## Exclusive Donors Unlimited Embryo Purchasing Options & Breeder-to-Breeder Warranties

We do a ton of embryo transfer – ask Dr. Mimms – and we know that the ET process can be tricky and expensive if you do not have the proper resources and tools in place. We want you to succeed with embryos that you purchase from us; so in an effort to simplify the process and expedite progress for everyone involved, we offer the following options and warranties:

**Conception Rate Guarantee** – If you purchase more than two embryos from us, we'll guarantee you no less than one confirmed 90-day pregnancy. If you purchase more than nine embryos, we'll guarantee a conception rate of no less than 50%. Be sure to approve your embryo technician with us before you implant the embryos. This guarantee is void after 18 months from the sale date.

**Embryo Implantation Option** – If you like, we'll implant your embryos for you. You purchase the embryos and tell us when you want your calves to arrive. Then, we'll implant your embryos, manage the recipients, and ship you the confirmed pregnant recipients. Please inquire about current recipient costs and be sure to call ahead for more information – The options are unlimited but our recipient numbers are not, so be sure to speak early to reserve your spots!

### All Embryos Available For Immediate Shipping In Our Own Tanks

– Get Them In Plenty of Time For Spring Implants –  
No Hassle, Immediate Shipping

### Embryo Pickup and Shipping

Please bring your jug with you to the sale and take your embryos/semen home with you. If you do not take possession sale day, please leave word at the clerk's desk of your intentions for shipping by leaving your shipping method and address, desired shipping date, and contact information. All shipping is the risk and responsibility of the purchaser but we have several shippers available to make the process easier. **A 14-Day Notice Is Requested For All Shipments.** Hereford Veterinary Clinic, 806/364-1331 (phone) 806/364-2391 (fax) – PrimeTIME, Inc, 419/862-0117

### Transportation Cost Share

If you require assistance with transporting your purchases, please let us know. We will have trailers available to haul most anywhere and will guarantee trucking to cost **no more than \$400 per head** to central points in the United States. Direct delivery to your farm or ranch may also be arranged. Please ask for more details.

## Introducing the "605/806" Scholarship Fund

*A new scholarship funded and directed by the Donors Unlimited Team - and YOU - in memory of three great South Dakota cattlemen.*

### **BRENT BEITLESPOCHER – LOGAN RAU – NICK REIMANN**

*One year ago we said good bye to these three great young men who were lost, along with their pilot, in a tragic airplane crash while returning home from our sale. Each of these young men played significant roles in the Donors Unlimited program and, in fact, all three bought and/or sold cattle in our 2014 event. They were friends to all of us, in more ways than one and in more ways than we even know now. They are surely missed by so many here and across the country.*

*With the establishment of this special program, it is not our desire to open healing wounds but rather to honor their memories by making success possible for others with an interest in the cattle industry. And so each year, with the assistance of their families and your support, Donors Unlimited will award scholarship funds raised at our auction to young people with an interest in furthering their education.*

*This year, we will sell the cow shown here – the last one purchased by Logan Rau – with 100% of the proceeds going to the scholarship fund. Thank you for your understanding and support.*

## Lot 605

### **BH/DU 81**

Female

Calved: Fall 2012

Sire: **BH Right On** (Made Right)

Dam: **Mimms Donor H-624** (Made Right)

**PE 11/01-12/26 to Quagmire – Safe-in-calf**

*This very young cow is the product of a Donors Unlimited embryo purchase by Hale Cattle from the super-stout H-624 donor that is featured again in our embryo sale. She raised twins this past year in South Dakota and bred right back for another Hereford calf. She looks great with a long necked, flat hiped, thicker form and she showcases two shots of Made Right for greater consistency. The late Logan Rau purchased her in our 2014 sale for \$4,800 and she was re-purchased by the Donors Unlimited Team to sell here.*

**Lot 1A – Three embryos by Dr. Who**

**Lot 1B – Three embryos by Dr. Who**

**Lot 1C – Three embryos by Heat Wave**

*One beast of a cow! This customer favorite and Donors Unlimited Sale foundation is the last natural calf from the great Donor 401 and she has been a leader for Mimms Cattle since birth. With maternal brothers that include an Aksarben Grand Champion Steer and a Ft. Worth Reserve Champion Steer and sisters that include top sellers in past events plus Lot 2 selling here, the list of breeders that accessed and/or tried to own this cow during her lifetime is significant. Her first natural calf was cloned by Kroupa Genetics, SD, numerous daughters have been retained, and frozen genetics sales from this cow now exceed the \$55,000 mark. She looks as good as ever, works great, and is coming with what should be an exceptional calf. And so, TJ401 is a reluctant sale feature that is sure to deliver great success in her new home. Female Calved: Fall 2008

