ZANESVILLE, OHIO U.S.A.

HOLIDAY CLASSIC 2010

The Sweet 16 Edition

Thursday, December 30, 2010 – 1:00 p.m. EST
Muskingum Livestock Sales Company – Zanesville, Ohio
944 Malinda Street – Zanesville, Ohio 43702

Driving Directions:

From Wheeling, WV and the east take Interstate 70 west to Zanesville exit 155 Underwood St - turn right at light (Underwood St) - turn right at next light (St Rt 666 N) - exactly 3/10 of mile on left.

From Columbus, OH and the west take Interstate 70 east to Zanesville exit 155 7th St - turn left immediately at end of ramp Elberon Ave - at light turn left (Underwood St) - go to second light turn right (St. Rt 666 N) - exactly 3/10 of mile on left.

Absentee Bidding:

If you would like to invest in some of the items selling here but will be unable to attend the auction, please contact the sale management staff as far ahead of the sale as possible. Absentee bidders may arrange for confidential proxy bidding or for live telephone bidding when available. All absentee bidders must register with the sale manager prior to the auction.

Livestock Transportation:

Reliable and affordable commercial haulers will be available for local and long distance hauling. We will work to arrange loads to central points so as to minimize expense and travel time for your purchases. Please call the sale manager to arrange transportation for your purchases. Unless prior credit is established, all absentee purchases must be paid in full prior to delivery.

Internet Bidding Procedures: Live internet bidding is available at www.liveauctions.tv. You may watch the auction and bid on your favorite items in real-time. Bidders must register prior to the sale.

Internet Bidding Questions May Be Directed to 937/515-1194

Internet bidders are responsible for all published updates/corrections and/or announcements made from the auction stand prior to and during the auction. It is highly recommended that all bidders consult the sale update sheet and sale order and/or contact the owner(s) or sale manager prior to bidding. The sale management and auction staff bear no responsibility for the function of the internet broadcast. The sale management reserves the right to refuse bidding privileges at anytime.

Watch for updates and sale order information online at www.primetimeagrimarketing.com.

Plan to attend The Winners' Circle Sale on Friday, December 31 at 1 pm. Two hours west on I-70 at New Paris, Ohio.

Important Sale Information:

Terms: Terms of sale are cash or good check made payable immediately after the sale and before any cattle are loaded. Invoiced (absentee) accounts are payable in full within 10 days of the sale or are subject to a 2% finance charge on the tenth day. A fee of \$50 will be assessed to all returned checks. **Liability:** All animals and merchandise will be at the buyer's risk as soon as bid off but will be cared for by the seller(s) for a reasonable amount of time during and immediately following the sale. Neither the owners, auctioneers, sale manager or other affiliated personnel may be held responsible for any accidents that may occur. PrimeTIME AgriMarketing NETWORK, Inc. acts only as an agent between buyer and seller and may not be held responsible for any livestock or merchandise. It is to be clearly understood that PrimeTIME AgriMarketing NETWORK, Inc. and its representatives act only as a medium between buyer and seller and may not be held liable, financially or otherwise, for any failure on the part of the same to fulfill any obligations set forth in this sale or for the truth of any warranties expressed or implied. Neither does PrimeTIME AgriMarketing NETWORK, Inc. assume any financial obligations to collect or enforce the collection of monies between buyer and seller. This catalog has been prepared by the sale manager from information provided by the seller(s) and is assumed accurate as presented to us. However, PrimeTIME AgriMarketing NETWORK, Inc. will in no way guarantee age, pedigree, or reproductive status of the animals selling. All exceptions taken and adjustments made are between buyer and seller. **Breeding Information:** Please see the footnotes regarding breeding information for each lot. All bred females will be examined for pregnancy by a qualified DVM prior to the sale and any changes to their breeding status will be made available sale day. Conception dates listed in this booklet are based on the results of said pregnancy examination and/or known breeding dates, and are intended as estimates of calving date only. **Health:** All animals will be accompanied by a health paper valid for interstate shipment. Buyers should make themselves aware of their respective state's health requirements prior to the sale. **Guarantee:** Those cattle described herein as "checked safe" or "safe" are guaranteed bred and do not carry further guarantee. No guarantee, expressed or implied, is made as to an animal's ability to produce transferable embryos or frozen semen. All registered cattle sell with the standard guarantee endorsed by their respective breed association. All claims on bred females must be made in writing within 60 days of the sale date, and any adjustments made will be in the form of sale credit on future purchases. **Insurance:** Livestock insurance will be available at the clerk's desk through Great American. **Trucking:** If you require assistance in transporting your purchases, please contact the sale manager. Every effort will be made to minimize costs to the buyer. **Announcements:** Any announcements made from the sale block by the owners, auctioneer, or sale manager take precedence over any printed materials. **Sale Booklet Prepared by:** Craig M. Reiter, Sale Manager.

