cow looks half her age and is surely one of the squarest hipped, hairiest legged Full Throttle daughters in captivity. You know what to do with this one and her impressive progeny that sell here will provide you with even more proof of what you can expect.*

**Kroupa Genetics**

### KROUPA 858

Female Calved: 2008

Sire: **Dirty Hairy**

Dam: **026 (Full Throttle)**

**Due to calve 8/27 to GK Popeye (Ali x Dr. Who) – Calf Sex: Heifer**

*Need proof of what you'll get from Lot 10? This young daughter is a club calf deluxe model with big hair, big body, and big legs plus the squeaky-clean front end you'll always get from her dam. She's got the look and she'll deliver a first heifer by GK Popeye, the easy calving Ali x Dr. Who blend that is working nicely.*

**Kroupa Genetics**

2008 Star of Texas Grand Champion Steer

### MIMMS 943

Female Calved: August 2009

Sire: **Strictly Business**

Dam: **GK Donor 026 (Full Throttle x Maine Break)**

**Due to calve August 13 to Celebration – Calf Sex: Bull**

*A DU exclusive! Here is one of the very few remaining full sisters to the high-powered and well-proven Donor 43, the dam of steer calves like the \$56,000, \$31,500, and \$22,000 top sellers of the 2007 Mimms Club Calf Auction and the 2008 Star of Texas Grand Champion Steer for the Mitchell family. Three full brothers to this heifer sold for \$4,000 each in the 2010 Mimms Sale to Dr. Chris Grotegut, TX, and their proven dam is a donor feature in this offering. Like her famous full sister that produced the Lot 11 females in this sale, this younger heifer is clean and correct with an easy-to-use THF/PHAF pedigree. A Celebration is coming!*

**Mimms Cattle**

## PREGNANCIES OF GK DONOR 026

**Lot 10AA – Unsexed pregnancy by Solid Gold**  
Due to calve August 15 Recipient is a crossbred cow

**Lot 10BB – Unsexed pregnancy by Solid Gold**  
Due to calve August 15 Recipient is a crossbred cow

**MIMMS 6079**

Female Calved: September 2006

Sire: **Heat Wave**

Dam: **GK Donor 43** (Strictly Business x GK 026 by Full Throttle)

**Due to calve August 19 to Chunky Monkey – Calf Sex: Bull**

*This freaky and powerful youngster was produced from the same flush that gave the Mitchell family their 2008 Star of Texas Grand Champion Steer. This young cow milks very well from a high-quality udder as she raised twin heifers by Chunky Monkey last fall plus their \$1700 full brother in 2009. She is bred for another full brother this time, and if you like yours with extra muscle and choke of the neck then this is certainly the cow for you. Her well-proven second dam sells here as Lot 10 and a younger full sister is Lot 11B.*

**Mimms Cattle**

Lot 11a

**MIMMS 832**

Female Calved: August 2008

Sire: **Heat Wave**

Dam: **GK Donor 43** (Strictly Business x GK 026 by Full Throttle)

**Due to calve August 13 to Celebration (Red Angus) – Calf Sex: Bull**

*Another shaggy, rocket necked show piece from the great 43 donor! This is the younger full sister to Lot 11A and the 2008 Star of Texas Grand Champion Steer that was a top-seller of the 2007 Mimms Club Calf Auction. Coming with her first bull calf by the easy-calving Red Angus sire, Celebration, be sure to study this one awhile. Our first calf by Celebration – produced from a Heat Wave heifer – sold for \$2,900 and was selected as the Champion Red Angus Steer at the 2010 Panhandle Parade of Breeds.*

**Mimms Cattle**

Lot 12

**HL 715**

Female Calved: 2007

Sire: **Big Cat son**

Dam: **Charolais x Maine Anjou**

**Tested THF/PHAC - PE to Lovin' the Business 10/18-12/18 – Safe – Est. due early August**

*You'll be Lovin' the Business when the next show prospect arrives from this fat-legged, jerk-necked youngster that headlines a very impressive set of females from Horn Livestock. She is two-for-two in premium production with her first calf selling for \$3,500 and her second one – a very strong son of The Judge, a Horn Livestock herd sire – selling for \$10,000 and ranking as one of the top prospects at Horn's this spring. Check the perfect movement, high-quality udder, and ideal shoulder and chest shape on this impressive beast. Her full sister is in production with two heifer calves in a row or this one would not be offered. Lovin' the Business is a smaller, thicker, longer haired son of Yellow Jacket that is quite a sight in the Horn pastures.*

**Horn Livestock**

**Lovin' the Business**

# Three Daughters of Donor 401!

**Sisters to the 2007 Ft. Worth Res. Champion!**

## MIMMS 818

Female Calved: August 2008

Sire: **Dr Who**

Dam: **Mimms Donor 401** (Blue Chip x Cunia)

**Due to calve August 19 to Heat Wave**

*Own this one before Dr. Mimms changes his mind about letting her go! The sky is the limit for this smooth, shaggy Dr. Who daughter from the now-deceased 401 donor that was one of the all time great females to ever work in Hereford. We offer this very young female with extreme confidence and before we have gotten the chance to flush her. Her first calf was a Doc son that sold to Tim Elmore, SC, and her first Heat Wave is on the way soon. There are not many 401 daughters left – their dam is the only female to be cloned by Dr. Mimms – and this one will be heard from. The genetics are right and how many first-calf heifers offer this much body, bone, and good looks? Share the future!*

**Mimms Cattle**

Lot 14a

## MIMMS 828

Female Calved: August 2008

Sire: **Smooth Sailing**

Dam: **Mimms Donor 401** (Blue Chip x Cunia)

**Due to calve August 19 to Hooter**

*Dig in on this exclusive and limited offering of 401 daughters – there will not be many more of them! We're digging deep to offer our best and to show you what these genetics will do. This second-calver is another very young and very valuable 401 daughter that is bred for success. This one is smaller and super cool with tremendous bone and very serious hair. She milks well and produced a Doc son that sold to Tim Elmore, SC, this spring. Her next one will be by Hooter, Bird Cattle's full brother to the 2008 San Antonio Grand Champion Steer. Like her sisters, this one will bring you back for more!*

**Mimms Cattle**

Lot 14b

## MIMMS 9401

Female Calved: August 2009

Sire: **Heat Wave**

Dam: **Mimms Donor 401** (Blue Chip x Cunia)

**Due to calve August 13 to Duff Outer Limits – Calf Sex: Heifer**

*One of the last daughters of the great 401 donor, this full sister to Keylan Williams' Reserve Grand Champion Steer of the 2007 Ft. Worth Stock Show is a big-bellied, choke-necked highlight of the offering. The 401 daughters are proving to be top shelf producers and a full sister to this heifer was a top seller of our 2009 offering to repeat customer George Show Calves, LA. A likely white-faced heifer is on the way and it will be the first of many highlights from this special heifer whose dam was one of the best to ever serve in Hereford!*

**Mimms Cattle**

Lot 14c

2007 Ft. Worth Res. Grand Champion Steer

**KROUPA M95**

Female Calved: 2002  
 Sire: **Stop-N-Think** (by Meyer 734)  
 Dam: **2J Maine**

*Lot 15*

**Exposed to Freeze Frame (by Alias) – Due 5/25-6/05**

Seller retains the right to one flush of not less than 6 embryos

*Customers love their Stop-N-Think daughters – see Lot 2 in this sale – and this one is extra powerful and productive. She is the dam of Lot 15A and Lot 15B plus the Chunky Monkey donor that now works for Rodgers and Wheeler, CA, and we love this mating with Freeze Frame. There might not be a more massive female in the offering plus this cow is great haired, large legged, and she has a great udder. We never flushed her but we want to. Chart topping power!*

**Kroupa Genetics**

Lot 15

Lot 15a

**KROUPA S89**

Female Calved: 2006  
 Sire: **Cerveza** (by Irish Whiskey)  
 Dam: **Kroupa M95**

*Lot 15a*

**Due to calve 9/16 to McLovin – Calf Sex: Bull**

*Like mama makes them, this is a long-haired brute with tremendous body and real muscle that starts up top and ends in a very deep quarter. Use her for Simmental or exotic production and expect big things. She is nearly as wide as her mother that sells here and she is more moderate with the same great hair and udder quality. A cool sister sells here as well!*

**Kroupa Genetics**

**KROUPA T44**

Female Calved: 2008  
 Sire: **Heat Wave**  
 Dam: **Kroupa M95**

*Lot 15b*

**Exposed to Freeze Frame – Due 5/25-6/05**

*Show-stopping good looks and major league potential! Here is more proof of the power of the M95 cow that sells here. You'll love the color, massive body shape, and great hair you get with this one plus the fantastic front end. She is the perfect size and shape to take you to the next level!*

**Kroupa Genetics**

Freeze Frame – THF/PHAF son of Alias

Lot 15

Lot 16

**HL 320**

Female

Calved: 2003

Sire: **Dr Hook**

Dam: **Meyer x Full Throttle x Epinal**

**Sells open**

Seller retains the right to one flush of not less than 6 transferable embryos

*This set of Horn females is deep and powerful from end to end and this is one you need to get on your team. She checked open after moving from spring to fall last season but everything else is right-on with this gorgeous blaze whose silver daughter of HL The Judge is a sight to see in the Horn keeper pens. Her last bull calf was a \$5,000 son of Glover's Looker as this cow milks especially well. She's got the gorgeous body and big hair with the choke of the neck plus perfect feet and legs. Horn Livestock would like to split a flush to Yellow Jacket with the new owner of this cow whose dam is a full sister to Mimms Donor 899, the dam of the 2010 Ft. Worth Grand Champion Steer.*

**Horn Livestock**

*Lot 16*

**HL DONOR 096**

Female

Calved: 2000

Sire: **Foreplay**

Dam: **Maine Anjou**

**Tested THF/PHAC**

**Sells open with a March heifer by HL Poker Face (Char x MA x Sim)**

*Here is a great chance to own a unique and proven Horn donor with lots left in her tank. This great cow is 11 going on 5 with continued top-end production, ideal fleshing ability and udder quality, and a powerful, memorable look. She sells open with a fancy Poker Face daughter on her side and a smart buyer will just leave them in Hereford for some intensive ET. This big-backed, slim-necked, perfectly-correct cow gave us a \$5,000 son of HL Butter Bean last spring and two of her daughters by Duff's New Attraction sold for \$5,000 each to Stan Bixler, OK, and Bruce Glover, OK. There are no more spring calvers at Horn Livestock or this one and Lot ?? would not be coming to town.*

**Horn Livestock**

*Lot 17*

Lot 15

Lot 18

**HL 575**

Female

Calved: 2005

Sire: **Stewman Limousin**

Dam: **PB Brangus**

**Tested THF/PHAF - Exposed to Solid Gold 3 - Due early October**

*The ABC division at Horn Livestock is as decorated as any in this business - see the 2011 Houston and San Antonio winners for examples - and this is a choice cut from the top of their prime-aged cows. She's extra stout and sound with great balance and her last calf by an HL Shamrock son sold for \$5,000 and is headed to Dallas this fall. This young cow has ideal color and size to offer greater flexibility and she is due for a hot one in early October!*

**Horn Livestock**

*Lot 18*

## MIMMS DONOR 6727

Female Calved: March 2006

Sire: **Popeye**  
 Dam: **GK Donor G-1**

**Sells open with a 03/14/11 bull by Solid Gold**

*A unique and productive breeding piece from the famed G-1 line, this young and proven Mimms donor offers a one-of-a-kind pedigree with looks that will take you places. Her first Heat Wave calf was a heifer that sold for \$1,600 in the 2010 Mimms Sale and this young cow has averaged 7 embryos per flush thus far. She milks very well and offers an easy-to-use pedigree and clean, correct, feminine design that is just right for the bulls you love. Her maternal sisters include a string of high-performing donors in the DU program; and the G-1 line is no stranger to producing high-selling, top-producing AI sires and winners. Ready to flush or breed, she sells with a stout Solid Gold son at-side.*

### EMBRYOS OF MIMMS DONOR 6727

**Lot 19A – Three embryos by Solid Gold**

**Lot 19B – Three embryos by Solid Gold**

Mimms Cattle

Lot 19

## KROUPA 144

Female Calved: 2001

Sire: **Jack Frost**  
 Dam: **2J- Maine**

**Exposed to GK Popeye (Alias x Dr. Who) – Due 5/25-6/05**

*A direct daughter of Jack Frost, this is high-powered equipment that will deliver the goods! Check her daughter selling here to see the power that this tank will create. This is an extra-massive wide body that is still wonderfully correct and complete with a high-quality udder. Remember that the dam of the 2011 Ft. Worth Grand Champion Steer is also sired by Jack Frost.*

**Kroupa Genetics**

Lot 20

## KROUPA 696

Female Calved: 2006

Sire: **White Lake**  
 Dam: **Jack Frost (144)**

**Exposed to Carpe Diem and Addiction – Due 5/25-6/05**

*Bred in South Dakota but built for Texas, this is way-powerful proof of the power of the Lot 20 cow selling here. This cow ranks at the top of the offering for pure power and slick shearing potential. She'll gather a lot of friends on sale day with her enormous hip, razor sharp front end, and attractive look. Carpe Diem or Addiction – it won't matter.*

**Kroupa Genetics**

Lot 20a

## KROUPA OB15

Female Calved: 2006

Sire: **Oahe Wind Son**  
 Dam: **Maine Cross**

**Exposed to Carpe Diem – Due 5/25-6/05**

*Expect big things when the Carpe Diem arrives from this big bodied silver granddaughter of Oahe Wind. We sold several of these a year ago and they make strong ranch equipment. This one is especially big ribbed and boned with a correct, attractive profile.*

**Kroupa Genetics**

Lot 21

## KROUPA PR 12

Female Calved: 2006

Sire: **Oahe Wind Son**  
 Dam: **Maine Cross**

**Due to calve 9/16 to McLovin – Calf Sex: Bull**

*Here is another big, rugged Oahe Wind granddaughter that can really raise them. She produced a \$3,500 Carpe Diem steer last fall and McLovin will give her the shot of style she needs.*

**Kroupa Genetics**

Lot 22

# Exclusive Genetics...

Stout females carrying the service of Lone Wolf!

