# Welcome to Guyer Cattle Company...

Friends and cattlemen:

There has been quite a little bit of stir over the word "dispersal" in the same sentence as Guyer Cattle Co. So I thought I would just write a note to give you some more details as to what is happening here.

There is only so much time any one man has, and mine is maxed out. I have chosen to cut back the time I am spending on the cattle production side of things. Yes, you might say, "If things are going well, then just hire someone else." And you're right. But that is sometimes easier said than done. I take great pride in where we (GCC) are today, and that didn't happen by someone else doing the work though I have had much help along the way. I have felt this coming for some time now, and that time is here. You, as my customers, can benefit by doing the production yourself and then letting us help you in the marketing just as if the cattle were our own. We will be depending on you as the customers to provide us with the same stock we are selling now because the Chosen Few, plus all the other avenues we have now for marketing livestock, will continue on year after year. Whether or not dispersal is the right word I don't know; but if selling all the physical cattle is a dispersal, then it's the right word. GCC will continue on, but just as we go to work for you as the "owner" of these great cattle.

With all this said, the true reason is family!!! I started off by saying that time is something I am running out of; and when you run out of time, family is what suffers. Now don't read into that any more than just what it says-- because I have found my soul mate, however our kids are growing up fast as many of you can identify with. I just recently lost my Grandma Guyer at 88. She worked hard right up to her dying day, and that's what I wish for -- work hard, live a full life, and have family there to look over me on my death bed and say "Job well done." This change in course is the only way I have found that I can continue all that I have going on in my life. GCC will continue on as well as my love for the educational side of our youth through ShowRite Feeds, Stock Show U, or just helping anyone with the will to learn. I will spend the time that is needed for the Natural Solutions for Livestock company that I started a few years ago. It is doing well and leading me down different avenues within the livestock industry. And lastly, this change creates enough time for me to spend with my family. Ashtin and Nalaney have taken a great interest in livestock, and I wish them the same great experiences that I and all the other kids have had within this business. I truly feel that the kids of today could be doing a lot worse things than showing livestock. So please join me, and we both can benefit from this change in the path I have chosen to take.

Thank you for your interest and support,

Dave Guyer

P.S. Now let's go to work!!

   LBF MISS K031

#### Sells open - Average of 13.4 embryos on 13 flushes

An unbelievable sight to see in the Guyer pastures! This one-of-a-kind feature among features has been a highlight of everyone of our Chosen Few Sales since we sold half of her in our very first sale to Jones Show Cattle, OH, and Moore Land & Livestock, IL. She has become the standard of class and production in our outfit since her first progeny arrived and she has been a joy to work. Several daughters are featured in this offering and a full sister is a featured open heifer. Demand for embryos and progeny from Cinderella has been almost too much to handle as her calves have brought up to \$54,000 and her embryos always demand in excess of \$1,000 each. She is a wonderful creature with so much to offer to breeders of all kinds. We hate to see her go but we cannot wait to see what you do with her. Enjoy the ride!

Guyer CC / LSF / Jones Show Cattle / Moore Land & Livestock

See Lots 107, 232, 238, and 239 for more from Cinderella

## LOT 2

   R929

#### Sells open - Average of 12 embryos on 11 flushes

The dam of Lot 1 and another amazing power source at GCC! When we saw Cinderella we knew we had to try hard to own her mother. Evan Matlock, IN, had purchased this cow for \$30,000 as a show heifer and it took a substantial investment from us and our partners but we got it done. It has been a wise choice because this cow has generated great results and she is just as impressive now as the day we bought her. To date, she has produced well in excess of \$125,000 for us and the Matlock's not including Cinderella or her impact on our program. The strength of this great foundation cow can be seen not only in Lot 1 but also in Lots 106 and 326 and the numerous grand-progeny she has selling here. What a breeding piece!

Guyer CC / LSF / Jones Show Cattle / Moore Land & Livestock

See Lots 106, 233, and 239 for more from Miss M031

**LOT 3**

**LOT 4**

Lot 4 as she won Denver in 2009.

TRIPLE C BURN IT UP N34L

**Due to calve 3/11 to GCC Whizard.**

**Average of 14.2 embryos on 5 flushes**

Our selection from the famous Burn It Up N34L line, this young donor ranks as Lucy's favorite cow in the whole outfit! She was a winning member of the Lazy H show team and we purchased half of her with Campbellco, OH, at the top of a past Lazy H offering. She is a gorgeous cow in production - perfect udder quality and attitude - and her calves are excellent. Three daughters will be favorites in the bred heifer offering - see Lot 108 - and her bulls are top performers as well. You'll love the consistency of this cow and she is really just getting started.