The Original Source for Success

Leading the Way Since 1995

2009 Hoosier Beef Congress Grand Champion Steer
Heat Wave x Empress 79G

Shown by DJ Martin, IN - Raised by Rodgers & Bunt, CA
The Frozen Gold dam of this steer was purchased by Ferrari Ranches, CA, in our 2002 Holiday Classic for \$2,700. Her first calf sold for \$10,500 and she has produced more than \$225,000 since 2005 including a 2009 crop that averaged \$13,000.

2010 Indiana State Fair Champion Angus Steer

Raised by Mary Brown, Camden, IN, from a very productive cow purchased in our 10th sale. Shown by the Mitzner family.

Myers Queen Sazerac P94

Congratulations to everyone involved with this incredible female! After selling in the 2004 Holiday Classic for \$8,800, she was a dominant major Champion and she is even better in production with her first two calves selling for a \$16,500 average, pregnancies in excess of \$7,000 each, and multiple embryos over \$1,500. Most recently, a son by Steel Force was the top-seller of the SVF Bull Sale to Hudson Pines Farm, NY.

2009 Michigan State Fair Grand Champion Steer

Raised by Kleman - Sold by Halker - Shown by AcMoody

Bred to calve February 4, 2011 to Ali – No exposure

The Sweet 16 is here and great opportunities abound, starting with this impeccable Maine-Anjou superstar that is covered in purple from recent major wins. Waverly 996W is Taylor Tolle's dominant lead show heifer that was recently selected as the Grand Champion Female of the 2010 NAILE Junior Show after also being selected as the Reserve Grand Champion of the 2010 National Junior Maine-Anjou Show and the Champion AOB Female of the 2010 Kentucky State Fair. Serious breeders take note because this fault-free beauty offers a very unique, outcross pedigree that only enhances her breed improvement potential. She beats them all with her combination of problem-free structure, gorgeous front end, and impeccable balance. Read through this catalog and study how past Holiday Classic features have performed; this one will only add another dimension of success. 'Tis the season!

For the Best Holiday Classic Yet!

Hara's Pearl

Female Calved: 2006

SIRE: **COOKIE MONSTER** (FULL FLUSH X MEYER 734)

DAM: **WAG HAIRIETTA 9145J** (WHO MADE WHO)

Bred to calve March 1, 2011 to Monopoly – No exposure

Seller is retaining 25% embryo interest and a genetic cloning interest

More proof that the best just keep getting better. Our 16th offering wouldn't be complete without this exclusive access to the well-proven power of the undisputed industry leader, WAG Hairietta 9145J. Hara's Pearl is the most proven daughter of Hairietta ever offered for sale with her last natural calf, Hara's Forever Lady by Monopoly, selling this spring for \$7,000 from the pasture. Of course, she has the trademark zipper front end, wonderful feminine and powerful design plus the shag hair that we've come to expect from her trendsetting dam that is the first club calf donor with more than \$1 Million in progeny sales including Hara's Miley, the \$36,000 record-selling female of this sale to Carolina Cattle, NC, and, Hara's Honey Bear, the \$27,000 top-seller of our 15th sale to Dennis Martin & Family, OH. Proven to produce well in transplant, bred for a full sibling to her most recent success, and still very young, Pearl is very powerful machinery that will take any program to the next level, quickly. Happy Holidays!

Lot 2A – Embryos of Hara's Pearl

Three embryos by Monopoly

At least one 90-day confirmed pregnancy is guaranteed when terms are followed

Lot 2B – Embryos of Hara's Pearl

Three embryos by Monopoly

At least one 90-day confirmed pregnancy is guaranteed when terms are followed

Lot 2C – Embryos of Hara's Pearl

Three embryos by Monopoly

At least one 90-day confirmed pregnancy is guaranteed when terms are followed

Hara Farms

Lot 2D – Pregnancy of Hara's Miss America

SIRE: **MEYER 734**

DAM: **WAG HAIRIETTA 9145J** (WHO MADE WHO)

Lot 2E – Confirmed, unsexed pregnancy by SVF Steel Force

Due to calve January 20, 2011

Recipient is a commercial cow located at Excalibur Genetics, Oxford, IA – Transportation available

Just right for versatile SimAngus and club calf success, this pregnancy will produce a full sibling to Hara's Steel Magnolia, Courtney Dickerson's multiple champion from last season with big wins that included the 2009 Hoosier Beef Congress and 2010 Indiana State Junior Fair Champion Simmental Female plus Reserve Grand Champion of the 2010 Simmental Breeders Sweepstakes. The donor dam, Miss America, is a maternal sister to Lot 2 and a full sister to the Triple Crown Winner, Hara's Miss USA, and the proven sire, King Meyer.