Sire: **Heat Wave**  
Dam: **401** (Blue Chip x Cunia)

**Due to calve August 21 to I-80 – Prob. Calf Sex: Bull**

*A maternal sister to the Lot 1 feature here and a full sister to our Lot 1 feature a year ago that brought \$9,500 and is now a top performer for Parks Show Cattle, MI, this is another of your last chances to access the proven power of the 401 line. She is also a full sister to Keylan Williams' 2007 Ft. Worth Reserve Grand Champion Steer, and she surely plays the part of a power cow. She is great looking and really stout with tremendous width of cavity; this should be a great blend with I-80.*

### Important Sale Information:

**Terms:** Terms of sale are cash or good check made payable immediately after the sale and before any cattle are loaded. Invoiced (absentee) accounts are payable in full within 10 days of the sale or are subject to a 2% finance charge on the tenth day. A fee of \$50 will be assessed to all returned checks. **Liability:** All animals and merchandise will be at the buyer's risk as soon as bid off but will be cared for by the seller(s) for a reasonable amount of time during and immediately following the sale. Neither the owners, auctioneers, sale manager or other affiliated personnel may be held responsible for any accidents that may occur. PrimeTIME AgriMarketing NETWORK, Inc. acts only as an agent between buyer and seller and may not be held responsible for any livestock or merchandise. It is to be clearly understood that PrimeTIME AgriMarketing NETWORK, Inc. and its representatives act only as a medium between buyer and seller, and may not be held liable, financially or otherwise, for any failure on the part of the same to fulfill any obligations set forth in this sale or for the truth of any warranties expressed or implied. Neither does PrimeTIME AgriMarketing NETWORK, Inc. assume any financial obligations to collect or enforce the collection of monies between buyer and seller. This catalog has been prepared by the sale manager from information provided by the seller(s) and is assumed accurate as presented to us. However, PrimeTIME AgriMarketing NETWORK, Inc. will in no way guarantee age, pedigree, or reproductive status of the animals selling. All exceptions taken and adjustments made are between buyer and seller. **Breeding Information:** Please see the footnotes regarding breeding information for each lot. All bred females will be examined for pregnancy by a qualified DVM prior to the sale and any changes to their breeding status will be made available sale day. Conception dates listed in this booklet are based on the results of said pregnancy examination and/or known breeding dates, and are intended as estimates of calving date only. **Health:** All animals will be accompanied by a health paper valid for interstate shipment. Buyers should make themselves aware of their respective state's health requirements prior to the sale. **Guarantee:** Those cattle described herein as "checked safe" or "safe" are guaranteed bred and do not carry further guarantee. No guarantee, expressed or implied, is made as to an animal's ability to produce transferable embryos or frozen semen. All claims on bred females must be made in writing within 60 days of the sale date. **Insurance:** Livestock insurance will be available at the clerk's desk through Great American Insurance. **Trucking:** If you require assistance in transporting your purchases please contact the sale manager. Every effort will be made to minimize costs to the buyer. **Announcements:** Any announcements made from the sale block by the owners, auctioneer, or sale manager take precedence over any printed materials. **Sale Booklet Prepared by:** Craig M. Reiter, Sale Manager.

# The 602 Legacy!

## KROUPA DONOR P-89

Female Calved: 2005

Sire: **Who Made Who**

Dam: **GK Donor H-832** (Meyer 734 x GK Angus 602)

**PE 11/01-12/26 to Pacus Parabellum – Safe-in-calf**

*If you needed more reasons to come to Hereford here's one... one of the best Who Made Who daughters in history is selling. Donor P-89 has always been a fan favorite; as a calf, as a bred, and after her first calf sold for \$20,000. She is the full sister to Simple Math, the maternal sister to Lot 4, and another incredible product of the famed 602 tribe. She's getting a little age but she really couldn't look any better and she still has a ton left to give. Find her last natural calf that sells as Lot 115. Think big and own a legend this spring!*

## MIMMS 6653

Female Calved: Fall 2006

Sire: **Friction**

Dam: **GK Donor H-832** (Meyer 734 x GK Angus 602)