Guyer Cattle Company / Campbellco / Lazy H Farm / LSF

BHS JF ANTOINETTES JOY

**Sells open - Average of 11.3 embryos on 3 flushes**

Another incredible Simmental feature from the top of the breed! This flawless beauty was our \$36,000 selection from the 2009 Denver Simmental Sale where she was selected as the Grand Champion Female for the Eberspacher family, MN. She is a powerful descendant of the famous Joy family that has produced so many winners and leaders like SS Ebony's Grandmaster, Trademark, and many more. She is in pretty stout company but precious few will compare when it comes to beauty, production, and breeding value. She is a major player and she is just getting to work with a \$4,000 first calf, a \$7,500 flush and exceptional embryo sales to her credit. Where she goes from here is up to you but you can count on us to lend a strong hand if you need it!

Guyer Cattle Company / LSF / Griswold Cattle Company

**LOT 5**

DS MS ZINGER 89J

**Due to calve 2/12 to WS A Step Up.**  
**Average of 10.8 embryos on 9 flushes**

The gorgeous and versatile dam of Grizzly! This Frozen Gold dam has been one of the most profitable cows we have ever worked and she has so much more left to give. She flushes very well and she can be mated so many ways. Her most famous son has been a major earner as well and he continues to record impressive semen sales - see Lot 200 for more. You can go Simmental or club calf with this one as she recreates the look of quality each time.

Guyer Cattle Company / LSF

RUBY MEYER 1      MEYER RANCH 734  
ANGUS

**Due to calve 2/24 to WS A Step Up; Sexed Bull Calf.**  
**Average of 14 embryos on 1 flush**

A former highlight of our Chosen Few Sale, this great Who Made Who daughter is one of our favorite females we've ever had. She has so much style, versatility and potential. We love her potential for club calves, Maines, and Simmental and she has performed well so far though she is just ready to shine with a number of embryo calves in cooperator herds. We knew her potential so we bought half of her back for our partner, Bob Lee, IL. She has a herd bull on the way and she appears to be excellent in transplant. Hair, balance, structure, and look taken to great heights!

Guyer Cattle Company / LSF / Bob Lee / Tolle Show Cattle

## LOT 6A

Embryos of Ruby Meyer 1

Three embryos by Who Made Who, Full siblings to Lot 6!

**SAKO LUCY** SAKO 734 AN x SM

**Due to calve 2/15 to WS A Step Up; Sexed Heifer Calf.**  
**Average of 10.8 embryos on 4 flushes**

Another highlight of a past Chosen Few, this is a super-young donor that deserves special consideration. She is the first calf from Nick Sullivan's multiple-winning Heat Wave daughter that has become a leading donor in their program. You'll remember her as a \$25,500 top seller of our 2008 sale and you'll love her for all she presents. She is every bit the massive, power cow we knew she would be and there are so many great ways to use her going forward. She is expecting a valuable daughter this spring and our partners have several ET calves on the way. Everything you need is here - feet, body, udder, look, hair, pedigree. All you need to do is load her and love her!

Guyer Cattle Company / LSF / Travis Miller / Chad Day

See Lots 237 and 239 for more from Valedictorian 199T

**LOT 8****MS Paige 102P**

75% Maine-Anjou Female 338829 - Calved: April 11, 2004

**KJA PRIMABELLA 102M** DMCC CARTEL 103H  
 KJA 3293

**Sells open. Average of 3.33 embryos on 3 flushes**

The Scott Clark family's winning Irish Whiskey daughter that has become a great donor! These genetics have never been hotter and cows like this are the reason why. We have gotten nothing but high-selling quality from this great cow since she entered production. Two of her sons have sold with the best of the OMAA Sale to the tune of nearly a \$5,500 average. She got off to a rough start in transplant - we had her too fat - but she is working well and ready now. This cow is as massive, mobile, and productive as you'll find and she has yet to be tried with a club calf sire. Our very best sell here!