Hara Farms

Seasons Greetings...

Selling Three Exceptional Daughters Plus Embryos from Her Best Matings!

Over the years the great Sara 935 donor has given us much to brag about and she continues to serve as one of the most successful Angus donors in the show cattle business. Still in production at 15 years of age, the winning 935 progeny include industry movers like WECC Jewel 010 "Fatty Patty"; her full sister, WECC Jewel 902, that has been a leader for ASB Livestock, OH, and O'Hayes Farms, OH; her full brother, WL Fat Albert, a proven herd sire for West, Kreis, M.A.C. Cattle, KY, and C&H Farms, AL; and WL Satchmo, one of the most popular, young Angus bulls in the business. The strength and consistency of the 935 donor continues to amaze us, and we're proud to offer this exceptional selection of daughters and embryos as a highlight our 16th Holiday offering!

K M R SARA 776

Bred to calve January 7, 2011 to Plainview Lut – No exposure

Possibly the best bred heifer we've ever offered from 935, this high-potential beauty is everything and more that we've come to expect from this wonderful family of cattle. Her full sisters – like KCC Bando Beauty 501R - were highlights of our 2005 sale when they sold to top programs across the country and a maternal sister, WL Sara's Dream 947 by Lut, was the \$10,000 top-selling open heifer of our 15th Holiday Classic to the Foster family, IN. A maternal sister by OCC Doctor, WECC Fatty Patty, is a longtime leader for Double J Cattle, OK, and a maternal brother, WL Satchmo by BEB Juneau, is a popular, young sire at Cattle Visions. Everything you need is here and we can't be more confident in her abilities.

TF Silvia

Elig. Chi Female

Calved: 2/10/10

SIRE: **EXAR TRYON** (REG. ANGUS BY NO. IMPROVEMENT)

DAM: **ABJC WENDY 2U** (ALIAS X DONOR 9P BY AAA DUKE 016)

Sells open

A hot smoky from the first crop by EXAR Tryon, the full brother to Lutton, this winning show heifer is the first calf from ABJC Wendy 2U that sold as Lot 45A in our 15th Holiday Classic. Selected as the Grand Champion Heifer of the 2010 Muskingum County (OH) Fair in her only time shown, we should have expected quality like this as her dam was multiple winner for Sheldon Burks, KY, and her second dam – the Lot 4A donor here - was a World Beef Expo Champion before selling to Sharp, OH, & Mimms, TX, a year ago also. The quality runs deep in this pedigree and this heifer is soft, flexible, stylish proof that quality pays!

Tooms Farms

Pregnancy of Donor 9P

DONOR SIRE: **AAA DUKE 016**

DONOR DAM: **FULL FLUSH X CHAR X SIM**

Lot 4A – Confirmed, unsexed pregnancy by Heat Wave

Due to calve March 28, 2011

Recipient is a 4 yr old commercial cow

Back for another star turn in the Holiday Classic, here is the second dam of the impressive Lot 4 heifer calf and a top-seller of our 2009 sale. Now a featured performer in the Sharp and Mimms programs, if you attended our sale a year ago then you remember this special female for her good looks, extra mass, and loose, correct structure. 9P was a show ring winner herself and she has been bulletproof in production with excellent fertility and a string of easy-selling prospects like Sheldon Burks' multiple-winner that we sold a year ago. Expect a silver-baldie or black-baldie with extra shape and a show ring look that is sure to please!

Sharp Farms and Garwood Cattle Co, LLC

Lots 4 and 4A were produced from females that sold in the 2009 Holiday Classic.

The Perfect Stocking Stuffers!