## MIMMS 7

Female

Calved: Spring 2007

Sire: **Chunky Monkey**

Dam: **Full Flush x Stop-N-Think x Donor 401**

**Due to calve September 2 to Lone Wolf – Calf Sex: Heifer**

*Another exclusive genetic package from DU! Check the pedigree and physical power of this silver/blaze whose dam was a top seller of the 2007 Sweetheart Sale. This young cow is big legged and big barreled with excellent hair and a high-quality udder that she used to raise her Boardwalk son that sold last spring to Christian Schroeder, TX. The Chunky Monkey daughters are making versatile, productive cows and this one is backed by the proven strength of the 401 line that also produced Lot 14 in this sale. Due for a heifer calf, this is one of your only chances to access the power of the \$75,000 and now deceased, THF son of Kemo Sabe, Lone Wolf. Stout stuff!*

**Mimms Cattle**

Lot 23

## MIMMS 751

Female

Calved: 2007

Sire: **Hannibal**

Dam: **DSUL Maria 28D (Limousin)**

**Due to calve August 19 to Lone Wolf**

*A pasture favorite and another reluctant offering from the best of the young cows at Mimms Cattle, this Hannibal daughter from Sullivan Ranch's great Maria 28D donor is strong stuff and she is bred right! Her 2010 daughter by Heat Wave was excellent and she sold to Tim Elmore, SC, and Lone Wolf should be just the ticket here. The right kind of Hannibal daughters are working well and this one is more moderate with great body and unreal hair. She milks well from a strong udder and she has as much hip and top as anything we'll offer. Her donor dam has produced a slew of Texas champions and we won't be surprised when this one does as well!*

**Mimms Cattle**

Lot 24

## MIMMS/BP DONOR 12R

Female

Calved: Spring 2006

Sire: **Meyer 734**

Dam: **Traveler 044 Angus donor**

**Due to calve August 19 to Lone Wolf – Calf Sex: Bull**

*Produced from the home of the famed Mimms Donor 5M, this direct Meyer 734 daughter is a high-maternal specialist and an ideal pasture performer. She milks especially well, keeps easily, and she has flushed consistently. Her son by Smooth Sailing sold as a herd bull to Kroupa Genetics, SD, and she is due with one of the only sons by the \$75,000 and now-deceased Lone Wolf.*

## EMBRYOS OF MIMMS/BP DONOR 12R

**Lot 25A – Three embryos by Walks Alone**

**Mimms Cattle and Blake Prather**

Lot 25

**KROUPA 612**

Female Calved: 2006

Sire: **Strictly Business**  
 Dam: **GK Donor 287 by Meyer 734**

**Due to calve 9/26 to GK Popeye (Ali x Dr. Who)**

*A huge bodied, star headed Strictly Business daughter out of one of the soggiest 734 donors in the country. Her dam will live at Hereford until she dies in order to attain as many maternal genetics possible. She was ahead of her time and her power is evident in this horse-necked, long-haired beauty whose daughter sells here also.*

**Kroupa Genetics**

*Lot 26*

**KROUPA PR 21**

Female Calved: 2008

Sire: **Irish Whiskey**  
 Dam: **GK 612**

**Due to calve 9/06 to McLovin - Calf Sex: Bull**

*From the powerful Lot 26 female and backed by the power of the GK Donor 287, this Whiskey x Business x Meyer 734 blend has a sure shot at stardom. She'll have a show steer by McLovin and she is bred to go the distance with a stout hip, plenty of hair, and a more conservative frame score.*

**Kroupa Genetics**

*Lot 26a*

**KROUPA 461**

Female Calved: 2004

Sire: **Cunia 602**  
 MGS: **No Mercy**

**Exposed to Freeze Frame - Due 5/25-6/05**

*Extra power and base width with explosive muscle and potential, this favorite cow produces the right kind. She has a top-end daughter selling here and there will be more from her. Safe to the high-powered, new Alias son, Freeze Frame.*

**Kroupa Genetics**

*Lot 27*

**KROUPA 686**

Female Calved: 2009

Sire: **Jimmy the Greek**  
 Dam: **461 (Cunia 602 x No Mercy)**

**Due to calve 8/27 to Hammer Up/Hammer Down - Calf Sex: Bull**

*Proof of what you can expect from the way-powerful Lot 27 female that sells here, this favorite bred heifer is extra stout and eye catching with great hair and the right look. She is bred to the THF/PHAF full brother tandem of purebred Shorthorn Gizmo sons, Hammer Up or Hammer Down.*

**Kroupa Genetics**

*Lot 27a*

**KROUPA M210**

Female Calved: 2002

Sire: **Yardley Intense**

Dam: **Angus**

**Due to calve 8/17 to Carpe Diem**

*Extreme bone and hip make this one of the stoutest females in the offering. She is bred just right to Carpe Diem and a strong daughter sells here as well.*

**Kroupa Genetics**

Lot 28

**KROUPA R53**

Female Calved: 2005

Sire: **Stop-N-Think**

Dam: **M210 Yardley Intense**

**Exposed to GK Popeye (Ali x Dr. Who) – Due 5/25-6/05**

*Like her dam, this long-haired blaze is wide, powerful, and productive. She raised a \$5,000 market heifer by Walks Alone last year and she is due early this time to GK Popeye.*

**Kroupa Genetics**

Lot 28a

**KROUPA J76**

Female Calved: 2004

Sire: **Galloway**

Dam: **Angus**

**Due to calve 8/17 to McLovin**

Seller retains the right to one flush of not less than 6 embryos

*The crew needed to sharpen their blades after they clipped this one. This half-blood Galloway is a shaggy, big boned, coon footed breeding piece that is likely to have one of your easiest selling calves next year. See her young daughter that sells here. McLovin is the full brother to Leroy Brown and he'll give this one what she needs!*

**Kroupa Genetics**

Lot 29

**KROUPA 902**

Female Calved: 2009

Sire: **Next Step** (Heat Wave x WAG Hairietta)

Dam: **J76 Galloway**

**Due to calve 9/06 to Hammer Up/Hammer Down – Calf Sex: Bull**

*We missed this one at photo time but we bet you won't. A daughter of the Lot 29 cow, you'd expect her to be extremely hairy and she is but she is also big legged and huge hipped with a super cool look that will not miss. See why we want to flush her dam again?*

**Kroupa Genetics**

Lot 29a

**DRC MISS CHUNKY 750**

Female Calved: September 2007

Sire: **Chunky Monkey**

Dam: **OCC Blackcap 792L** (OCC High Density x 6807)

**Due to calve August 18 to Simple Math – Calf Sex: Heifer**

*From the massive, maternal gem, OCC Blackcap 792L, this proven donor by Chunky Monkey is a Charolais-cross highlight. This proven donor is very young and very impressive with immense body dimension and excellent structure. She has a great disposition and her dam is the fertility and efficiency queen of the Boysel program. This is a valuable maternal package with an upcoming heifer by Simple Math whose pedigree will blend Who Made Who, Meyer 734, 602, Chunky Monkey, Anchor, EXT, 1019, and 6807. Outstanding genetics!*

**Boysel Genetics and Deep Roots Cattle**

Lot 30

# The Proven, Good Stuff!

## SHARP DONOR 14

Female Calved: March 2001  
 Sire: **Jazz**  
 Dam: **Dunk x Smokem x Stilts**

Lot 31

**Due to calve October 2 to Solid Gold – No exposure**

*A proven donor and source of winning quality in the Sharp Farms program, this cow has real power and producing ability to bring some punch to any program. She is the dam of a \$7,500 son by Full Pardon that went on to win the 2005 West Virginia State Fair, his \$3,500 full brother, and a trio of daughters by Friction that sold for \$4500, \$5000, and \$5000 plus two more that are excellent producers in the Sharp herd. Still very youthful, this big boned, power-hipped cow has great feet and balance plus a strong flush record including her last two that produced an average of 14.5 good embryos. With a large selection of calves on the way and a very proven track record, this decision is simple. Jump in!*

Sharp Farms

## EMBRYOS OF SHARP DONOR 14

**Lot 31A – Three embryos by Friction**

Mimms Cattle

## HL 616

Female Calved: 2006

Sire: **HL Grandfather** (The Godfather x Full Attack x Charolais)  
 Dam: **HL Donor 824** (Mighty Whitey x Cunja x Simmental)

Lot 32

**Tested THF/PHAC**

**AI and checked safe to Solid Gold 3 – Due 8/30 – Exposed to Solid Gold 3**

*A blaze-faced beauty from the great Horn Donor 824, here is another highly productive, young one from the core of the winning Horn program. This cow has been a favorite of many visitors to the Horn pastures where she works along side her two full sisters – one red/white-face and one silver Charolais – and many have tried to own them all with offers up to \$25,000. They all still work in Anson and it seems like the right decision because they've been very productive like this cow whose first calf was a top-end replacement, whose second calf sold for \$4,000, and whose third calf – by HL Red Hawk – sold for \$5,000 this spring. Cows can't miss when they are built with this degree of top and hip and this perfect of a profile and front end. This cow milks well and she'll deliver easy-to-sell color with Solid Gold 3 this summer.*

Horn Livestock

## MIMMS 534BF

Female Calved: March 2005

Sire: **Godfather son**  
 Dam: **Kid Rock x Lethal Weapon**

Lot 33

**Due to calve August 19 to Chunky Monkey**

*Bred by Leroy Beitelspacher, SD, this cow was built for this mating and she has worked this way before. Her 2010 Chunky Monkey heifer is a standout in the Mimms replacements and it's no surprise when you study the design of this young cow. She is jet necked and big ended with excellent bone. The Monkey will give her the shot of belly and softness she needs – this will work!*

Mimms Cattle

Lot 34

**HL 839**

Female

Calved: 2008

Sire: **Ali**

Dam: **Alias x Meyer 734**

*Lot 34*

**Tested THF/PHAF - PE to HL 7542 8/17-11/17 - Safe-in-calf**

**Seller retains the right to one flush of not less than 6 transferable embryos**

*You'll love this paint when you get to know her! There is so much potential here and she is just getting started. She lost her first one when it was a few days old but she had plenty of milk and she bred back right away for another. The THF/PHAF pedigree here is easy to use and this is one smooth, furry, ideally-sized, big-bellied delight that will blend nicely with HL 7542. She is due early to give you time to flush her before getting her back in line for a fall calf.*

**Horn Livestock**

HL 7542

**SHARP 59**

Female

Calved: March 2005

Sire: **Northern Improvement**

MGS: **Lead On** (Charolais)

*Lot 35*

**Due to calve August 2 to Walks Alone - No exposure**

*This smoky wide body can really deliver the goods and she is ready to go again! This is the dam of two stout Heat Wave sons that sold for \$7,500 and \$3,500, a Smooth Sailing daughter that brought in \$1,750, and an excellent Cunia 602 daughter that remains to replace her. Sharp and Garwood do not calve in the fall so take advantage of the proven abilities of this young and versatile female. She is extra massive and correct with a smooth front end and plenty of muscle. Count on her to deliver with Walks!*

**Sharp Farms and Garwood Cattle**

**MIMMS 748**

Female

Calved: March 2006

Sire: **Lifeline**

Dam: **Angus x Meyer** (3/4 AN x 1/4 SM (Meyer))

*Lot 36*

**Due to calve August 31 to Walks Alone**

*Another young and proven one bred for quick success, this Lifeline daughter is a profitable ranch implement with a strong track record. A 100% producer, her first calf was a heifer that recently produced a \$4,000 steer prospect and her second was a \$2,500 steer that won his class at the Eddy County (NM) Show, and she followed it up with another \$2,500 son by Dirty Harry this fall. Her productive dam raised nine calves; 4 sold for show steers and 5 heifers were all kept for replacements. You can pay a lot of bills with big backed, no-miss cows like this one and her Walks Alone will likely be the best one yet!*

**Mimms Cattle and Jeff Brandenberger**

Lot 37

**KROUPA 237**

Female

Calved: 2002

Sire: **Ice Pick**

Dam: **Witch Doctor x Cunia**

*Lot 37*

**Exposed to GK Popeye (Ali x Dr. Who) - Due 5/25-6/05**

*A top choice from Thrasher Cattle Company, OK, this massive brute can raise them right. She is as stout, wide, and mobile as they come and she passes her power on. She has good hair but she is so naturally wide and moderate that she'll make a great candidate for slick shear prospects as well. Strong stuff!*

**Kroupa Genetics**

**KROUPA R23**

Female Calved: 2005

Sire: **Hell's-a-Brewin'** (Payback x Power Plant)

Dam: **Sim x Angus**

**Due to calve 9/06 to McLovin – Calf Sex: Bull**

*Few cows blend this much natural width and muscle with this degree of flexibility and correct movement. This one is super wide and she raised a top-selling prospect sold by Wade Rogers last year. She'll do it again with McLovin, the full brother to Leroy Brown and Devil's Advocate. She is as wide and muscular as anything we can offer!*

**Kroupa Genetics**

Lot 38

**KROUPA R23**

Female Calved: 2005

Sire: **Hell's-a-Brewin'** (Payback x Power Plant)

Dam: **Sim x Angus**

**Due to calve 9/06 to McLovin – Calf Sex: Bull**

*Few cows blend this much natural width and muscle with this degree of flexibility and correct movement. This one is super wide and she raised a top-selling prospect sold by Wade Rogers last year. She'll do it again with McLovin, the full brother to Leroy Brown and Devil's Advocate. She is as wide and muscular as anything we can offer!*

**Kroupa Genetics**

Lot 39

**BOYSEL 809**

Female Calved: April 2008

Sire: **3C Sturdy** (PB Son of Meyer 734)

Dam: **Angus**

**Due to calve August 8 to Walks Alone – Calf Sex: Bull**

*A beautiful blaze with her whole life to live, this F1 Sim x Angus cow is ready to go to work for you. She'll deliver a Walks Alone bull calf this go around but you can breed moderate, feminine, pretty cows like this one any way you like and expect strong results. This offering from Boysel Genetics is long on high-maternal, low-maintenance females that will last!*

**Boysel Genetics**

Lot 40

**BOYSEL 308**

Female Calved: April 2006

Sire: **Meyer 734**

Dam: **Angus**

**Due to calve August 8 to Heat Wave – Calf Sex: Bull**

*Coming with a Heat Wave bull calf that will likely have a blaze face, this young and attractive Meyer 734 daughter is super thick. She is just getting started and she'll return quickly with The King of the Ring!*

**Boysel Genetics**

Lot 41

**BOYSEL 540**

Female Calved: 2005

Sire: **Meyer 734**

Dam: **OCC Anchor x Angus**

**Due to calve May 30 to Smilin Bob**

*A smooth and productive Meyer 734 x Anchor blend that has raised some top-end calves so far and is still very young. This cow is correct and good haired with a stout one by Smilin' Bob on the way!*

**Boysel Genetics**

Lot 42

**BOYSEL 121**

Female Calved: Fall 2008

Sire: **3C Sturdy** (PB Son of Meyer 734)