Guyer Cattle Company / Scott Clark Family / LSF

### LOT 9

#### Sherwood Jane Mary 743T ET

Shorthorn Female \*x4127083 - Calved: Feb 5, 2007

WHR SONNY 8114ET      CF TRUMP X  
 RODEO CUMBERLAND 3R52  
 DUNBEACON VENTURE  
 LAKESIDE JANE MARY 694      LAKESIDE JANE MARY 394

#### Sells open

Jane Mary is a gorgeous, purebred Shorthorn cow with a lot to give. She raised twins last spring so we left her open as we had been wanting to start flushing her anyway. We haven't gotten to it yet but you'll see why we wanted to when you study this unique, very young female. She might have the best hip and neck combination of any of donors plus she is gifted with sound movement, great style, surprising depth and fleshing ability, and a gorgeous udder. You'll think of a lot of reasons why you need this one on your team.

Guyer Cattle Company / LSF

### LOT 10

#### PRTY-PCC Mae Mae 780T

Simmental Female 2438347 - Calved: Feb 27, 2007

3C MACHO M450 BZ      MEYER RANCH 734  
 MOON 58      3C CROCUS H112 B

AI 6/06 to A Step Up; PE to Irish Whiskey son.  
 Est. due 2/13

A big part of the future, here is another feature of a past Chosen Few Sale. This gorgeous 3C Macho half-blood is one of our very best young donors and she has proven herself quite well with strong production already on natural calves. Her first large crop of embryo calves is on the way and her value will rise rapidly as she hits the scene. This is the perfectly versatile and gorgeous female we love to own and work!

Guyer Cattle Company / LSF / Travis Miller

### LOT 11

#### Donor 236

Female - Calved: 2005

Sire: Heat Wave

Dam: Cunia son x Angus

Due to calve 2/13 to WS A Step Up

We love this one! This former high seller is as powerful and right as Heat Wave daughters get and she is just right for today's scene. One look is all it takes with this one. Try her with Grizzly, Yellow Jacket, and more. Great feet, unreal body and look for club calves. What a female!

Guyer Cattle Company / LSF / Keith Lambright

## LOT 12 Donor 6357

Female - Calved: 2006  
Sire: **Texas Hold 'Em**  
Dam: **Hereford cross**

**Due to calve 2/12 to WS A Step Up.**  
**Average of 7.4 embryos on 4 flushes**

The freaky powerful Hereford-looking donor that everyone loves! This young cow is just what your customers ordered for more color, more power, and crazy hair! This is another of the cows that needs to be worked harder but we never seem to find the time. She needs to be a priority because she has so much to offer from style and marketability standpoints. Her pedigree will blend with your favorites and the results will be loud and profitable!

Guyer Cattle Company / LSF

See Lot 239 for more from Donor 6357

## LOT 14 SWSN Dolce 002U

Reg. Chianina Female 340251 - Calved: Feb. 17, 2009

**PJWC TOTAL PLAY X ANGUS**

**PE to Steel Force son - Est. due 4/02**

- You'll love this young Hannibal daughter!
- Fantastic style & balance with sweet movement & muscle
- Flashy, young, and due with a likely baldy baby!

Sold as open in 2009 sale for \$25,000.

## Happy New Year and Welcome to The Chosen Few!

I surely hope you can join us for the 2012 Guyer Cattle Dispersal and The Chosen Few Sale. It is surely one of the most significant events that I have been a part of and I cannot wait to see the events and important transactions that take place on January 7th. Some of the most unique and successful cattle - and their descendants - that I have been around will go up for auction and I am certain that this will be an event we will look back on for years to come as buyers achieve great success with their purchases made in Robinson.

Dave Guyer knows great show cattle, always has. He can select and develop them as well as anyone that ever grabbed a scotch comb. Annually, he combs the countryside to find and bring the best to Guyer Cattle Company - many from the genetics that he has developed for his herd and those of his customers. He and his crew have done a fantastic job of preparing their herd and the sale cattle for this event and there is so much quality to go around. From the bred heifers to the show prospects to the embryo lots and beyond, this is a whale of an offering. And, the donors? Forget about it. Just own as many of them as you can.

Dave has actually been preparing for this event for some time even though he didn't know it. As the demands for his time increased he moved large portions of his work elsewhere, from heifer development to recipient cows. For this reason, the mature breeding herd is perhaps not as numerous as you might have guessed. Nearly every older cow was moved and/or used as a recipient and then moved, and as a result only the best remain.