Pregnancy of THRG Cow RF5M

DONOR SIRE: MEYER 734
DONOR DAM: ANGUS

Lot 5 – Confirmed, unsexed pregnancy by Walks Alone

Due to calve February 28, 2011

Recipient is a 6 yr old commercial cow

Real power from one of the very elite cows in the business, this 5M pregnancy is rare and very high potential. You'll remember the donor as the \$29,000 top-seller of the Throgmartin Cattle Dispersal and her production record speaks for itself. As a top show heifer she won plenty - Reserve Grand Champion Percentage Female of the 2003 National Junior Simmental Show among others – and her first natural calf sold for \$12,500. Since then 5M's first ET calf topped the 2006 Holtkamp Cattle Pasture Sale to Harkema & Rogers who later resold him for \$42,000. That Heat Wave son later was selected as the Reserve Grand Champion Prospect Steer of the Wichita Mountains Classic, the Oklahoma State AGR Preview, and the Superbowl Jackpot Show. The fall of 2007 marked the first 5M crop produced at Mimms Cattle and, of the 10 calves produced, all ten sold in the Mimms Club Calf Auction where six steers by Heat Wave sold for a \$4,266 average and four heifer mates sold for \$2,138 a piece. This high priority donor doesn't flush like she used to, so grab this pregnancy while you can!

Sharp Farms

Pregnancy of SF Loaded Lady 11

DONOR SIRE: LOADED GUN
DONOR DAM: FULL FLUSH

Lot 6 – Confirmed, unsexed pregnancy by Heat Wave

Due to calve March 25, 2011

Recipient is a 6 yr old commercial cow

More proven power from Holiday Classic gone-by, SF Loaded Lady 11 was a top-seller of our 14th sale where one-half interest was selected by Mimms Cattle, TX. This proven female delivers with very real power and she has made a habit of producing champions. Her 2008 son by Heat Wave sold for \$12,500 for resale and was a 4-time winner for the Gentry family, IN, at the Morrow County Classic, Morgan County Preview, The Cannonball Classic, and the Columbiana Preview before winning his county fair. Two other sons by Dr Hook commanded big premiums with one selected as the Reserve Grand Champion Steer of the 2004 Kentucky State Fair and the other chosen as the Grand Champion KY Steer of the 2005 Kentucky Beef Expo. A 2007 daughter from this cow by Cunia 602 is a favorite replacement female at Sharp Farms.

Sharp Farms

The 16th Holiday Classic Rare Semen Auction

Selling frozen semen to the highest bidder from limited sires like:

- Offerings per sire vary from 4-30 straws. Watch for detailed information on the auction update sheet and online at www.primetimeagrimarketing.com before the auction.
- Rare semen will sell after the live cattle and, unless announced otherwise, will be available for pickup sale day.
- Shipping services available at the risk, responsibility, and expense of the purchaser.

Unique Options from The Classic!

TKA Chance

Elig. Chi Bull Calved: 3/05/10

SIRE: **MONOPOLY**
DAM: **WD 40 X FIRED UP**

BW: 89 - Selling 100% Interest & Possession – TH: Pending

We don't sell many bulls in the Holiday Classic but history has taught us that they have made some great investments. ASC Chance will enhance our track record as he represents some very real profit and improvement options. By the wildly popular and limited Monopoly, this club calf sire is very complete and eye-appealing from a proven dam with a strong production record. He is as stout and shaggy as he needs to be with tremendous look and smooth, problem-free movement. Worth the drive!

HF Katrina 77R

SF Katrina 76W

Female Calved: November 2009

SIRE: **DOCTOR WHO**
DAM: **HF KATRINA 77R (MEYER 734 X GAIL FORCE G29)**

Sells open – Seller is retaining a flush option

From the embryo program and the prolific Shegog donor, HF Katrina, that was a top selection from the 2006 Holiday Classic and has thus far returned in excess of \$30,000, this fall yearling heifer offers intriguing breeding potential and front-running quality. Her fertile donor dam is an impressive daughter of another Holiday Classic favorite, Gail Force G29, that was also a top-seller of our 12th sale and is a past Frozen Gold Sale feature. This long bodied, totally feminine heifer has the striking good looks of her dam with more bone and hair. Like her dam, she'll be a top performer in time and she is ready to breed right away for an early show calf.

Lot 8B – Three embryos by Meyer 734

At least one 90-day confirmed pregnancy is guaranteed when terms are followed

Frozen gems from the great Gail Force G29, the fabulous donor that produced HF Katrina 77R – the dam of the Lot 8 heifer selling here – and much more. Gail Force G29 is one of those rare females that does everything like you draw it up, and she has been producing leaders for years. Consider that her first calf was the \$28,000 AI sire DNC Monsoon. And our 2006 Holiday Classic Sale proved her power where her daughters by Meyer 734 and NFL were special features. G29 just flat works and she looks great doing it with a flawless profile and perfect udder.