Dam: **OCC Anchor x Angus**

**AI 11/04 to Smilin Bob – PE to 11-22 (Full Flush x Donor F-22) 11/09-12/20 – Safe-in-calf**

*A fabulous F-1 Sim x Angus female that is sound and powerful in every way. This very young daughter of 3C Sturdy is the flexible and productive kind that works many ways for profit and enjoyment. Great haired, sound, and gorgeous!*

**Boysel Genetics**

Lot 43

**KROUPA 252**

Female Calved: 2006

Sire: **Aftershock** (Meyer 734 x The Mailman)

Dam: **Angus**

**Exposed to GK Popeye (Ali x Dr. Who) – Due 5/25-6/05**

*Check the ideal feet and structure on this deep, wide, versatile Aftershock daughter. She is a real cow with a sweet front end, high-quality udder and excellent hair.*

**Kroupa Genetics**

*Lot 44*

**KROUPA RED 35**

Female Calved: 2006

Sire: **Aftershock**

Dam: **Angus**

**Exposed to GK Popeye (Ali x Dr. Who) – Due 5/25-6/05**

*Another excellent, young, and proven female that is due to calve early this summer, this powerful Aftershock daughter is one to study awhile. She has tremendous bone with huge feet and ideal depth and muscle. She raised a \$4,000 son by Heat Wave in 2009 and you might want to leave this one in Hereford awhile. Extra power built on a great frame!*

**Kroupa Genetics**

*Lot 45*

**BOYSEL 733**

Female Calved: March 2007

Sire: **Chunky Monkey**

MGS: **Red Dog**

**Due to calve September 12 to Carpe Diem – Calf Sex: Bull**

*Ready to deliver a stout bull calf by Carpe Diem, this very young Monkey daughter is super thick and long bodied. She has a great attitude and can really raise a calf.*

**Boysel Genetics**

*Lot 46*

**BOYSEL 20**

Female Calved: Fall 2008

Sire: **Chunky Monkey**

Dam: **OCC Anchor x Angus**

**Checked safe to Carpe Diem – Due 8/07 – Exposed to 11-22 (Full Flush x Donor F-22)**

*If you need better Charolais-cross cows with more muscle, more milk, and less frame size and birth weight, then you need to collect as many of these Chunky Monkey daughters as you can – especially when they are built like this one. This dark gray cow is stout hipped and extra wide with excellent feet and legs. Her Carpe Diem will be special!*

**Boysel Genetics**

*Lot 47*

**BOYSEL 202**

Female Calved: 2004

Sire: **Lead On son**

Dam: **Comm Angus**

**AI 11/22 to Smilin' Bob – PE to 11-22 (Full Flush x Donor F-22) 11/09-12/31 – Safe-in-calf**

*This silver-mot is neat and clean with excellent lines and structure. Smilin' Bob will bring the power and she'll provide the class!*

**Boysel Genetics**

*Lot 48*

**BOYSEL 547**

Female Calved: 2007

Sire: **Almost Famous**

Dam: **Meyer 734 x Angus**

**Due to calve September 22 to Smilin' Bob**

*This cherry-red favorite missed her ride to Texas but don't hold that against her. Her only two calves have been strong sons that have sold for \$2,500 each and this match with Smilin' Bob should be a cinch. She is great haired, great colored, and extra loose and sound. Look for this one!*

**Boysel Genetics**

*Lot 49*

**BOYSEL DONOR 11M**

Female Calved: 2002

Sire: **OCC Anchor**  
 Dam: **Angus x Amerifax**

**AI 11/02 to Simple Math – PE to 11-22 (Full Flush x Donor F-22) 11/09-12/20 – Safe-in-calf**

*Another proven source of quality from the top of the Boysel outfit, this Anchor donor has been superb. She flushes well – usually in the 7-12 range – and her daughters by Cunia 602 and 3C Sturdy have sold for \$6,250 and \$4,750, respectively. She is the perfect size and build to go plenty of directions and she has a hard-to-find hair coat and sweet front end for this pedigree. You'll love this one!*

**EMBRYOS OF BOYSEL DONOR 11M**

**Lot 50A – Three embryos by Meyer 734/Silver Bullet (mixed)**

**Boysel Genetics**

*Lot 50*

**BOYSEL 7**

Female Calved: Fall 2004

Sire: **OCC Anchor**  
 Dam: **Angus x Amerifax**

**Due to calve August 22 to Simple Math – Calf Sex: Heifer**

*This is a powerful production engine in the Boysel Genetics program and a cow that is surely deserving of some time in transplant. Her heifer calves have averaged \$3,500 thus far and she is due for another by Simple Math, the baldy Who Made Who x Meyer 734 x GK Angus 602 blend whose first crop is drawing strong reviews.*

**Boysel Genetics**

*Lot 51*

**BOYSEL 426**

Female Calved: Fall 2004

Sire: **OCC Anchor**  
 Dam: **Angus x Amerifax**

**Due to calve May 30 to Smilin' Bob**

*Another smooth, productive, versatile Angus II cow that can raise the right kind. Due early to Smilin' Bob, this cow has left us with some excellent replacement and sale calves.*

**Boysel Genetics**

*Lot 52*

**BOYSEL 521**

Female Calved: Spring 2008

Sire: **War Paint** (Shorthorn)  
 Dam: **Meyer 734 x Angus**

**Due to calve August 15 to Copper Penny – Calf Sex: Heifer**

*The only calf from this promising War Paint daughter was a \$3,750 heifer by Dirty Harry but we're betting there will be many more hits from her. She is great haired with a long, sweet front end and spot-on movement. We like the sound of her Copper Penny heifer that will arrive this summer.*

**Boysel Genetics**

*Lot 53*

**BOYSEL 837**

Female Calved: Spring 2008

Sire: **Heat Wave**  
 Dam: **BCC Enchantress 537R** (by Cunia 602)

**AI 11/28 to Smilin' Bob – PE to 11-22 (Full Flush x Donor F-22) 11/30-12/20 – Safe-in-calf**

*A cool paint out of the \$22,500 Enchantress 537R that topped the 2005 Holiday Classic Sale. This young one is moderate and extra-long fronted with leading body shape and hair.*

**Boysel Genetics**

*Lot 54*

**BOYSEL 727**

Female Calved: Fall 2007

Sire: **Heat Wave**  
 Dam: **Aristocrat 313N** (Bando 1024 x Eagle Scout x Playboy)

**AI 11/07 to Simple Math – PE to 11-22 (Full Flush x Donor F-22) 11/09-12/20 – Safe-in-calf**

*From the famed Holiday Classic top-seller and Frozen Gold donor, Aristocrat 313N, this young donor prospect is one to be sure to find sale day. She does a super job in the field with plenty of milk and she has the rocket front, powerful hip, and great disposition you'd expect from her famous dam that descends from the most decorated cow family at Horsley Brothers, IL.*

**Boysel Genetics**

*Lot 55*

# Young Cows Bred Right...

**Proven Hale Females Bred to No Apology!**

## HALE 995

Female Calved: July 2008

Sire: **War Eagle**  
MGS: **Heat Seeker**

**Exposed to No Apology – Due approx. 10/4**

*Another young highlight of the Hale offering, this big-boned, flat-hipped cow is built like a perfect donor candidate. She's got the look and she'll deliver something special by No Apology!*

**Hale Cattle**

*Lot 56*

## HALE 991

Female Calved: August 2008

Sire: **Da Bus**  
Dam: **Purebred Charolais**

**Exposed to No Apology – Due approx. 9/03 – Calf Sex: Heifer**

*A special, young one that can do her job, this choke-necked Charolais cow raised a \$2,500 prospect by a Heat Seeker son in her first attempt. She is great haired and well built with a daughter on the way by the high-selling Tank x Hoo Doo Hale herd sire, No Apology, whose first crop included calves that sold as high as \$11,000!*

**Hale Cattle**

*Lot 57*

## HALE 993

Reg. MaineTainer Female Calved: April 2008

Sire: **Irish Whiskey**  
Dam: **GCC Sharpie x Angus**

**Exposed to No Apology – Due approx. 9/23 – Calf Sex: Twin Heifers**

*This young, registered Whiskey daughter is a solid investment decision. She has twin heifers coming by No Apology, and she is square hipped and thick with a neat look. You know how to make this one work and she has plenty of time to do it!*

**Hale Cattle**

*Lot 58*

## HALE 994

Reg. Chi Female Calved: August 2008

Sire: **Smooth Sailing**  
Dam: **Maine Anjou x Angus**

**Exposed to No Apology – Due approx. 9/11 – Calf Sex: Heifer**

*The first calf from this super-young, registered cow sold for \$2,500, and we like her chances with No Apology, the powerful Tank x Hoo Doo blend whose first crop included calves at \$11,000, \$6,000, and \$5,000. This cow is smooth and pretty with leading bone and hip. She'll work!*

**Hale Cattle**

*Lot 59*

**Bring Your Semen Tanks and Save \$\$\$**

**Sale Day Special on Carpe Diem and Simple Math Semen: \$20/straw**

**Call Shane Boysel for details, 937/539-1545**

# The 7th Bred Heifer Division

The Freshest Genetics from Our Hottest Donors!

## MIMMS 823

Female Calved: August 2008

Sire: **Jake's Proud Jazz**

Dam: **Mimms Donor 6066** (Bentley x Cunia 602)

Due to calve August 13 to Duff Outer Limits

*A blue beauty that will run as far as you'll take her, this powerfully complete bred heifer is the first calf from Mimms Donor 6066. Her powerful dam is featured in this sale and this heifer offers upgraded belly and body shape with enough hair for two donors. She's got all the right parts in all the right places and she moves with authority on an ideal frame score. She hasn't done anything yet but her first calf is on the way and the versatility here is nearly as impressive as the heifer, and this one is bred to go the distance. Enjoy our very best!*

Mimms Cattle

## BIRD RITA 1B

Female Calved: Spring 2009

Sire: **Mama's Boy** (Meyer 734 x WAG Hairietta)

Dam: **Bainridge Rita J039**

Exposed to Steel Force x Angus bulls - Due approx. 7/02

*The perfect place to start, this powerfully smooth heifer is a product of the noted embryo program at Granny Creek Farm, OH. Her dam is the mega-producing Bainridge Rita J039 that made a name for herself by producing outstanding donor prospects just like this one. Like her dam, this impressive heifer is extra massive and correct but with an upgraded front end and a notch more size and hair. She'll be an all-around great female that covers all the bases and she'll do it with style!*

Bird Cattle

**Join Us Friday Night for Rick Jackson's Famous Fajitas & Fixin's in the Mimms Sale Barn! Bring a Friend!**

Lot 62

BH Donor 3012

## HALE 934

Female Calved: August 2009  
 Sire: **Made Right**  
 Dam: **BH Donor 3012** (PB Hereford)

**Exposed to CL1 Domino 6143 – Due approx. 8/31 – Calf Sex: Heifer**

*A hard-to-find, hard-to-part-with feature of our seventh offering, this full sister to BH Right On from the great Hale 3012 donor is genetic gold with the looks to back it up. Her donor dam is a former San Antonio Champion Hereford Female that ranks at the very top of the winning Hale program. Full siblings to this powerfully complete heifer include \$18,000 top sellers and maternal siblings by Tater and 357 have sold for \$9,000 and \$7,500 plus a sister by Carpe Diem is a priceless replacement heifer this spring. BH 3012 is a full sister to the proven sire, BH 3011, and BH 3014, the dam of the young Mimms donor, BH 7013, that sold in our 2009 sale and whose first ET crop included two elite keeper heifers plus 4 sons that averaged \$8,400 this spring. With a heifer calf on the way, this is a ready-made success package built with power. Share the Future with one of the best in the business!*

**Hale Cattle**

## HALE 923

Female Calved: August 2009  
 Sire: **Full Focus**  
 Dam: **BH 1004** (PB Hereford)

**Exposed to CL1 Domino 6143 – Due approx. 10/28**

*A full sister to BH Kutter, this long-necked, dark-red heifer is one to watch for! Her foundation dam, Hale 1004, produced a 3rd Lightweight Hereford at Ft. Worth plus BH Kutter, the sire of the trendsetting sire, BH 3011, and the proven Hale donors, BH 3012 – dam of the featured Lot 62 heifer, and BH 3014. BH Kutter was lost too early but his progeny have been behind much of the success of the Hale program, like BH 3014 whose daughter, BH 713 by Wasp, is the young Mimms donor that sold in our 2009 sale and whose first ET crop included two elite keeper heifers plus 4 sons that averaged \$8,400 this spring. This young one is great haired and good hipped; you can build from here!*

**Hale Cattle**

BH/Mimms Donor 713

Lot 64

## HALE 931

Female Calved: August 2009  
 Sire: **BH 3011**  
 Dam: **BH 420** (Hereford x Maine Anjou)

**Exposed to Hot to Trot – Due approx. 9/07 – Calf Sex: Heifer**

*By the limited and proven BH 3011, this powerful heifer is a feature of this deep Hereford offering and a full sister to one of the best Hale replacements from 2010. Her productive dam has blended nicely with 3011 and it surely worked here as this one is especially big boned and big ribbed with great hair all over her body. Mark this one with a star and get ready for a fancy baldy heifer by Hot to Trot!*

**Hale Cattle**

### HALE 913

Female Calved: September 2009

Sire: **Heat Seeker x Wildside**  
 Dam: **BH 3007** (PB Hereford)

**Exposed to CL1 Domino 6143 – Due approx. 9/09 – Calf Sex: Heifer**

*What a big-boned, big-barreled powerhouse backed by the leading power of the 3007 cow at Hale's! This is a very unique bred heifer with much to offer. Her dam is one of the stoutest, biggest boned purebred Hereford cows in the Hale program and a pair of her daughters rank with the very top of the young replacements there as well. This scurred heifer leads the way in this set of bred's with increased body mass and muscle, great hair, and impressive capacity. She'll make 'em stout!*

**Hale Cattle**

Lot 65

### HALE 904

Female Calved: August 2009

Sire: **Made Right**  
 Dam: **BH Donor 2011** (Hereford)

**Exposed to CL1 Domino 6143 – Due approx. 8/29 – Calf Sex: Heifer**

*Solid gold Hale genetics here! This Made Right x BH 2011 blend is the first of three outstanding full sisters to the powerful trio of calves that brought in \$40,000 in the 2010 Main Event Sale. Their donor dam is one of the time-tested, great ones in the Hale lineup with a string of favorites to her credit including another \$16,750 brother to this trio of bred heifers. This polled heifer is moderate in size with a complete, correct design. A valuable heifer is on the way!*

**Hale Cattle**

Lot 66a

### HALE 908

Female Calved: August 2009

Sire: **Made Right**  
 Dam: **BH Donor 2011** (Hereford)