Rest assured that the best - and all - of the remaining cows sell here along with every bred heifer on the books. The embryos and semen selling here are the best in inventory - some odds and ends remain but everything was made available to me for this offering. If you have a question about something you think might be missing be sure to ask. It's all here, even some unborn calves that will sell in our very exciting "Pick of the Crop" lots. Come early to see them all because quality abounds and these cattle can help many.

Every trip to Guyer Cattle Company is exciting if you like great cattle. A trip this January will be especially exciting as the Guyer crew prepares for a big change and turns loose all of their best. The cattle business is booming and it's time you strengthened your position for the profitable times ahead with a load of the great females we'll sell in The Chosen Few.

Please feel free to contact me if I may be of assistance to you prior to the auction. I look forward to seeing you on the seats or live on RFD-TV.

We wish you the best - in cattle and everything else - as we all explore what 2012 has in store.

Sincerely,

Craig Reiter, Chosen Few Sale Manager

#### Sells open

A great producer that we have been running with Brian Myers, IL. This well-proven cow has been very predictable with a number of past fall and Chosen Few Sale progeny to her credit. She checked open this time but she is 100% sound and ready to make money for you next time. She milks especially well and produces a high percentage of baldies.

## Live on RED TV!

**How to participate as an absentee buyer** - We prefer for each of you to be in attendance on sale day. Realistically, we know there will be some scheduling conflicts and distance limitations. In these cases, we have arranged for you to be able to participate in the sale on an absentee basis.

If possible, you can come by and evaluate the cattle prior to sale day. If distance is a problem, we can also provide you with a DVD of all the cattle for home viewing. All of the lots in the sale will be available for viewing online prior to sale day at [www.guyercattle.com](http://www.guyercattle.com), [www.primetimeagri-marketing.com](http://www.primetimeagri-marketing.com), [www.superiorlive.com](http://www.superiorlive.com) and [www.superiorlivestock.com](http://www.superiorlivestock.com).

## Important Sale Information

**TERMS:** Terms of sale are cash or good check made payable immediately after the sale and before any cattle are loaded. Invoiced (absentee) accounts are payable in full within 10 days of the sale or are subject to a 2% finance charge on the tenth day. A fee of \$50 will be assessed to all returned checks.

**LIABILITY:** All animals and merchandise will be at the buyer's risk as soon as bid off but will be cared for by the seller(s) for a reasonable amount of time during and immediately following the sale. Neither the owners, auctioneers, sale manager or other affiliated personnel may be held responsible for any accidents that may occur. PrimeTIME AgriMarketing NETWORK, Inc. acts only as an agent between buyer and seller and may not be held responsible for any livestock or merchandise. It is to be clearly understood that PrimeTIME AgriMarketing NETWORK, Inc. and its representatives act only as a medium between buyer and seller, and may not be held liable, financially or otherwise, on any failure on the part of the same to fulfill any obligations set forth in this sale or for the truth of any warranties expressed or implied. Neither does PrimeTIME AgriMarketing NETWORK, Inc. assume any financial obligations to collect or enforce the collection of monies between buyer and seller. This catalog has been prepared by the sale manager from information provided by the seller(s) and is assumed accurate as presented to us. However, PrimeTIME AgriMarketing NETWORK, Inc. will in no way guarantee age, pedigree, or reproductive status of the animals selling. All exceptions taken and adjustments made are between buyer and seller. **BREEDING INFORMATION:** Please see the footnotes re-

garding breeding information for each lot. All bred females will be examined for pregnancy by a qualified DVM prior to the sale and any changes to their breeding status will be made available sale day. Conception dates listed in this booklet are based on the results of said pregnancy examination and/or known breeding dates, and are intended as estimates of calving date only. **HEALTH:** All animals will be accompanied by a health paper valid for interstate shipment. Buyers should make themselves aware of their respective state's health requirements prior to the sale. **GUARANTEE:** Those cattle described herein as "checked safe" or "safe" are guaranteed bred and do not carry further guarantee. No guarantee, expressed or implied, is made as to an animal's ability to produce transferable embryos or frozen semen. All registered cattle sell with the standard guarantee endorsed by their respective breed association. All claims on bred females must be made in writing within 60 days of the sale date, and any adjustments made will be in the form of sale credit on future purchases. **INSURANCE:** Livestock insurance will be available at the clerk's desk through Great American Insurance. **TRUCKING:** If you require assistance in transporting your purchases, please contact the sale manager. Every effort will be made to minimize costs to the buyer. **ANNOUNCEMENTS:** Any announcements made from the sale block by the owner, auctioneer, or sale manager take precedence over any printed material. **SALE BOOKLET PREPARED BY:** Craig M. Reiter, Sale Manager. **SALE BOOKLET DESIGNED BY:** Designs by Arin