Hara Farms

DNC Gail Force G29

Holiday Classic Power . . .

*A Huge Offering from 3C American Woman!
Selling three E & T daughters plus 18 frozen embryos*

Hara's American Girl

Female Calved: 2006

SIRE: RITO 2100 (REG ANGUS)

DAM: 3C AMERICAN WOMAN (MEYER 734 X CUNIA)

Bred to calve February 6, 2011 to King Meyer – No exposure

A real head turner from the late, great 3C American Woman, one of the cows that started the whole Meyer 734 craze, this beautiful female is well worth the trip to Zanesville. Her incredible dam graced Hara Farms and their customers with knockout daughters by several sires that have nearly out-produced the \$250,000+-producing 3C American Woman that ranks as one of the most productive females our business has known. Her daughters just flat produce time and time again with several hits to their credit like the \$9,750 Supreme Champion Feeder of the 2010 Iowa State Fair that was bred by Hellbusch Cattle Company, NE, from a Mossy Oak x American Woman cow they raised from a past Holiday Classic embryo purchase. This American Woman will not disappoint either. Study her lines and wait until you see her in person, with her stunning good looks and proven pedigree there is little that she won't accomplish. Bred for power to the great Hairietta son, King Meyer, to combine the best of the Hara program.

Lot 9A

3C American Woman

The deceased donor dam of Lot 9 and the second dam of Lot 10

Hara's Lucky Strike Smokem x 3C American Woman

Hara's Anchoress OCC Anchor x 3C American Woman

...from Hara Farms

Hara's Rodeo Girl

Female Calved: 2006

SIRE: **SPUR EMULOUS MASTER** (REG. ANGUS)
DAM: **3C AMERICAN WOMAN** (MEYER 734 X CUNIA)

Bred to calve February 6, 2011 to King Meyer – No exposure

Another rare and valuable daughter of the great American Woman and Spur Emulous Master, the sire that helped to make Griswold Cattle Company famous, this young donor offers a refreshing, outcross pedigree and a proven production record. She has been a 100% producer of elite replacement females so far and her donor dam never had a natural bull calf in her lifetime either. Maternal sisters include the \$30,000 Hara's Queen 602, the \$28,000 Hara's Lucky Strike, and the \$17,500 Hara's Anchoress that produced the top-seller of our 2008 Holiday Classic and is a featured donor in this offering. Rodeo Girl has the hair and body mass needed for big time prospects and she is bred for a full sibling to the top Hara replacement from the 2010 spring crop. A Holiday Classic exclusive, there will not be another female bred like this one to be found anywhere. Foundation stock to say the least.

Hara's Western Girl

Female Calved: 2006

SIRE: **DHD TRAVELER 6807** (REG. ANGUS)
DAM: **3C AMERICAN WOMAN** (MEYER 734 X CUNIA)

Bred to calve March 10, 2011 to Alias – No exposure

More of the very best from the Hara embryo program, this maternal sister to proven Holiday Classic favorites like Hara's Lucky Strike and Hara's Anchoress is another perfectly flexible and powerful foundation option. Her extra depth, classy design, and proven pedigree make Western Girl one to tie to and she has proven herself to inject her calves with the same body shape and quality that she shows. Alias should be excellent with her this time but there are plenty of easy ways to make her work. Remember that the first calf from her maternal sister by OCC Anchor returned to the Holiday Classic where she sold for \$12,000 and is now a well-respected donor for Watson Cattle Company, OH.

3C AMERICAN WOMAN

Bred to calve February 14, 2011 to Ali

Hara's Anchoress is back again with two full sisters to CSC Miss Sparkles, the top-selling female of our 2008 Holiday Classic that is now a top-shelf donor for Watson Cattle Company, OH. We won't be shocked if you have a hard time choosing between this pair of full sisters whose full sister was a winning show heifer before topping our 14th sale and whose second dam is the mega-producing – and now deceased – 3C American Woman. Remember that their dam was the \$17,500 second top-seller of our 2006 Holiday Classic when several called her "the most powerful female I've ever seen". She breeds true and her daughters are even better. What a pair!