**Exposed to CL1 Domino 6143 – Due approx. 9/12 – Calf Sex: Heifer**

*This might be the thickest of this valuable trio of BH 2011 daughters. All of these will make special producers, and this one is especially correct and muscular with extra extension. Her value will double when her Domino 6143 heifer arrives this fall.*

**Hale Cattle**

Lot 66b

### HALE 914

Female Calved: August 2009

Sire: **Made Right**  
 Dam: **BH Donor 2011** (PB Hereford)

**Exposed to CL1 Domino 6143 – Due approx. 9/18 – Calf Sex: Heifer**

*Another valuable breeding piece from the Hale embryo program and the well-proven 2011 donor, this fault-free heifer is one to mark with a star. Like her sisters, she was a little green at photo time, but she puts together balance and substance with the right look and design to become a top producer. Be sure to find this trio in the pens before the sale; they'll make you look smart when their heifer calves arrive this fall.*

**Hale Cattle**

Lot 66c

### HALE 916

Female Calved: September 2009

Sire: **Made Right**  
 Dam: **BH 3008** (PB Hereford)

**Exposed to CL1 Domino 6143 – Due approx. 9/15 – Calf Sex: Heifer**

*A super replacement prospect from the top of the crop at Hale's! This very deep and great haired heifer is backed by what Bradley calls, "one of my favorite purebred cows." A first heifer calf is on the way, and this heifer is moderate and big backed with powerful bone.*

**Hale Cattle**

Lot 67

Sale Day Internet Bidding Contact: Meredith DeBorde, 972/523-6888

**HALE 921**

Female Calved: September 2009

Sire: **Made Right**  
 Dam: **BH 3005** (PB Hereford)

**Exposed to CL1 Domino 6143 - Due approx. 9/02 - Calf Sex: Heifer**

*This dark-red, perfect-footed beauty is a standout in this deep offering of Hale Herefords! Her dam is a really complete, purebred cow, and this heifer leads the way in terms of bone, body shape, and eye-catching style. She has a first heifer calf in her belly and she looks like she'll raise plenty of favorites before she is done!*

**Hale Cattle**

Lot 68

**HALE 922**

Female Calved: August 2009

Sire: **Polar Express**  
 Dam: **BH Donor 222** (Heat Seeker x Maine)

**Exposed to Hot to Trot - Due approx. 9/13 - Calf Sex: Bull**

*Versatile club calf power from the great 222 donor at Hale's! This long-haired, extra-deep heifer is a full sib to many favorite steers and heifers like the Champion British Steer at San Angelo in 2009, a \$6,300 steer in the 2010 Main Event Sale, a \$5,500 bred heifer that Kroupa Genetics, SD, selected in our 2010 sale, and another heifer that sold for \$3,800. A full sister sells here, and this colorful heifer is complete and smooth and filled with feminine quality.*

**Hale Cattle**

Lot 69a

**2009 San Angelo  
 Champion British Steer**

**HALE 940**

Female Calved: August 2009

Sire: **Polar Express**  
 Dam: **BH Donor 222** (Heat Seeker x Maine)

**Exposed to Hot to Trot - Due approx. 9/18 - Calf Sex: Bull**

*More power from Hale 222, this solid-red, steer-raising machine is absolutely huge legged and huge haired! She is close to the ground and extra wide; just like her flushmates that have nearly always been sale toppers, some up to \$20,000. The 222 donor is one of the leading revenue producers in the Hale outfit and this mating to Polar Express has been her best so far. The first of many show calves is on the way from this one!*

**Hale Cattle**

Lot 69b

**HALE 902**

Female Calved: August 2009

Sire: **Yellow Jacket**  
 Dam: **BH 612** (Alias x Chill Factor)

**Exposed to Hot to Trot - Due approx. 9/18 - Calf Sex: Heifer**

*From the Hale ET program, this big legged, blaze faced Yellow Jacket daughter is going to be a strong producer. Her dam has been excellent and this heifer is a lot like her. Check the pedigree and then study the great hair, substance, and powerful dimension on this young one. A valuable heifer calf on the way is a bonus here!*

**Hale Cattle**

Lot 70

**HALE 905**

Female Calved: September 2009

Sire: **No Spin** (Heat Wave son)  
 Dam: **BH Donor 618** (Heat Wave x Meyer 734 x An)

**Exposed to Hot to Trot - Due approx. 10/3**

*Here is a cool brockle from the 618 donor at Hale Cattle Company whose first crop by No Apology contained two steers that averaged \$8,500 this spring. This powerful bred heifer is built much like her donor dam; extra stout and sound with great hair and hip.*

**Hale Cattle**

Lot 71

**KROUPA 428**

Female Calved: 2009

Sire: **Devil's Advocate** (Full Brother to LeRoy Brown)

Dam: **GK Donor 428** (Full sister to Yellow Jacket)

**Due to calve 8/17 to Hammer Up/Hammer Down – Calf Sex: Bull**  
Selling one-half interest with the option to double hammer price to acquire full interest

Seller retains the right to two flushes if full interest option is selected

*Colorful power and plenty of it! This is going to be a powerful donor before long and GK wants to stay hitched if you'll let him. This powerful, big body is by the full brother to McLovin and Leroy Brown from a full sister to Yellow Jacket, and she's got the look. Her first will come easily by the THF/PHAF full brother tandem of Hammer Up or Hammer Down, purebred Shorthorn sons of Gizmo. There is a big time Shorthorn in this one's future!*

**Kroupa Genetics**

**KROUPA 3162**

Female Calved: 2009

Sire: **Next Step** (Heat Wave x WAG Hairietta)

Dam: **428** (Full sister to Yellow Jacket)

**Due to calve 9/06 to Hammer Up/Hammer Down – Calf Sex: Bull**

*The blonde maternal sister to the featured Lot 72A, this is another stout product of our full sister to Yellow Jacket. This heifer is moderate and built right with excellent hair and muscle shape. Bred to the THF/PHAF full brother tandem, her calf will be bred a lot like the one Brandon Bird got from one of the last bred heifers we sold a year ago. Ask him about her; she's not for sale.*

**Kroupa Genetics**

**BIRD 21**

Female

Calved: Spring 2009

Sire: **Hot Toddy**

Dam: **Maine Anjou**

**Exposed to Steel Force x Angus bulls – Due approx. 6/13**

*Powerful red stuff! This hard-to-find redhead stands out from the group with her ideal size, powerful depth, and totally cool look. She's got the hair and the shape to work well and she'll get started early so you can breed her back for more power!*

**Bird Cattle**

# The 7th Bred Heifer Division

## The Freshest Genetics from Our Hottest Donors!

### BOYSEL 930

Female

Calved: April 2009

Sire: **Chunky Monkey**

Dam: **Donor 1L4** (Full Flush x Chill 602G)

**Due to calve August 10 to Carpe Diem – Calf Sex: Heifer**

*One of the very best daughters of Chunky Monkey that we've ever offered – and that's saying something – this bred heifer is going to make a very special donor; she can't help it. Her dam is the \$45,000 and now-deceased 1L4 donor that was a full sister to the great Miss Perfection, the dam of Smooth Sailing. Her full sisters in-blood include Mimms Donor 701 and Mimms 702 that was a \$17,000 feature of our 2010 DU Sale. A full brother to this heifer is a strong herd sire owned by Bar N Ranch, TX, and another brother works for Hicks & Miller, TX. This Monkey is prettier and sharper with the same great body, muscle, and maternal ability. Fantastic pedigree and cow power sell here!*

**Boysel Genetics**

Lot 74

### TCC 90

Female

Calved: Spring 2009

Sire: **Chunky Monkey**

Dam: **Dr Hook x Full Flush**

**Tested THF/PHAF - Due to calve 7/28 to Carpe Diem – No exposure**

*A gorgeous blonde from a proven Thorne donor, this Chunky Monkey daughter will be easy to spot in the sale pens. She is a full sister to an \$11,000 herd sire that sold last summer and she looks the part of a great donor prospect. All the pieces are here including great hair and balance, flawless movement, and the loose, powerful design you need. Carpe Diem will get you started quickly and the rest will be easy!*

**Thorne Cattle Company**

Lot 75

### HALE 926

Female

Calved: August 2009

Sire: **Alias**

Dam: **BH Donor 816** (Char x An)

**Exposed to Hot to Trot – Due approx. 9/09 – Calf Sex: Bull**

*This pair of sisters from Hale Donor 816 is impressive. This older heifer is clean and correct with great hair and leading muscle shape; just like her 13 year-old dam whose past credits include brothers to this heifer that have sold as high as \$10,000. Own both of these valuable heifers – this one has a show steer in her belly!*

**Hale Cattle**

Lot 76a

### HALE 915

Female

Calved: September 2009

Sire: **Alias**

Dam: **BH Donor 816** (Char x An)

**Exposed to Hot to Trot – Due approx. 9/11 – Calf Sex: Heifer**

*The younger sister to Lot 76A, this is another valuable daughter of the time-tested 816 donor. Sisters to this pair are young standouts in the Hale outfit, and their dam just keeps turning out quality even after 13 years in production. Study this one carefully as she is extra complete and pretty with great hair and design.*

**Hale Cattle**

Lot 76b

**HL 2679**

Female Calved: July 2009

Sire: **HL Ammo 388**

Dam: **Donor HL 474** (75% Charolais)

*Lot 77*

**Tested THF/PHAF**

**AI and checked safe to Chili Pepper – Due 9/26 – Exposed to HL 812**

Seller retains the right to one flush of not less than 6 transferable embryos

*Smooth power and perfect utility sell along with this favorite bred heifer from the top of the Horn replacements. A daughter of Ammo 388, the powerful sire of the 2010 San Antonio Grand Champion Steer, this high-percentage Charolais is pink-nosed, THF/PHAF, and oh-so balanced and correct with extra belly and a gorgeous front end. She checked safe to Chili Pepper, the Habanero x Foreplay blend that has delivered success before. Tie on here to what is sure to be a top performer!*

**Horn Livestock**

**HL 53**

Female Calved: Fall 2009

Sire: **Heat Wave**

Dam: **HL/Dozier Donor Charolais 10**

*Lot 78*

**Tested THC/PHAF - Due to calve late August/early September to HL 812**

*One of only three full sisters to the 2008 Houston and 2011 San Antonio Grand Champion Steers in production, this silver feature is a direct daughter of the most accomplished donor in the Horn lineup and the foundation of the family that produced Solid Gold and his clones. The genetic potential here is fantastic and this heifer is smooth, thick and perfectly sized to accomplish plenty. Her first service sire is HL 812, a three-quarter Charolais heifer bull whose first calves have come easily.*

**Horn Livestock and Warren Dozier, DVM**

**2008 Houston Grand Champion Steer**

**2011 San Antonio Grand Champion Steer**

**HL 928**

Female Calved: Fall 2009  
 Sire: **HL 550** (CH x MA x AN)  
 Dam: **HL 490** (CH x AN)

*Lot 79*

**Tested THF/PHAF**

**AI and checked safe to Chili Pepper – Due 9/28 – Exposed to Lil' Ben**

*A full sister to the popular Lot 64 bred heifer that Hale Cattle Company, TX, selected from the top of our sixth sale, this sweet silver heifer is another young one you can build around. Like her sister, this is a double-half Charolais with a totally outcross pedigree – no club calf blood of any kind – that is built on a moderate, big-bellied design that is covered in great hair. She is classy and correct and she'll be easy to use with the bulls you love.*

**Horn Livestock**

**HL 964**

Female Calved: Fall 2009

Sire: **Payback son**  
 Dam: **CH x MA x AN**

*Lot 80*

**Tested THF/PHAF - Due to calve 9/22 to Lil' Ben**

*Another high-class silver from the deep set at Horn Livestock, this THF/PHAF bred heifer will make a smart choice for profit. She is very complete and correct with added body dimension and great hair. She is due to Lil' Ben, a Horn heifer bull whose first calves are coming small and stylish.*

**Horn Livestock**

**TCC 96**

UNREGISTERED DAM

*Lot 81*

**Tested THF/PHAF - Due to calve 7/28 to Navajo – No exposure**

*Every Thorne female is backed by a proven donor and this one is out of one of the very best in the business! Her dam is the great K- 008 that has been producing nothing but quality since topping the 2007 K- Ranch Sale including a very consistent set of calves last year that included a \$20,000 steer. This registered heifer offers a powerful hip with excellent hair, balance, and great color. This pedigree will take you places!*

# Two Daughters of Donor FF602!

## MIMMS 813

Female

Calved: August 2008

Sire: **Heat Wave**

Dam: **Mimms Donor FF602** (Full Flush x Chill 602G)

**Due to calve August 13 to Celebration (Red Angus) – Calf Sex: Heifer**

*Stacked with proven power and the looks to match, this is a very special Heat Wave daughter that is destined to make an ideal donor prospect. This ET product offers ideal structure and a rare blend of power, femininity, and proven genetic goodness. A daughter of the customer-favorite donor, FF602, this heifer is a full sister to the Heavyweight Chi class winner of the 2011 San Antonio Stock Show as well as a pair of steers that sold for \$7,000 and \$4,600 in the 2010 Mimms Sale. A full sister sold for \$3,000 in that same sale plus a sister by Chunky Monkey sold for \$8,000 in 2009 and a pair of brothers by Solid Gold sold for \$8,500 each this spring. Bred to calve easily to the ABS and RA Brown Ranch sire, Celebration, this heifer is good from every angle. Our first calf by Celebration – produced from a Heat Wave heifer – sold for \$2,900 and was selected as the Champion Red Angus Steer at the 2010 Panhandle Parade of Breeds.*

## MIMMS 935

Female

Calved: April 2009

Sire: **Friction**

Dam: **Mimms/Dunn Donor 635N** (Chill Factor x GK Angus 602)

**Due to calve August 13 to Celebration – Calf Sex: Heifer**

*Backed by the \$20,000 top-selling bred heifer from our first Share the Future Sale, this youngster offers solid gold genetics in fine form. She was a late addition to the sale lineup so we missed her at photo time but she is a leader in terms of real power and good looks. A maternal brother by Walks Alone sold for \$4,400 in the 2011 Mimms Club Calf Auction where his five sisters averaged \$2,400. Big backed, jet necked, and great haired, take a look at her mother in the donor pens before the sale. This will be excellent property and her first calf will be a valuable replacement by Celebration!*

2009 National Western Grand Champion Steer

**MIMMS 963**

Female Calved: August 2009  
Sire: **Heat Wave**  
Dam: **Mimms Donor 7063** (Rock On x Angus)