## Live on RED TV!

### How to participate as an absentee buyer

- We prefer for each of you to be in attendance on sale day. Realistically, we know there will be some scheduling conflicts and distance limitations. In these cases, we have arranged for you to be able to participate in the sale on an absentee basis.

If possible, you can come by and evaluate the cattle prior to sale day. If distance is a problem, we can also provide you with a DVD of all the cattle for home viewing. All of the lots in the sale will be available for viewing online prior to sale day at [www.guyercattle.com](http://www.guyercattle.com), [www.primetimeagrimarketing.com](http://www.primetimeagrimarketing.com), [www.superiorlive.com](http://www.superiorlive.com) and [www.superiorlivestock.com](http://www.superiorlivestock.com).

## LOT 200 Grizzly

50% Simmental Bull 2468117 - Calved: April 5, 2006

**B&D 700M "GRIZZLY BEAR"** GCC GRIZZ 0065  
B&D BLACK WIDOW  
SOLSMAS HOTMAIL  
**203/39P** DS MS KDZINGER 221J 114M

**Selling full interest and possession plus over 8300 straws of sexed and conventional semen.**

### LOT 200 INCLUDES:

- >> Grizzly - ASA 2468117
- >> 194 straws of 2ml sexed female semen
- >> 8,178 straws of unsexed semen
  - Semen inventories may be updated prior to the auction.
  - Semen is stored in multiple locations and will be signed over to purchasers on sale day.
- >> DNA Cell line - DNA has been collected for cloning purposes
- >> Existing sales agreements with semen distributors
  - Semen sales after January 1, 2012 will be paid to the purchasers as per previous agreements

Lot 5, 203/39P, dam of Grizzly

The living leader of the Guyer herd bull battery can be all yours! Grizzly has really pushed our program to new heights with his widespread success. He ranks as one of the most heavily used Sim-influence bulls in the business and his sales continue to expand with each new crop. Over the last three years, he has sold over 5,000 straws of semen each year and we are offering the remaining inventory along with his existing sale agreements in this historic auction. This bull is used regularly for calving ease and maternal strength and he delivers with consistency and customer satisfaction. He will make a great addition to any herd with his THF profile and proven quality plus substantial earning power. Do your homework and come prepared to make one of the best investments you can make with four legs attached to it!

Guyer Cattle Co / Martin Livestock / Reimann Ranches

Grizzly is currently housed at Genex in Stratford, MO. He may be seen there anytime and we will try to have him at the auction.

Grizzly's dam sells as Lot 5.

### Q-Dog... Selling his entire semen bank

## LOT 201

### BEBN Q-Dog 23R 2CM

HEAT WAVE

BHCS HEAT SEEKER 23  
FAWL MA x AN x CA 100

BEBN STAR DUST 1CM

CUB 1CM  
CA x MA 3

#### Selling his DNA cell line plus over 5600 straws of semen

The Dog is dead but he continues to influence the profitability of club calf programs across the country with his proven ability to sire top selling and winning cattle. This great bull ranks with the most-accomplished of Heat Wave sons with a string of high sellers and big winners like the Reserve Grand Champion Steer of the 2010 Wisconsin State Fair and the Reserve Grand Steer of the Ak-sarben that same summer. Winners at Indiana, Iowa, Missouri, Illinois and Tulsa State Fairs made him a go-to guy for success and the demand for his semen has remained steady for several years. Over the last 36 months Q-Dog has sold approximately 8,000 straws of semen and, with today's demand for bulls that will downsize while adding guts and power, the future looks very bright for The Dog to have many more days of profit.