**Sells open – Guaranteed to breed or flush**

Tested THF/PHAF

Retaining the right to one flush or not less than 6 embryos

*Our 11th offering is stuffed with features from beginning to end, and this proven powerhouse is surely one of the best to sell this year! She is the fabulous full sister to Amen and another tested product of the legendary 602 line that has delivered so much for so many. We've featured her in our embryo sales since she entered production and she boasts a long line of premium stock to her credit including two recent sons by MAB that averaged \$5,200 in the 2015 Mimms calf sale. This cow is double-clean by pedigree and she is one of the most physically impressive females you will find with great balance, free movement, and immense power. She has blended well with a variety of sires and she has not been flushed since calving last summer. This is one that can move your program to full speed right away!*

### GK MISS OUTLAW M-51

Female Calved: 2005

Sire: **Thomas Outlaw**  
 Dam: **GK Donor G-1**

**Due to calve May 1-June 1 to GFK**

Retaining the right to one flush or not less than 6 embryos at the buyer's convenience

*Lot 5*

*A great past makes for a great future at Donors Unlimited and this great cow has helped write plenty of success stories for us and our customers over the years. Miss Outlaw M-51 is another of our most popular donors and the dam of a strong string of successes like the AI sire, Stud Monkey, and all of his high-selling and productive siblings. Daughters include the \$30,000 Boysel Donor 551 and the \$46,000 Donor 911 plus a \$11,000 daughter by Freeze Frame and a long list of premium club calves. Sisters to this cow have been top-performing favorites as well with numerous progeny sales in excess of \$10,000. All told, the G-1 line ranks at the very top of the game for consistent rewards and this cow has been the most rewarding of them all. She's not as young as she once was but she still looks great and will freshen again shortly after the auction with what is likely an excellent calf by GFK, a perfect complement for her. Who knows what she will cost but we know what she will return...large.*

# Two of the Last from Donor F-22!

Lot 6

Donor F-22

## KROUPA 203

Female Calved: 2010

Sire: **Stop-n-Think**

Dam: **Donor F-22** (Draft Pick x Angus)

**Due to calve May 1-June 1 to Pacus Parabellum**

*A painted beast with an exceptionally rare blend of power, good looks, and function, this is surely the start of something new and exciting! This is one of the precious last daughters of the \$74,000 Donor F-22 that reigned supreme in Hereford for so many years, and this cow is also a maternal sister to Lot 7 and to the dam of Lot 8. Her full sister was a \$19,000 Lot 1 feature of our 2012 sale that now works for Bartenslager and Strecker, VA, and several other brothers and sisters have been past highlights here and elsewhere. This is the "way out there" kind in terms of power without sacrificing function; it's the next level and it looks awesome!*

## MIMMS 6254

Female Calved: Fall 2006

Sire: **Cunia 602**

Dam: **Donor F-22** (Draft Pick x Angus)

**Sells open – Guaranteed to flush or breed**

*The last remaining daughter of Donor F-22 in the Mimms herd, this impressive beauty blends legendary maternal genetics with fine function. She tops the list of favorites for so many visitors with her long, level, super-attractive form and her past calves include a number of strong product like the Doc daughter that Don Bryant, TX, purchased here a year ago. Like her dam, this cow is very correct with exceptional udder quality and a great neck stuck on the front of a huge body. She calved last fall and has not been flushed since.*

Dakota Gold

**KROUPA 865**

Female Calved: 2008

Sire: **Punisher (Heat Seeker x Ice Pick)**

Dam: **GK Donor 165 (Who Made Who x Donor F-22 by Draft Pick)**

**PE 11/01-12/26 to Pacus Parabellum – Safe-in-calf**

*A cool, little power freak with shape and shag for days and days, this monster is a maternal sister to the dam of the hot sires, Dakota Gold and Jack (Reimann Ranches). This is more of the generational strength you get from the great F-22 and her daughters that sell as Lots 6 and 7. This cow can really raise them – see Lot 8A for proof – and she is miraculously THF/PHAF by pedigree!*

**Kroupa Genetics**

Sire: **Milkman**

Dam: **Treinen 454** (Meyer 734 x Maine)