**Due to calve August 13 to Celebration**

*Get ready for the best daughter we've ever offered from the almighty 7063! This full sister to the 2009 National Western Champion Steer, the AI sire, Denver Heat, and the top-selling steer from the 2010 Mimms Club Calf Auction is one you need to see. She offers the powerfully clean look of her dam with upgraded softness and hair quality plus ideal structure, movement, and frame score. She's got the sweet look of a major producer and her dam has never let us down. Smooth, powerful, and really good!*

**Mimms Cattle**

*Lot 85*

**MIMMS 922**

Female Calved: April 2009

Sire: **2- Solution** (Angus)  
Dam: **Mimms Donor 6254** (Cunia 602 x Donor F-22)

**Due to calve August 13 to Duff Outer Limits - Calf Sex: Heifer**

*Always a favorite in the Mimms pastures, this unique bred heifer has a design and pedigree that should make you look twice and bid more than that! Sired by the ultra-low BW Angus bull, 2- Solution, this smooth, deep beauty is backed by a powerful Cunia 602 x F-22 blend that gave us a litter of outstanding Doc heifers this past fall. This heifer offers maximum flexibility and she does it on a very correct, balanced skeleton with excellent hair and muscle shape. She'll develop into a gorgeous mature cow and the profit will come quickly when her Outer Limits daughter arrives this summer!*

**JJ SPECKLES**

Female Calved: February 2010

Sire: **Heat Wave**  
Dam: **JJ/Mimms Donor 50** (Meyer 734 x Witchcraft 2100)

**Sells open**

*More power from the proven 50 donor, this three-quarter sister to Lot 87A is ready to breed your way. She has been a stylish standout all along - we told you about her a year ago - and her dam's deep pedigree insures her maternal value. Her full brother was third in Class 8 at the 2010 Ft. Worth Stock Show and her full sister sold a year ago to Claude Gregory, TX.*

**Double J Cattle**

*Lot 87b*

**BIRD 27**

Female  
Sire: **Heat Wave**  
Dam: **Charolais**

Calved: Spring 2009

*Lot 88*

**Exposed to Steel Force x Angus bulls – Due approx. 6/17**

*This good-looking blonde will get something special started! She is ultra-complete and correct with just enough power and look plus she is due early and working on a high-quality udder. This is the kind to mate back to high-powered Charolais bulls and expect easy success. Sound, hairy, and great lookin'!*

**Bird Cattle**

**BIRD 78**

Female  
Sire: **Heat Wave**  
Dam: **Mimms Donor 22** (Meyer 734 x Barbie 7D)

Calved: Spring 2009

*Lot 89*

**Exposed to Steel Force x Angus bulls – Due approx. 6/17**

*From the Mimms embryo program and the same cow that produced Stock Martin's dominant prospect steer last summer, this powerful heifer is bred in the purple. She offers extra size and dimension with great hair. This cow family has produced as many Texas champions as any, and this is going to be a very stout cow!*

**Bird Cattle**

**BIRD 48**

Female  
Sire: **Milk Man**  
Dam: **Charolais**

Calved: Spring 2009

*Lot 90*

**Exposed to Steel Force x Angus bulls – Due approx. 6/17**

*By the same sire as the 2011 Ft. Worth Grand Champion Steer, this big ribbed heifer is one to be sure to find sale day. She is massive and great haired with spot-on movement and the ideal size to work well. Her mother was one of Clayton Frye and Brian Martin's top producers.*

**Bird Cattle**

**BIRD 2B**

Female  
Sire: **Waylon**  
Dam: **Maine Anjou x Angus**

Calved: Spring 2009

*Lot 91*

**Exposed to Steel Force x Angus bulls – Due approx. 7/02**

*Backed by a high performing and time tested 17-year-old cow, this Waylon daughter is exceptionally large boned and square hiped. She is the right size with excellent hair – just like her favorite dam. Due early to get her started right!*

**Due to calve September 16 to OCC Legend**

*The Rocky Balboa daughters are making nice cows and this one should be excellent. She is classy and feminine with excellent hair and pattern.*

**Boysel Genetics**

*Lot 96*

**BIRD 3E**

Female Calved: Spring 2009

Sire: **Full Flush 602G**  
 Dam: **Heat Seeker x SULL 6651**

**Exposed to Steel Force x Angus bulls – Due approx. 6/17**

*The first of two full sisters from the winning embryo program at Sullivan Ranch, TX, this neat necked, big boned heifer has incredible hair. Along with her stylish sister, she offers two shots of two of the stoutest donors in the game, Chill 602G and SULL 6651!*

**Bird Cattle**

*Lot 97a*

**BIRD 3F**

Female Calved: Spring 2009

Sire: **Full Flush 602G**  
 Dam: **Heat Seeker x SULL 6651**

**Exposed to Steel Force x Angus bulls – Due approx. 6/17**

*The look-alike full sister to Lot 97A, this is another stylish shot of proven power from Sullivan Ranch. If you believe in pedigree then you know you need this pair of sisters!*

**Bird Cattle**

*Lot 97b*

**BIRD 74P**

Female Calved: Spring 2009

Sire: **Rodman** (Angus)  
 Dam: **Purple Eclipse**

**Exposed to Steel Force x Angus bulls – Due approx. 8/16**

*Extra depth and style make this Rodman daughter a favorite of the offering. She is a big-backed, choke-necked beauty with a calving-ease top side and she is just right in terms of frame score. Load her!*

**Bird Cattle**

*Lot 98*

## HALE 990

Female

Calved: August 2009

Sire: **Sooner**

Dam: **Maine Anjou**

**Exposed to Hot to Trot – Due approx. 9/09 – Calf Sex: Heifer**

*A valuable daughter of one of the most dominant sires in the Maine-Anjou breed, this Sooner heifer gets more genetic punch from a gorgeous dam that was selected as the Grand Champion Female of the Fall Classic and a division champion at Ft. Worth and Houston. She is extra fancy and correct with great hair and she is eligible for registration as a high-percentage Maine-Anjou. Heifer calf on the way!*

**Hale Cattle**

Lot 99

## HALE 920

Female

Calved: August 2009

Sire: **Eyes On The Money**

Dam: **BH 413 (Maine Anjou x Angus)**

**Exposed to Hot to Trot – Due approx. 9/09 – Calf Sex: Heifer**

*Here is a sister to one of the very best 2010 replacement heifers at Hale Cattle Company! The 413 cow is really stout and correct, and she has produced 100% heifer calves so far. All of the 413 daughters have been at the top of their crops as this line has been very consistent with different sires. This heifer is great haired and big hipped with one of the best front ends in the Hale offering.*

**Hale Cattle**

Lot 100

## HALE 942

Female

Calved: September 2009

Sire: **No Spin**

Dam: **BH 624 (Santa Gertrudis)**

**Exposed to Hot to Trot – Due approx. 9/10 – Calf Sex: Heifer**

*Last but certainly not least, this is a great place to start some special ABC's. This solid-black beauty is another top selection from the Hale replacements. Her dam is a great, young Gert cow that is extra stout, and this heifer is very complete and correct with great balance and body shape. She is hard to part with and she has a first heifer on the way!*

**Hale Cattle**

Lot 102

## BIRD 46Y

Female

Calved: Fall 2009

Sire: **Torque (Maine)**

Dam: **Hoo Doo**

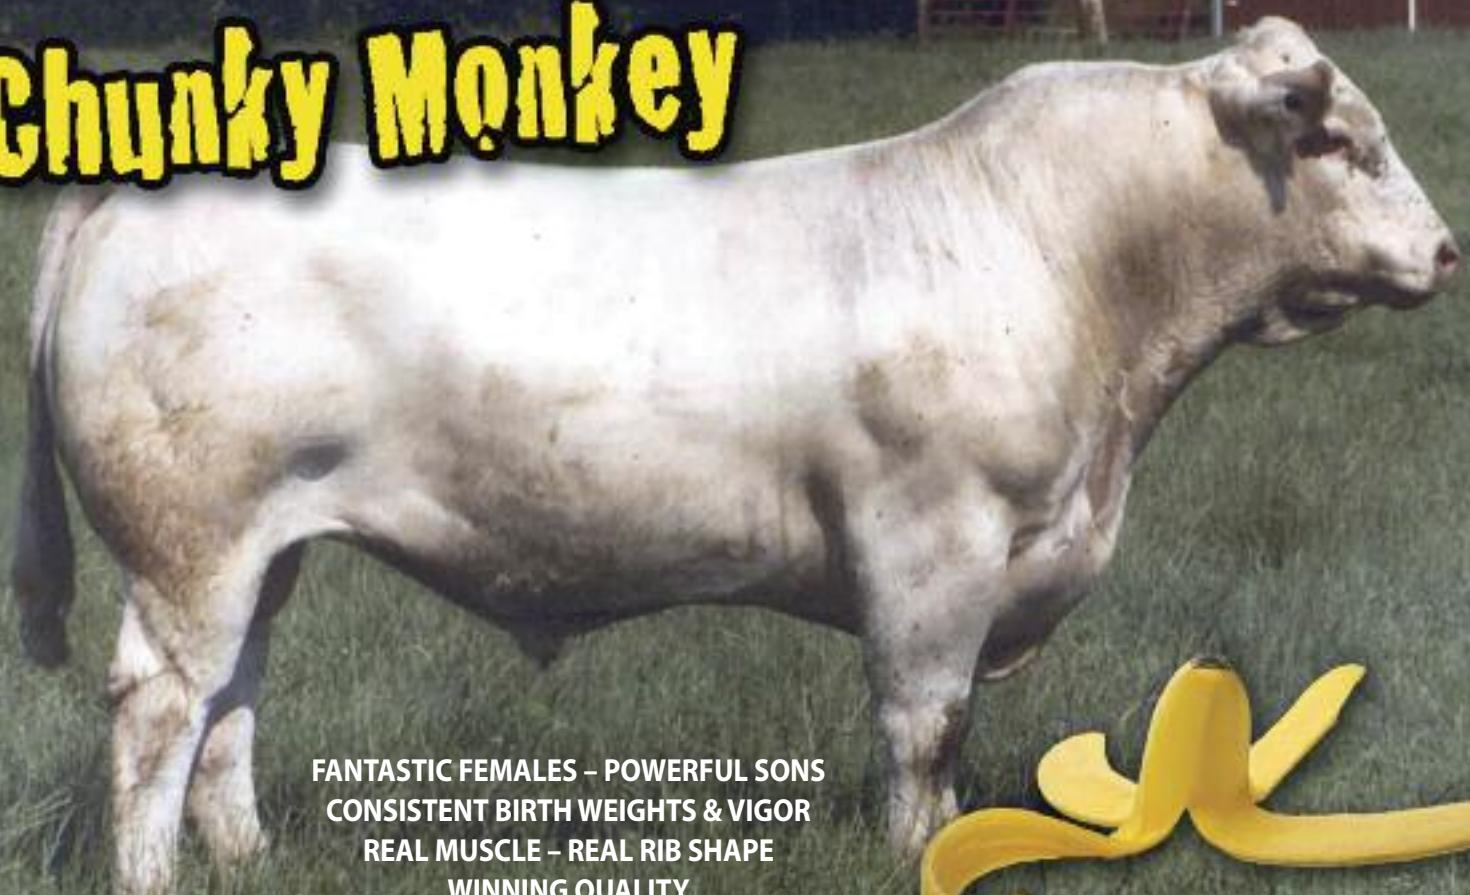

**Exposed to Steel Force x Angus bulls – Due approx. 7/02**

*The youngest heifer in the Bird offering, this fall heifer is going to make an excellent Charolais-cross producer. She is sired by the popular top-seller at Kris Black's, Torque, and her dam is a good Hoo Doo Charolais. This heifer is smooth and correct with style.*

Milkman x Chauncy 4193P-22

We kicked off our frozen genetics sale with this incredible female a year ago and, after a great year of producing as promised, she is back again to headline our 7th offering. This powerful production machine is one of the most valuable females at Mimms Cattle and known as the stoutest full sister to the famous "795 Super Cow". This is the dam of Stock Martin's dominant Milkman son from last season that was selected as the Grand Champion Steer of the 2010 Panhandle Parade of Breeds, the 2010 Tri-State Fair, and the 2010 Golden Spread Classic. He's not the first powerful Milkman son from this extreme-fronted, super-thick donor that produced a natural full brother to Stock's steer that brought \$22,000 in the 2008 Mimms Club Calf Auction – and there is more. Her 2009 crop included another \$8,300 son by Milkman plus a \$5,000 daughter by Heat Wave and six more calves that sold for \$12,900 in the 2010 Mimms Club Calf Auction plus her 2008 crop included three steers that sold for \$4,167 average and three heifers that sold for \$3,675 a piece in the 2009 Mimms sale. A full sister to 4193P produced the 2003 Ft. Worth Stock Show Grand Champion Steer as well as the AI sire All In, and a natural daughter by Yahtzee was one of the top heifer calves in the Top Line Dispersal as well. For maximum power, try these power packages on for size!

Ruby 812M

Like a fine wine, Ruby 812M just gets better with time. Since arriving from Sullivan Ranch, TX, this proven beauty has delivered nothing but quality. To date, our only four male calves from this cow have sold for the average price of \$5,238. The first steer we got was by Heat Wave and he sold to Bonham Show Cattle, OK, for \$7,900 in the first pen of the 2010 Mimms Club Calf Auction and he went on to be selected as a class winner of the 2011 National Western Stock Show. The recent Mimms Sale featured a \$7,250 son and a 2007 son by Heat Wave was the best bull prospect produced in the Sullivan Ranch program that year. 812M produced a natural Heat Wave steer in 2006 that sold for \$7,600 along with an impressive pair of daughters that averaged \$4,300 in the 2007 Sullivan Ranch Sale. The Ruby 812 progeny have all been big boned, very hairy and thick with a cool, sound design. This is the right kind – what a cow!

## EMBRYOS OF GK/MIMMS DONOR N117

Donor Sire: **Ground Zero**  
Donor MGS: **Jack Frost**

**Lot 202A – Three embryos by Milkman**

**Lot 202B – Three embryos by Milkman**

**Lot 202C – Three embryos by Smooth Sailing**

*The hottest ticket in the Panhandle, Donor N117 is worth the drive and these frozen treasures will be worth all they bring and more. This cow delivers the modern, winning kind with wonderful consistency. Her 2009 son by Milkman was one of the most popular champions in recent memories of the Ft. Worth Stock Show and N117 proved she was not a one-hit wonder when her 2010 crop hit the market recently. Ten sons by Walks Alone and Smooth Sailing – 100% of the N117 crop from last fall - combined to average \$4,620 with a top of \$31,000 and the top 5 averaging \$13,700. We sold two daughters a year ago for \$6,750 each plus two sons sold for \$13,000 and \$12,000 in 2010 and three young daughters averaged \$6,566 to top the 2009 Mimms Sale. Also, a son of N117 and Smooth Sailing was selected as the Reserve Champion Maine Steer of the 2010 Oklahoma Youth Expo. If you need more reasons to buy now, take a long look at the trio of N117 daughters that are detailed in Lot 1 in this booklet. N117 is the complete beast – on the hoof, on the tanbark, and on the balance sheet. We only wish she made more eggs. Buckle up.*

Buyer is responsible for all flush and semen expense. Donor 7X-1 may be flushed shortly after the auction.