3C AMERICAN WOMAN

Bred to calve March 10, 2011 to Ali

The full sister to Lot 10A, this pair of look-alike sisters is pure Holiday Classic sweetness from arguably the most time-tested pedigree we can offer. Doctor Who adds a nice modern touch to the top of this pedigree that is absolutely loaded with cows that really work. A maternal sister to their dam, Hara's Lucky Strike, was the \$28,000 top-seller of our 2002 Holiday Classic and returned in excess of \$75,000 for Double J Cattle, OK. Dig in on your favorite from this pair of females – or own them both – because they will pay you back!

Tested THC - Bred to calve May 24, 2011 to EXAR Tryon

A direct daughter of one of the most proven cows in the entire club calf business, this full sister to the 2009 Hoosier Beef Congress Grand Champion Steer is one very fine piece of club calf equipment. Her Frozen Gold dam is a graduate of the 2003 Holiday Classic Sale and has been a magical, \$225,000+ producer for Rodgers and Bunt, with a string of big winners to rival any you'll see. Other full siblings to this heifer include the 2009 Sierra Winter Classic Grand Champion Steer and Grand Champion Prospect Steer, the 2009 Holiday Classic (CA) Reserve Champion Steer, the 2007 California State Fair Reserve Champion 4-H Steer, the 2004 Iowa Expo Champion Market Heifer, and a crop of five brothers sold for a \$13,000 average in the fall of 2009. This heifer is sweet and feminine with plenty of shape and great hair. She'll make a great breeding piece for any club calf outfit.

The 16th Offering of Better Breeds...

CFCC Jewel

Female Calved: March 2004

SIRE: SUPERMAN (PB CHAROLAIS)

MGS: FISTFULL OF DOLLARS

Bred to calve March 2, 2011 to Walks Alone

High-powered show cattle machinery! This unique silver beauty is a proven source of quality and success, and she is just starting to roll. By the noted Charolais sire of maternal quality, Superman, this half-blood donor flushes well – average of 14 good eggs on 3 lifetime flushes – and she produces with power. Her first calf was a memorable Dr. Who daughter that was shown to the Winners' Circle by the Collins family, IL, and to date she has produced 7 Heat Wave progeny that have sold for the stout average of \$5,250 including a \$12,000 daughter that will no doubt grab some banners this season. She was the second top-selling open heifer of the 2004 Tree Lane Farms Sale and she still looks like she could win today with her massive top and hip, sleek neck, and correct, stout build not to mention a gorgeous udder. Sweet success from the Sweet 16th!

BURKS 28W

Female

Calved: 3/29/09

SIRE: PLAINVIEW LUT

DAM: MAINE ANJOU X ANGUS

Bred to calve January 12, 2011 to EXAR Tryon - No exposure

Just right for flexible cow power, this big bodied, stout hipped "Lut" daughter offers ideal structure and udder quality. She'll make a top cow and is bred to the easy-calving full brother to EXAR Lutton whose first crop has been very consistent and easy to sell like the trio of pure-bred daughters that averaged \$3,300 in the first Run for the Roses Sale.

Here is the highest-performing heifer from this impressive flush. She is plenty stout and massive enough yet she moves with excellent freedom and style. We love the consistency of this flush from Westward Belle 303W that is a direct daughter of RC Show Cattle's proven Belle 002W donor and was a top selection from the 2003 Winning Edge Sale.

The youngest heifer from this deep flush, this long bodied, balanced heifer was raised on a first-calf recipient dam. She has changed the most since weaning and will be one to watch for sale day. Her disposition is excellent. It will be hard to choose your favorite from this flush of sisters and don't miss the frozen embryos that sell also!

DAM: WCC DONOR 38 (THE SPECIALIST X MASTERFARE SARA 5058)

Sells open

This choke fronted daughter of Watson Cattle Company's accomplished 38 Donor has excellent potential and a very agreeable disposition. Her recipient dam was not the best but this heifer was selected to be shown by a first-year showman this summer and she has really started to bloom since weaning. Watch her as she matures!

A sweet, white-faced commercial half-blood Simmental from a very impressive donor at Breinig Simmental, NE. This square-hipped, tight-necked heifer will be a smaller framed, eye-catching cow. Her full sister sold well in the 2008 Holiday Classic and two full brothers have sold for commercial use. Excellent consistency in this pedigree.

Unique to the Holiday Classic, here is some very flashy Hereford power ready for success! From the embryo program, this snake-necked Nitro daughter just keeps getting better and better. She is adding depth and volume to her correct, extended design and she has great leg and body hair. We see plenty of banners in your future as this one matures!