Guyer Cattle Company / Steve Quimby Show Cattle

#### LOT 201 INCLUDES:

- >> DNA cell line for potential cloning BEBN Q-Dog 23R
- >> 5,693 straws of unsexed semen
  - Semen inventories may be updated prior to the auction.
  - Semen is stored in multiple locations and will be signed over to purchasers on sale day.
- >> Existing sales agreements with semen distributors
  - Semen sales after January 1, 2012 will be paid to the purchasers as per previous agreements

SOSF EBONY'S JOY L-123  
WS MS MACHO U38 3C MACHO M450 BZ  
WS MS RUMORS

##### Selling 100 straws of semen

The outcross Simmental sensation of the spring 2011 season, this powerful Grandmaster son is destined to make his mark this spring when his first crop arrives. We are so excited by this bull's potential and long-term earning power that we used him very heavily in our program and made only a limited amount of semen packages available to non-owners. This is one of the few times his semen has been made available in smaller quantities.

Guyer Cattle Company / Step Up Group

CF SOLUTION X CF TRUMP  
NPS DESERT ROSE 004  
K-KIM MONA LISA 35L JM VORTEC  
HR MONA LISA W684Y

##### THF - Selling 205 straws of semen

The sire of champions and extreme top sellers, SULL GNCC Asset semen is in very limited supply and he is no longer producing any new inventory. We're fortunate to have a large inventory and all of it sells here. We purchased this bull at a very young age and he has been great property. His calves have been some of the easiest to sell and he has worked with a variety of cows. Recent sales of progeny include highlights like a \$40,000 son and a \$27,000 daughter.

# PICK OF THE CROPS!

### Choose the Best from Our Best!

Terms of the Pick of the ET Crops: Every ET calf born at each location will be available for selection - expected calves are listed here. Selections must be made by July 4, 2012 and calves or pairs may be picked up at that time. Buyers will pay 25% of hammer price sale day with the balance due upon selection and pickup. Guyer Cattle Company will provide registration assistance where needed.

Donor 203

Donor Miss  
Daisy 130

Donor S031  
'Cinderella'

As time became an issue in recent months we outsourced all of our recipient cows so all of our 2012 embryo calves will be born off site. We implanted more than 250 embryos at various locations and it was not possible to bring the cows carrying embryo calves back to offer them in this auction; in some cases we do not own the cows. So, in the effort to make as much of our best available to you in this event, we are offering the pick of the embryo calves at each of the easily-accessible locations that will have a volume of our genetics this spring.

## LOT 238

Pick of our 2012 Calves at LSF

**Sells open**

- We've sold our share of winners by Unforgiven and this one will run!
- Sweet style and full bodied with classic style
- Tie into this one and expect big things!

**How to participate as an absentee buyer** - We prefer for each of you to be in attendance on sale day. Realistically, we know there will be some scheduling conflicts and distance limitations. In these cases, we have arranged for you to be able to participate in the sale on an absentee basis.

If possible, you can come by and evaluate the cattle prior to sale day. If distance is a problem, we can also provide you with a DVD of all the cattle for home viewing. All of the lots in the sale will be available for viewing online prior to sale day at [www.guyer-cattle.com](http://www.guyer-cattle.com), [www.primetimeagrmarketing.com](http://www.primetimeagrmarketing.com), [www.superiorlive.com](http://www.superiorlive.com) and [www.superiorlivestock.com](http://www.superiorlivestock.com).

**Here is how it works** - Please call Superior Productions at 800-431-4452 and pre-register for your buyer's number. A registration form needs to be filled out and returned to Superior Productions with a signature on it. This registration form can be found by clicking on the "REGISTER FOR YOUR BUYER'S NUMBER" link online at [www.superiorlive.com](http://www.superiorlive.com). The registration form can be printed, completed and either faxed or mailed in at the number or address provided on the form. Upon receipt of this information Superior will call you with a buyer's number and the bid line phone number that you will use on sale day to place bids over the phone.

The sale will be broadcast via satellite on RFD-TV - Dish Network channel 231 and DirecTV channel 345. Also, Superior Productions now offers the convenience of participating on sale day by following the auction on the internet at [www.superiorlivestock.com](http://www.superiorlivestock.com) and [www.superiorlive.com](http://www.superiorlive.com). Simply go to either website and on the home page click on the link titled "To watch today's Auction - click here". Regardless of internet connection, you will be able to view and listen to the same video feed as seen on the satellite. The bidding process is the same - follow the auction on the internet and call the bid line number to place your bids. Your computer must have Flash Media Player installed to view the auction.

Bidders who are successful in making purchases via satellite or internet will be contacted by the ranch after the sale to settle payment and make shipping arrangements.