**Lot 203B – Three embryos by West Covina**

**Lot 203C – Three embryos by Carpe Diem**

*The product of generations of the best cattle in the Mimms program, we promised you this little cow would work when we sold half of her as the Lot 1 feature of our fourth Share the Future Sale. Derek Poe knew we meant it because he had just raised one of her sons by Heat Seeker – from a confirmed pregnancy purchased in our first sale – that was selected as the Division I Champion Crossbred of the 2007 Fort Worth Stock Show, so he took her home. Well, 7X-1 struck again this fall when one of her embryos that we sold in our 2008 sale produced the Grand Champion Steer of the 2011 North American International for Schable/Burke/Forman. Lightning struck twice last fall because our only Monopoly son from 7X-1 in 2010 sold for \$23,500 in the recent Mimms Club Calf Auction. This cow just works, time and again.*

*The first daughter of the incomparable 7X donor at Mimms Cattle whose sales exceeded the \$263,000 mark, 7X-1 produces even better than her memorable mother. Her very first calf was a \$9,000 daughter by Dr. Hook and the 2010 crop from 7X-1 included a \$7,500 son by West Covina and his valuable full sister for Renfro Cattle, TX. The success of this female is no accident. Her pedigree runs deep with successful, fertile, lasting cattle that have won over the long haul. Enjoy our best!*

## EMBRYOS OF MIMMS DONOR 899

Donor Sire: **Meyer 734**

Donor Dam: **Gleghorn Donor 20** (Full Throttle x MA x Angus)

**Lot 204A – Three embryos by Heat Wave**

**Lot 204C – Three embryos by Heat Seeker**

**Lot 204D – Three embryos by Dr. Hook**

*The 20 Family ranks as one of the best in the Texas record books and it struck again last year! Rikki Buckalew's Grand Champion Steer of the 2010 Ft. Worth Stock Show and Rodeo is the product of Heat Wave and the now-deceased 899 donor at Mimms Cattle. Rikki's winning steer was raised by long-time customer Poe Ranch, Hamilton, TX, from a flush sold in Share the Future 4. These are some of the very last embryos available for the 899 donor that ranked as the most productive of the famous Meyer 734 x 20 donors that worked for Dr. Mimms; all daughters of Dwight Gleghorn's foundation Donor 20 that also produced a number of winning show steers including a son by Meyer 734 that won both days of the OK Beef Expo in 1997. The 2006 Mimms Club Calf Auction featured 13 sons and daughters of 899 – all of her calves made the cut for the sale - a son by Dr. Hook stood second in Class 6 at Ft. Worth, and her natural heifer calf by the same mating sold in the spring of 2007 for \$4,500 to Nick Reimann, SD. Plus, a full sister to Donor 899 produced the powerful Lot 3 feature in this sale. Powerful blood!*

Donor Dam: **MA x Angus**

**Lot 205 – Three embryos by Meyer 734**

*The foundation of the famous 20 Family that produced a string of champions and profitable cattle for Dwight Gleghorn, Dimmitt, TX, and Mimms Cattle, this great cow deserves a spot in the Hereford Hall of Fame. We featured several Meyer 734 females from this winning line in our 2006 sale and these embryo packages are your last chance to create more of them. Aside from Rikki Buckalew's Grand Champion of the 2010 Ft. Worth Stock Show, the 20 line has produced several more local winners and premium sale calves; the consistent quality in this family of cattle is what sets it apart.*

Mimms Cattle

# And the 2009 Denver Champion...

**A Huge Offering with New Matings from 7063!**

## PRODUCE OF MIMMS DONOR 7063

Donor Sire: **Rock On**  
Donor Dam: **Shamrock**

**Lot 206A – Confirmed, unsexed pregnancy by Smilin' Bob**

Due to calve July 31, 2011 - Available sale day – Recipient is a crossbred cow

**Lot 206C – Confirmed, unsexed pregnancy by Heat Wave**  
Due to calve August 8, 2011 - Available sale day – Recipient is a crossbred cow

**Lot 206D – Three embryos by Heat Wave**

**Lot 206E – Three embryos by Heat Wave**

**Lot 206F – Three embryos by Smilin' Bob**

**Lot 206G – Three embryos by Smilin' Bob**

*A proven leader in the Mimms lineup – and industry wide - 7063 leads the way in terms of bankable consistency and profit for breeders from coast to coast. We're proud to call her ours and she continues to amaze us with her ability to produce upper-level success with each calf crop. If you haven't experienced her power, here is a great chance to see what so many breeders are talking about.*

*What makes her truly great?*

- Ky Stierwalt, OK, showed a powerful son to the 2009 National Western Stock Show Market Steer Grand Championship. Produced from a flush sale to the Blackburn family, NM, in our second sale
- Kirbe Schnoor, CA, showed the Reserve Grand Champion Prospect Steer of the 2007 National Western Stock Show. Produced from embryo sales to Nowatzke Cattle, IN
- "Denver Heat" – A \$15,000 AI prospect owned by Granny Creek Farm, OH, and HK Cattle, TX. Produced from an embryo sale
- The 2008 Mimms Club Calf Auction featured 13 calves by Heat Wave that sold for a \$6,701 average. Another 100% crop of sale qualifiers
- The 2009 Mimms Club Calf Auction featured a \$10,000 son – the only one in the crop
- The 2010 Mimms Club Calf Auction top-seller at \$15,000 plus another steer at \$5,400
- The 2011 Mimms Club Calf Auction included one son by Heat Wave – he sold for \$5,800

*7063 puts the "Power" in "Power Cow" and continues to create success, enjoyment, and profit for everyone that touches her. Dig in on a large and valuable offering from one of the best in the business!*

# Panhandle Legends...

Donor 401

2007 Ft. Worth Reserve Grand Champion Steer

## EMBRYOS OF MIMMS DONOR 401

Donor Sire: **Blue Chip (SM)**  
Donor Dam: **Cunia x Angus**

### Lot 208 – Three embryos by Heat Wave

The last from the great 401! The dam of fine sons like the 2002 Aksarben Grand Champion and the 2007 Ft. Worth Reserve Grand Champion is gone but she left an indelible footprint on the Mimms program and those of our DU customers. Her daughters – like those featured in Lot 14 here, past editions of this sale, and the new Mimms Donor TJ401 – might be her greatest asset but her sons were sure fun to raise. Donor 401 ranks as one of the most consistent and valuable cows ever to serve in Hereford and these last eggs offer locked-in success!

Mimms Cattle

See Lot 14 for more from Donor 401

## EMBRYOS OF MIMMS DONOR 599

Donor Sire: **Blue Chip (SM)**  
Donor Dam: **Cunia x Angus**

**Lot 209A – Confirmed, unsexed pregnancy by Heat Wave**  
Due to calve August 7, 2011 - Available sale day – Recipient is a crossbred cow

### Lot 209B – Three embryos by Heat Wave 5

A must-see/must-own from our seventh offering, here is your first taste of this massive and powerful full sister to the legendary Donor 401! This cow is some kind of high-powered equipment and we're just getting her rolling in mass production. She is a little stingy with the eggs but it is just a matter of time before she strikes gold, just like her famous sister. Wow, what a cow!

Mimms Cattle

Donor 599 will be on display sale day

Donor 599

Donor TJ401

## EMBRYOS OF MIMMS DONOR TJ401

Donor Sire: **T.J. (Sim)**  
Donor Dam: **Donor 401 (Blue Chip x Cunia x An)**

### Lot 210A – Three embryos by Doc

### Lot 210B – Three embryos by Walks Alone

Pure feminine power and valuable outcross utility make this sweet, young one a shining new star in the Mimms lineup. Donor TJ401 is a natural daughter of the now-deceased and much-accomplished Donor 401 that is featured as Lot 208 here. This donor was a very popular heifer calf and she is delivering as promised with outstanding daughters of her own by Tycoon and Dr. Who. She is just getting started but this one will be a superstar. Mark it down.

Mimms Donor TJ401 will be on display sale day

# The Last from the Great 5M!

## EMBRYOS OF THROG COW RF5M

Reg. American Sim Angus Cow

Donor Sire: **Meyer 734**

Donor Dam/MGS: **Angus**

*Lot 211*

### Lot 211 – Three embryos by Walks Alone

The last trio of 5M eggs on ice; don't let them pass you by. We lost this legend last fall and it stings. She was a great one, really. She created a crowd in the donor pens because she was a favorite of many customers and we loved her production. She was the top-seller of the landmark Throgmartin Dispersal at \$29,000, and she has made good on her promise of trendsetting quality. As a top show heifer she won plenty - Reserve Grand Champion Percentage Female of the 2003 National Junior Simmental Show among others - and her first natural calf sold for \$12,500. Her first ET calf topped the 2006 Holtkamp Cattle Pasture Sale to Harkema & Rogers who resold him for \$42,000. That Heat Wave son later was selected as the Reserve Grand Champion Prospect Steer of the Wichita Mountains Classic, the Oklahoma State AGR Preview, and the Superbowl Jackpot Show. The fall of 2007 marked the first 5M crop produced at Mimms Cattle and, of the 10 calves produced, all ten sold in the Mimms Club Calf Auction where six steers by Heat Wave sold for a \$4,266 average.

We wish we had them - for many reasons - but there will not be any more from 5M. You'll be glad you invested here.

Mimms Cattle

THROG Cow RF5M

Heat Wave x RF5M

# And 225P... The Full Sister to 5M!

Mimms Donor 225P

## EMBRYOS OF MIMMS/BP DONOR 225P

Donor Sire: **Meyer 734**

Donor Dam/MGS: **Angus**

*Lot 212*

### Lot 212A – Three embryos by Heat Wave 5

### Lot 212B – Three embryos by Walks Alone

What's better than one donor like 5M? Two of them. The 5M donor was so impressive - and her first calves looked so good - that we searched high and low to find her only full sister, 225P. It's very hard to find Meyer 734 daughters with the kind of bone, hip, hair quality, and extreme look that 225P offers. She is ideal for club calf production and these are her best matings; and some of her last as well since we lost her over the winter.

Mimms Cattle

## THE RIGHT TO FLUSH WB/MIMMS 28 FREEZE

Donor Sire: **Simmental**

Donor Dam/MGS: **Maine x Angus**

*Lot 213*

### Lot 213 – The Right to Flush 28 Freeze

Special Terms of the Flush: Flush is guaranteed to produce a minimum of 6 transferable embryos with no cap. Buyer will pay 50% down sale day with the balance due to the sellers after the flush. Buyer is responsible for all flush and semen expense. 28 Freeze may be flushed shortly after the auction.

Mega-watt power and proven success sell with this newly added piece of the puzzle. Take the time to study this one awhile before the auction; she'll make you think a little. This is the definition of "power cow" and she is ready to go for mass production. She was a hard worker for Went Blacks, NE, where she produced the top-selling, multiple-winning son shown above but she ain't seen nothing yet. If you look hard you can find a few cows with this type of body, muscle, and bone but how many of them have this kind of hair and this sweet of a front end and udder quality? A rare find indeed. Share the future with us.

#### Lot 214E – Three embryos by Chill Factor

#### Lot 214F – Three embryos by Smart Choice

#### Lot 214G – Three embryos by Chunky Monkey

*An all-time great! Every time you visit Hereford it's worth it just to stop and see the F-22 donor; she's getting old but she is so good it just makes you smile. There may not be another cow that combines her degree of power, style and function, and very few can match her production. She was a \$74,000 valued investment and she has backed it up more than once. The dam of a number of standouts including the 029 donor, a \$203,000+ producer that has been a steady feature of past Share the Future Sales and her sister, Donor 300, that is featured here as Lot 2, plus the proven Boysel sire 11-22 and many more. Other daughters of F-22 have been high-sellers for a number of leading breeders and the 2010 Sweetheart Sale included four daughters by Chunky Monkey that sold for a \$10,250 average plus our 2010 Share the Future Sale featured a powerful daughter by Smart Choice that sold for \$5,300 to Ramiro Munoz, TX. We keep asking F-22 for more and, while she has definitely slowed down, she continues to deliver the kind we all love. Enjoy this giant genetic opportunity from one of the best females we've ever known!*

# Super Stout Maternal from 029!

## EMBRYOS OF DONOR 029

Donor Sire: **Full Flush**  
 Donor Dam: **GK Donor F-22** (Draft Pick x Angus)

**Lot 215A – Three embryos by Chunky Monkey**

**Lot 215B – Three embryos by Doc**

*Grab these while you can because the Queen is dead! We lost 029 last fall and we should have commissioned a headstone for her. She was a legendary performer and customer favorite with more than \$203,000 in progeny sales and plenty of great success to remember her by. If you saw her, then you remember her, no doubt. This was a one-of-a-kind cow and she made them like she looked. Her first two natural calves were sired by Maine Break, with the first one selling for \$9,000, and the second, a popular son that was later named Johnny Cash, selling for \$25,000. A pregnancy sale produced the \$25,000 K- Ranch sire, Double Whammy, and daughters are prized possessions of several breeders. Donor 029 was not for the faint of heart because she delivers extreme style and power yet she blends it with maternal soundness. She was definitely a unique beast and these combinations with The Monkey and Doc will deliver maternal power on a new level!*

# Time-Tested Success...

2010 Ft. Worth Stock Show Reserve Grand Champion Steer

## EMBRYOS OF MIMMS DONOR 36

Donor Sire: **Angus**  
 Donor Dam: **Crossbred**

**Lot 216A – Three embryos by Yellow Jacket**

**Lot 216B – Three embryos by Heat Wave**

**Lot 216C – Three embryos by Walks Alone**

*This great female used to be the best kept secret in Hereford. Donor 36 is gone but her memory and quality live on through the great success of her progeny. Allie Henrie and Drager Cattle's 2010 Ft. Worth Stock Show Reserve Grand Champion Steer was produced from one of the best daughters of Donor 36, MIM Erica 313F by Dr. Hook. This great cow set the tone for consistency over the years and she set a new record for herself when her Heat Wave son sold for \$12,500 to Drager/Carr/Stierwalt in the 2008 Mimms Club Calf Auction. She is the dam of more than \$17,000 on seven head sold in the 2005 Mimms sale plus more than 85% of her calves have sold in the \$25-4500 range regardless of the sire she has been matched with. Her daughters are favorite producers, obviously, and a son by Full Throttle was second in his class at Houston, and another son by Meatloaf was a class winner at Ft. Worth, and two more sons stood second and third at OKC and Houston, respectively. In addition to the 2010 Ft. Worth winner, MIM Erica 313F has produced a \$7,000 champion steer with her first calf and two steers that sold for \$13,750 and \$7,500 in 2009 plus more this spring. The large embryo offering selling here is some of the last embryos recovered from Donor 36, one of the most profitable and consistent cows ever to work in Hereford.*

# Exclusive and Proven Charolais Genetics!

KC Miss Impressed 5145P

PMS Kaycee 7787T

## EMBRYOS OF MIMMS DONOR 546

Registered Charolais Cow

CIGAR

**SMART CHOICE**

HOO DOO 6017

CIGAR

**PB CHAR**

CADILLAC

**Lot 227A – Three embryos by Carpe Diem**

**Lot 227B – Three embryos by Carpe Diem**

A double-bred Cigar from the great Hoo Doo 6017 donor, this purebred powerhouse is one of the best kept secrets in Hereford. This cow is so powerful and moderate and she injects her calves with exciting style and valuable hybrid vigor. She proved herself with just one crop that included calves by Chunky Monkey and Heat Wave. Each of them made the cut for Dr. Mimms' 2008 Club Calf Auction where they brought \$4,100 each (the top two averaged \$5,700) with a top of \$6,900 on a purebred, pink-nosed steer by Chunky Monkey. Greg Kroupa has a very impressive Chunky Monkey son that is seeing use in his herd and 546 produced a very good son by Who Made Who last spring. This cow passes on her power nicely and she stacks some of the most proven genetics in the business. If you need more muscle and slick-shear appeal, raise your hand when this cow comes in. Look at the top and quarter shape on this gem!

Lot 227A is offered by Mimms Cattle – Lot 227B is offered by Kroupa Genetics

# PRODUCE OF KC MISS IMPRESSED 5145P

PB Charolais Female F1025731

Donor Sire: **Duke 9201**

Donor MGS: **Wyoming Wind**

Lot 226

**Lot 226A – The Right to Flush Miss Impressed 5145P**

Special Terms of the Flush: Flush is guaranteed to produce a minimum of 6 transferable embryos with no cap. Buyer will pay 50% down sale day with the balance due to the sellers after the flush. Buyer is responsible for all flush and semen expense. 5145P is open and currently averaging 12.5 on 5 flushes.

**Lot 226B – Three embryos by TR Firewater**

**Lot 226C – Three embryos by TR Firewater**

How do you find a purebred female more proven on a high level than this one? Miss Impressed 5145P was the 2007 National Western Grand Champion Charolais Female and her very first calf, PMS Kaycee 7787T by Firewater, was selected as the Grand Champion of the Fort Worth Stock Show in 2009 and Reserve Grand Champion of the 2009 National Western Junior Show. That's two National Championships for this one and she might have more to give in the crossbred business. Five sons by Heat Wave and one heifer by Paddy O'Malley sold to Bonham Show Cattle, OK, from her first ET crop and our customers love this one's embryos. 5145P is so correct and balanced with hard-to-find hair and show ring style in a purebred female that it's no wonder she works with both pure and crossbred sires. Consider both of the options selling here; Firewater semen is getting harder to get – he is the most dominant Charolais bull in the breed today – and this flush will certainly create tax problems for the new owner.

Mimms Cattle

Donor 5145P will be on display sale day

Mimms Donor 546

## PRODUCE OF DONOR 9P

Donor Sire: **AAA Duke 016**

Donor Dam: **Full Flush x Char x Sim**

Lot 228

**Lot 228A – Confirmed, unsexed pregnancy by Heat Wave**

Due to calve July 31, 2011 - Available sale day – Recipient is a crossbred cow

**Lot 228B – Confirmed, unsexed pregnancy by Heat Wave**

Due to calve September 30, 2011 - Available sale day – Recipient is a crossbred cow

**Lot 228C – Three embryos by Heat Wave**

New proof has arrived from this Charolais-cross beauty that was already a well-proven source of banners and profit before she came back to the Panhandle. Spring-calving customers have been sending exciting reports of their new 9P babies, and this is a powerful offering destined to further her reputation. This massive yellow machine has a pedigree that traces to several Texas winners and she was a show ring winner herself. Her sons and daughters by Heat Wave and Alias have been premium stock, black or Charolais. This cow is loose, massive, and correct with a look and pedigree that are easy to match for success.

Lot 228B is owned by Spencer Cattle Company

# G-1 Genetics That Smoke!

## Proven Recipes from Miss Outlaw M-51 and her best daughters!

### EMBRYOS OF GK MISS OUTLAW M-51

Donor Sire: **Thomas Outlaw**  
Donor Dam: **GK Donor G-1**

#### Lot 229A – Three embryos by Chunky Monkey

#### Lot 229B – Three embryos by Heat Wave 5

*Proven power genetics at work! The Kroupa G-1 line is one of the most recognized and prolific in the business – bar none. Lots 229-233 allow you to share in G-1's best daughters. GK Miss Outlaw M51 is the \$40,000-valued top-seller of the 2007 Sweetheart Sale and a proven source of top-sellers and show winners with a first ET crop that included a \$13,750 daughter by Hoo Bear that has been a multiple winner in Ohio for the Matt Reed family – her first ET offering sells here - and the exciting Lot 47 female that we sold a year ago for \$10,750 to Raul Martinez, TX, plus the \$20,000-valued Lot 231 donor featured here. This is the same family that produced White Lake, Get Smoked, Smokin' Gun, and Beat the Heat; and this cow is steadily becoming one of the most valuable females in our lineup.*

**Boysel Genetics and Kroupa Genetics**

**See Lot 19 for more from the G-1 line**

Miss Outlaw M-51

GK Donor G-1

### PRODUCE OF BOYSEL DONOR 426

Donor Sire: **Hoo Bear**  
Donor Dam: **GK Miss Outlaw M-51**

#### Lot 230A - Confirmed, bull pregnancy by Walks Alone

Due to calve August 16, 2011 - Available sale day – Recipient is a crossbred cow

#### Lot 230B – Three embryos by Chunky Monkey

#### Lot 230C – Three embryos by Monopoly

*The best from the first ET crop of the well-proven GK Miss Outlaw M-51 that is featured here as Lot 229, this Hoo Bear daughter was a winning show heifer for Matt Reed and Xtreme Cattle, OH, and she recently sold one-half interest to Mimms Cattle. Her very first calf was an exceptional daughter by Juneau that sold for \$6,750 last fall and this cow has lived in Hereford ever since. Sorry we do not have a current photo of 426 but we'll bet you can find her in the donor display pens. She stands out with her balanced, powerful, attractive design. She is a modern club calf machine and we have big plans for her future – share it with us!*

**Boysel Genetics and Mimms Cattle**

### THE RIGHT TO FLUSH DONOR F-20

Donor Sire: **Alias**  
Donor Dam: **GK Miss Outlaw M-51**

#### Lot 231 – The Right to Flush Donor F-20

Special Terms of the Flush: Flush is guaranteed to produce a minimum of 6 transferable embryos with no cap. Buyer will pay 50% down sale day with the balance due to the sellers after the flush. Buyer is responsible for all flush and semen expense. F-20 is open and may be flushed shortly after the sale; this will be her first lifetime flush.

*Be sure to give yourself plenty of time before the auction so that you can study this beast awhile. This is the powerful first flush option from another great daughter of the \$40,000 Miss Outlaw M-51 and the well-proven G-1 line. This daughter by Alias is the biggest legged, softest flanked, most massive product yet from this line; and that's saying something if you remember her three-quarter sister that Raul Martinez, TX, selected from this sale a year ago. F-20 was a feature of the winter sale season and she'll make a versatile THF/PHAF breeding piece that should be a cinch with a long line of bulls. The base width and bone here is phenomenal plus her hair and udder quality is outstanding. We're letting you in early on a special one here!*

**Boysel Genetics and Soehnen Cattle**

Donor F-20

# High-Powered Charolais Genetics!

Donor 5-G1

Heat Wave x Full Flush x G-1

## PRODUCE OF MIMMS/DSUL DONOR 5-G1

**DONOR PEDIGREE:**  
Sire: **Thomas Outlaw**  
Dam: **GK Donor G-1**

# Lot 232

**Lot 232A - Confirmed, unsexed pregnancy by Heat Wave**  
Due to calve August 14, 2011 - Available sale day - Recipient is a crossbred cow

**Lot 232B - Three embryos by Heat Wave**

**Lot 232C - Three embryos by Walks Alone**

One of three direct daughters of the famed Kroupa G1 donor that are featured in this sale, Donor 5G-1 is the world's only full sister to the Lot 229 donor, Miss Outlaw M-51. 5G-1 was herself the \$24,000-valued top-seller of the 2007 Sullivan Ranch Genetic Progress Sale and her deceased dam was one of the remarkable females our business has ever known. Sons and daughters of G-1 include GK Donor R26, the \$29,000 top-seller of the 2007 Sweetheart Sale, the \$12,500 top heifer calf of the 2006 Mimms Club Calf Auction whose first calf crop included a son by Heat Wave that sold for \$33,000, popular sires such as White Lake, Get Smoked, Smokin' Gun, and Beat the Heat, and a Heat Wave daughter that topped the 2008 Mimms Club Calf Auction at \$22,000. The G1 daughters breed on as well as any. The 2011 spring AI sire rosters are filled with G-1 sons and grandsons plus the 2009 Iowa Beef Expo Reserve Champion Steer was produced from a Full Flush x G1 female working for John Sullivan, IA.

Mimms Cattle

Donor 5G-1 will be on display sale day

## EMBRYOS OF MIMMS DONOR 7-G1

**DONOR PEDIGREE:**  
Sire: **Heat Seeker**  
Dam: **GK Donor G-1**

# Lot 233

**Lot 233A - Three embryos by Copper Penny**

**Lot 233B - Three embryos by Copper Penny**

Here is your first chance at this heart breaker! Wow, what a cow this one will be once she gets a little time! She got off to a rough start but it is only a matter of time before her power is fully engaged. She was a \$20,000 favorite and one of the coolest, fuzziest, most massive heifer calves to ever wear silver hair. Study her build in the donor pens; stout ones don't come with this type of front end and chest floor and this hair. She is a lock with several bulls and we're excited to see what these first ones by Copper Penny will be. We'd double down here!

Mimms Cattle

Donor 7G-1 will be on display sale day

Donor 7G-1

Boysel Donor 539

## EMBRYOS OF BOYSEL DONOR 539

**DONOR PEDIGREE:**  
Sire: **Superman**  
Dam: **OCC Anchor x Angus**

# Lot 234

**Lot 234A - Three embryos by Monopoly**

**Lot 234B - Three embryos by Milkman**

Another new, smoky offering that is proven to deliver modern power! This massive and productive female is sure to be a favorite of our pre-sale display. She was bred in the Boysel program and they've had her to themselves until now. The first ET calves from 539 arrived last spring and they later sold for a \$5,500 average in the 2010 Boysel Club Calf Sale to Wade Rodgers, IA, Goettmoeller Show Cattle, IN, and Bruce Egbert, OH. This silver whale is working because her calves have the same giant middle and wide base that she has. They've been strong and these matings will deliver large scale smoky success!

Boysel Genetics

K- Cow 008

Heat Wave 5 x 008

## EMBRYOS OF K-BAR COW 008

Donor Sire: **Blizzard Whiteout**  
 Donor Dam: **K-Bar Cow 726** (Char x Angus)

**Lot 235A – Three embryos by Heat Wave 5**

**Lot 235B – Three embryos by Monopoly**

**Lot 235C – Three embryos by Solid Gold**

*Everybody doesn't like something but nobody doesn't like this cow. The great 008 is back again and, if you haven't already, you need to take part of her home. This great three-quarter Charolais cow was the \$36,000 Lot 2 female of the 2007 Fall Female Sale at K- Ranch and she is proving to be worth every penny and more. Her first ET crop in the Panhandle was amazingly consistent with a top steer of \$20,000 and several more by Heat Wave and Lifeline in the \$5-\$7,500 range. A strong daughter sells as Lot 81 and another son by Heat Wave, Dalhart 008, is a promising AI sire. 008 is the dam of K- White Fang by Full Flush and her 2007 daughter by Wildcard, K- Camilla 008T, brought \$8,000 and went on to claim Reserve Grand Champion AOB of both the junior and open shows at the 2008 New Mexico State Fair. This cow performs as good as she looks and she is a cinch with these matings. Was there ever any doubt?*

**Thorne Cattle Company** Donor 008 will be on display sale day

Heat Wave 5 x 008

## EMBRYOS OF MIMMS DONOR 701

Donor Sire: **Chunky Monkey**  
 Donor Dam: **102FF Miss Perfection** (Full Flush x Chill 602G)

**Lot 236A - Confirmed, unsexed pregnancy by Monopoly**  
 Due to calve August 8, 2011 - Available sale day - Recipient is a crossbred cow

**Lot 236B - Confirmed, unsexed pregnancy by Monopoly**  
 Due to calve August 8, 2011 - Available sale day - Recipient is a crossbred cow

**Lot 236C – Three embryos by Heat Wave**

**Lot 236D – Three embryos by Monopoly**

*Here is another warning to get in early on this certain superstar. This very young donor is a solid-white queen with a solid-gold pedigree. She was produced from the only flush of the deceased Miss Perfection – the dam of Smooth Sailing and more – to Chunky Monkey. Her full sister, Mimms 702, was a \$18,000 highlight of our 2010 Share the Future Sale and a full sister in-blood is the impressive Lot 74 selling here. More siblings include highly-valued, young herd sires as her dam was one of the most influential donors in the business. The first ET calves from 701 are just arriving now and we think she will be a major player in the future. She is so correct and powerful from every angle with excellent hair and a fault-free design.*

**Lot 236A is offered by Garwood Cattle, LLC**

**Lot 236B is offered by Sharp Farms**

**Lots 236C & D are offered by Mimms Cattle** Donor 701 will be on display sale day

Mimms Donor 70

Mimms 702

# More from 602... Uncommon Power!

DSUL 5602 Treasure

## PRODUCE OF DSUL/MIMMS 5602 TREASURE

Donor Sire: **Full Flush**  
 Donor Dam: **Miss Chill 602G** (Chill Factor x GK Angus 602)

### Lot 237A – The Right to Flush 5602 Treasure

Special Terms of the Flush: Flush is guaranteed to produce a minimum of 6 transferable embryos with no cap. Buyer will pay 50% down sale day with the balance due to the sellers after the flush. Buyer is responsible for all flush and semen expense. 5602 is open and may be flushed shortly after the sale and has produced an average of 13 embryos from 12 flushes.

### Lot 237B – Three embryos by Heat Wave

### Lot 237C – Three embryos by Milkman

A sale feature that will be heard from, this large offering of genetics from 5602 Treasure is sure to get something good started. This former Sullivan Ranch top-seller is a DU favorite and one of the most impressive females in the entire offering. When you see her you'll know what we're talking about because this showstopper takes power and style to new levels. She is one of our powerful and productive daughters of the Chill 602G – see Lots 8 and 238 for more details – and pair of full sisters produced three breed champions and the overall Grand Champion Steer at recent Oklahoma Youth Livestock Expo's. This is another cow that is so popular that we do not get the chance to put in enough of her embryos for ourselves but she has still produced an impressive string of steer and heifer calves. Her look is extreme and familiar and this pedigree is exceptionally airtight. These packages will bring home the power – and the purple!

**Mimms Cattle**  
 DSUL/Mimms 5602 Treasure will be on display sale day

## EMBRYOS OF MIMMS DONOR FF602

Donor Sire: **Full Flush**  
 Donor Dam: **Miss Chill 602G** (Chill Factor x GK Angus 602)

### Lot 238A – Three embryos by Heat Wave

### Lot 238B – Three embryos by Milkman

The dam of the high-powered pair of heifers that sell here as Lot 83, this full sister to the Lot 238 donor is another physically gifted, genetically loaded beauty from the 602 line. Her first ET crops have delivered on her promise of greatness with a pair of sons by Solid Gold that sold for \$8,500 each in the recent Mimms Club Calf Auction plus more sons by Heat Wave sold for \$7,000 and \$4,600 with a heifer at \$3,000 in 2010. Also, a daughter by Chunky Monkey sold for \$7,750 and a son by Heat Wave that brought \$3,500 in the 2009 Mimms Auction. Recently, a son by Heat Wave sold to Jess Shirley, TX, and was the first place Heavy Chi Steer at the 2011 San Antonio Stock Show. This popular powerhouse is a leader because she is too talented to blend in with the pack – see for yourself sale day!

**Mimms Cattle** Donor FF602 will be on display sale day

Mimms Donor FF602

# P89...more from 602!

## EMBRYOS OF KROUPA DONOR P89

Donor Sire: **Who Made Who**  
 Donor Dam: **GK Donor H832** (Meyer 734 x 602 Angus)

**Lot 239A – Three embryos by Solid Gold**

**Lot 239B – Three embryos by Solid Gold**

*"The best baldy Who Made Who daughter in North America" is back again and more proven than ever. This power freak is the full sister to the now-proven sire, Simple Math, from the storied H832 donor at Kroupa Genetics that also produced the new Friction son, Amen, and the proven sire, Bentley. Who Made Who x Meyer 734 x the famous 602 Angus cow, this cow is as gorgeous on the inside as she is on the outside and she has generated that power since her first calf sold for \$20,000. Her young full sister fetched \$35,000 at weaning time and won often in the east, and the current P89 crop by Solid Gold is special and shows the versatility of this great female. If you need more proof of the power of the famed 602 Angus family that is again featured prominently in this sale, all you need to do is check the sale and donor pens.*

**Boysel Genetics and Kroupa Genetics**

Donor P89

Simple Math

# GK 145... "Miss Olympia"

Miss Olympia 145

## EMBRYOS OF GK MISS OLYMPIA 145

Donor Sire: **BK Ice Pick**  
 Donor Dam: **Mr Dunk x Angus**

**Lot 240A – Three embryos by Heat Seeker**

**Lot 240B – Three embryos by Beat the Heat**

**Lot 240C – Three embryos by Dr Who**

**Lot 240D – Three embryos by Heat Wave 5**

*Miss Olympia 145 could headline any event as she continues to produce as promised with increased power and success. She was the \$60,100-valued top female of the record-setting 2010 Sweetheart Sale because she ranks with the most physically powerful and alluring of bovine females today – and she produces, big time. She is the dam of back-to-back state fair champions in Colorado and Virginia, both by Heat Seeker. And their full brother, The Punisher, that sold for \$27,500 to Collins, Drager, and Mimms where his full sister was a \$10,200 sale feature. A son by Beat the Heat was tops in the 2009 Kroupa fall crop, another son recently brought more than \$35,000 for Brian Martin, TX, and still another is the popular, new sire, Icy Hot, for Habeger and Ernst. 145 is a feature among features and she will deliver. Jump in now!*

**Lots 240A and 240B are offered by Mimms Cattle**

**Lots 240C and 240D are offered by Kroupa Genetics and Craig Fisher**

FULL THROTTLE

**CH X SM**

MEYER 734

*Lot 241*

**Lot 241A – Three embryos by Monopoly**

**Lot 241B – Three embryos by Monopoly**

*This enticing baldie Business x Throttle x Meyer blend was a high-selling favorite of our sixth sale and she is back again with her first embryo offering. She delivered a seriously muscular son by Walks Alone last fall he was not the first stout one from this powerful beauty. She earned her spot at the top of the Hicks and Miller lineup with hits like their top-selling bull calf – by Heat Wave – in 2006, other sons by Mission Statement and Heat Wave that are seeing use in their herd, two Monopoly steers that sold over \$5,000 each this winter, and every female she has produced has been retained. This is a push-button beauty that covers all the basics from fertility to milk to profit and she adds beautiful muscle to a classic show ring pedigree. This cow will put some britches on these Monopoly calves!*

**Metzger/Moser Cattle**

## EMBRYOS OF MIMMS DONOR 6066

Donor Sire: **Bentley** (Strictly Business x GK H832 x Meyer 734)  
Donor Dam: **Donor L70** (Cunia 602 x Angus)

**Lot 242A - Confirmed, unsexed pregnancy by Solid Gold**  
Due to calve July 31, 2011 - Available sale day – Recipient is a crossbred cow

**Lot 242B - Confirmed, unsexed pregnancy by Solid Gold**  
Due to calve July 31, 2011 - Available sale day – Recipient is a crossbred cow

**Lot 242C – Three embryos by Solid Gold**

*When this cow was born we knew that she would be one to watch, we just didn't know when she would strike. Well. It only took one natural calf and one ET calf to move this special female to the top of the charts in the Mimms program. This young donor is the dam of the outstanding, future donor that sells here as Lot 60. The first ET son produced from her was by Solid Gold and he ranked as one of our best bull calves in 2010 until he was lost to sickness over the winter. He was a stout one and just what you can expect from this sleek and powerful donor whose full sister sold as a feature of our 2009 Share the Future Sale to Cameron Mulder, MN. Some things take time; this cow just doesn't know it.*

Donor Dam: **Hara's Witchcraft 2100 by Rito 2100**

*Lot 243*

**Lot 243A – Three embryos by Walks Alone**

**Lot 243B – Three embryos by Solid Gold**

*The best half-blood Simmental descendant of one of the best club calf Angus cows of all time, the 50 donor is a great chance to access the power of the famous Hara's Black Witch family. Black Witch started it all for Hara Farms, OH, with state champion steers and national champion females, and sisters to Donor 50 include past top-sellers such as the \$25,000 Hara's Blackwitch Meyer 2100, the \$18,000 Hara's Witchcraft II, and the \$18,500 Hara's Witchcraft. This family produces with the very elite in the business and they do so consistently. Donor 50 has been quietly racking up some accomplishments of her own as a son by Heat Wave was third in Class 8 of the 2010 Ft. Worth Steer Show, a son by Smooth Sailing was Champion Gelbvieh at the Tulsa State Fair Prospect Show and 3rd AOB of the Oklahoma Youth Expo, and a strong pair of daughters sells as Lot 87 here. Tie on here!*

# The Best Cow Families...

## PRODUCE OF DSUL KATHY 503K

Reg. Limousin Cow

Donor Sire: **SULL Cookie Monster**  
Donor Dam: **DSUL Maria 28D**

**Lot 244A - Confirmed, unsexed pregnancy by Heat Wave**  
Due to calve July 31, 2011 - Available sale day - Recipient is a crossbred cow

**Lot 244B - Confirmed, unsexed pregnancy by Heat Wave**  
Due to calve August 14, 2011 - Available sale day - Recipient is a crossbred cow

**Lot 244C - Three embryos by Solid Gold**

**Lot 244C - Three embryos by Solid Gold**

*One of the most versatile cows in the Mimms lineup, this registered Limousin donor is a product of the same time-tested and championship-proven cow family that also produced the high-powered Lot 24 in this sale. When you see 503K you won't believe she is a Limousin but really, she is. This cow was built for winning show cattle production and she is proving it every year. Most recently, a daughter by Heat Wave was a multiple-winner that culminated her career with a selection as the Supreme Champion Female of the 2010 Star of Texas for the Bart Elder family. More Heat Wave progeny from 503K embryo sales have been high-selling favorites for our customers and an ABC son by Joe B sold for \$5,000 in the 2009 Mimms Calf Sale. Furthermore, in the 2006 and 2007 Sullivan and Bar A Show Calf Sale, 503K daughters produced the \$9,200 top-selling heifer and a \$5,200 show steer prospect. These embryos will produce calves that may be shown in a variety of divisions and the 503K heifers have been as good as the steers. This one works!*

Boyssel Donor 542

## EMBRYOS OF BOYSEL DONOR 542

Donor Sire: **Meyer 734**  
Donor Dam: **OCC Blackcap 942C by OCC Anchor**

**Lot 245A - Three embryos by Smilin' Bob**

**Lot 245B - Three embryos by Walks Alone**

*The best-producing Meyer 734 daughter of the best Anchor daughter to walk, this SimAngus beauty is a flexible, powerful production engine whose first crop was a glimpse of things to come. This cow can work in so many ways thanks to the strength of her pedigree that is anchored by the great Blackbird 942C who was a top-performer for Ohlde, Sullivan, and Boysel over a long career that produced an impressive array of top herd sires and donors. A full sister to 542 was a \$24,750 highlight of the 2010 Boysel Club Calf Sale to Fisher Cattle based in-part on the strength of her older sister whose 2010 ET crop included strong sons that sold from \$3,500-\$5,750. You can rely on this family to deliver quality across the board!*

Boysel Genetics

## EMBRYOS OF MIMMS DONOR 22BF

Donor Sire: **Stop-N-Think**  
Donor Dam: **GK Donor F-22 (Draft Pick x Angus)**

**Lot 246A - Three embryos by Heat Wave 5**

**Lot 246B - Three embryos by Lone Wolf**

**Lot 246C - Three embryos by Monopoly**

*We plumbed the depths of South Dakota to find this proven full sister to the favorite Lot 2 feature in this sale. Donor 22BF is one of the first calves from our great Donor F-22 and she earned her keep in the former herd at Beitlespacher Club Calves. With full sisters as top sellers for Kris Black, OK, and Frye Cattle, KS, this cow is the dam of the top heifer calf at Beitlespacher's in 2007 plus another daughter that brought \$6,500 to Caldwell Show Cattle, IL. To date, every calf she has produced has sold for a premium and all have been baldies. We're not surprised given her powerful blend of width, balance, muscle, and hair. Power in the blood!*

# Efficient Success Begins in Hereford!

Loaded Lady 11

## PRODUCE OF LOADED LADY 11

Donor Sire: **Loaded Gun**  
Donor Dam: **Full Flush**

**Lot 247A - Confirmed, unsexed pregnancy by Walks Alone**  
Due to calve July 31, 2011 - Available sale day - Recipient is a crossbred cow

**Lot 247B - Confirmed, unsexed pregnancy by Heat Wave**  
Due to calve August 21, 2011 - Available sale day - Recipient is a crossbred cow

**Lot 247C - Three embryos by Heat Wave**

**Lot 247D - Three embryos by Heat Wave**

*Proven exotic power! The Loaded Lady has been the consistency queen over the years and her sons have collected more banners than nearly any other calves from Hereford. This Loaded Gun x Flush blend delivers with very real power. Her 2008 son by Heat Wave sold for \$12,500 for resale and was a 4-time winner for the Gentry family, IN, at the Morrow County Classic, Morgan County Preview, The Cannonball Classic, and the Columbiana Preview before winning his county fair. Two other sons by Dr Hook commanded big premiums and were selected as the Reserve Grand Champion Steer of the 2004 Kentucky State Fair and the other chosen as the Grand Champion KY Steer of the 2005 Kentucky Beef Expo. Count on these calves to be fancy, sound, hairy, and easy feeding. That's what you get with the Loaded Lady!*

Mimms Cattle and Sharp Farms

Loaded Lady 11 will be on display sale day

## PRODUCE OF MIMMS DONOR H624

Donor Sire: **Made Right**  
Donor Dam: **Hereford**

**Lot 248A - The Right to Flush Donor H624**

Special Terms of the Flush: Flush is guaranteed to produce a minimum of 6 transferable embryos with no cap. Buyer will pay 50% down sale day with the balance due to the sellers after the flush. Buyer is responsible for all flush and semen expense. H624 is open and may be flushed shortly after the sale and has produced an average of 7.42 embryos from 7 flushes.

**Lot 248B - Three embryos by BH Right On**

**Lot 248C - Three embryos by BH Right On**

*Just right for quick profit of the best kind, be sure you're present when we turn loose of this big genetic offering from everyone's favorite Hereford donor, H624. This dark red Made Right daughter is impressive and her 2010 daughter is considered by many to be the best Hereford replacement heifer in the Mimms pens - she is not for sale. Made Right genetics are dominating the Hereford scene and this cow is some of his very best work. She is as hairy and eye-catching as many of our exotic donors and she offers tremendous profit potential with this big flush option and these double-bred eggs by the limited Hale sire, Right On, whose semen is not for sale. The first calves from Right On have raised the bar at Hale's with steer calves selling as high as \$22,000 this spring. Right On!*

## EMBRYOS OF MIMMS DONOR S63

Donor Sire: **Tiger**  
Donor Dam: **Chill Factor x Angus**

**Lot 249A - Three embryos by Showtime**

**Lot 249B - Three embryos by Hooter**

*Another flexible, powerful beauty with big things in her future, this is a cow you need to see. Is she a Hereford? A Simmy? Exotic? Who cares? When they're this smooth, big middled, correct and furry it doesn't matter. This cow works. She transmits her look nicely. Her 2010 Carpe Diem daughter was perfect Hereford but we think S63 can do more. Go for a Hereford with Showtime, the sire of the 2010 Ft. Worth Reserve Grand Steer; or go for a Charolais/Exotic with Hooter, the impressive full brother to the 2008 San Antonio Champion Steer. This Tiger daughter will make you a believer!*