**AI 10/17 to Smoking Bob – PE to 138M x Irish Whiskey son – Safe AI – Due 7/26**

Tested THF/PHAF

*A great performer and a real breeding piece, this double-clean silver paint is one we can all use more like! She was a strong show heifer that has turned into a strong pasture performer with three excellent sons to her credit already including two that sold to Copus Cattle, TX, and another that is being shown in Ohio now. Her dam is Mike Treinen's great 454 cow that has produced a number of leaders and winners, plus this cow is a proven embryo producer in just one attempt. She is big, stout, flexible, and impressive with great length, lines, and curves plus she has a super disposition and excellent udder quality. She's in tough competition but this may be one you can't live without!*

**AIRHART 765**

Female Calved: Fall 2007

Sire: **Airhart 577** (K.C. x K.C. x Maine)

Dam: **Aladdin (MA) x Angus**

**Sells open – Guaranteed to flush or breed**

*Bred just like Airhart Donor 721 - the dam of the 2015 San Antonio Champion Chi Steer – that is featured in our embryo offering, here is a rare opportunity to access the power of the great 577/Aladdin females in the Airhart program. This cow is built with the best of the brand including fantastic depth, bone, muscle, and the signature balance that sets the 577 daughters apart. She is all-clean by pedigree and she has never been flushed. Dive in for big color, big rewards, and unlimited options!*

## DAVIS DONOR 501

Female Calved: 2007

Sire: **Chill Factor**  
Dam: **Angus**

# Lot 11

**Sells Open – Guaranteed to flush or breed**

*A Maine maternal beauty that can also produce a powerful steer, this proven donor is one of several exceptional standouts in our 2015 lineup. This cow is just gorgeous from start to finish and she is filled with the functional power and design that it takes to make them special. Her angles, movement, size, pedigree, and look are fantastic. She is the dam of several prized daughters in the Davis outfit and her 2013 son sold especially well to Luke Doris, OK, and will be shown this spring at OKC. She was flushed over the summer – average of 8.5 on 3 attempts – and was given a very short opportunity to re-breed this fall so she is open and ready to keep working this spring. Timeless look, quality, and pedigree.*

**Davis Cattle**

## DAVIS 25

Female Calved: 2008

Sire: **Heat Seeker**  
Dam: **Chill Factor x Angus**

# Lot 12

**Sells Open – Guaranteed to flush or breed**  
Tested THF/PHAF

*Another versatile and powerful donor option from the best of the Davis herd, this cow will be so easy to make work. You need to see her to fully appreciate her combination of mobile power and modern good looks but this photo tells you a lot. She is immense in her body and back with some serious foot, bone, and width of skeleton. She tops it off with a double-clean, red and white, perfectly versatile pedigree to blend for Shorthorns, Maines, blacks, reds, and anything else you can think of.*

**Davis Cattle**

## FGCC 7134

Sire: **Milkman**  
Dam: **Meyer 734 son x Charolais**

# Lot 14

**Sells open – Guaranteed to breed or flush**  
Tested THF/PHAF

*A double-clean, smoky blaze that you've got to see and get to work for you, this cow has long been a customer favorite at Forbes & Graham. She's got the goose and the caboose - big time – with some serious width underneath to go with it. Flush her this spring and summer and prepare for a big pay day from this one!*

Sire: **Cunia 602**

Dam: **44483 Angus by Grid Maker**

Due to calve **August 21** to **Cerveza** – Prob. Calf Sex: Heifer

*What a great maternal package here! Like her beautiful Angus dam, this is a gorgeous cow that will accomplish a lot. She is a sight to behold in the pastures with her perfect size, balance, udder shape, and optimal power; and she is coming with what should be her most valuable calf. This cow does what every cow should do with great milk production and fertility plus a top disposition and a double-clean pedigree that only enhances her value as a cornerstone donor.*

**B/K "HARDINGS SUPERMOM" 386**

Female Calved: April 2008

Sire: **Full Flush**  
 Dam: **Meyer 734 x Angus**

**Due to calve May 1-June 1 to Here's To You**

*We tried this a year ago but this special cow slipped her calf just before the auction so we got her back in calf and now she is back again with all the bad luck out of the way. Supermom 386 is one memorable bovine and she is filled with time-tested genetics that never go out of style. She is the dam of a trio of high-selling sons from \$12,500-\$20,000 so far and she looks like she could strike again any time. Double-clean by pedigree with an exceptional blend of real power, real function, and real good looks.*

**KROEGER 050**

Female Calved: 2010

Sire: **Monopoly**  
 Dam: **Mimms Donor 50** (Meyer 734 x Hara's Witchcraft 2100)

**PE 8/15-1/10 to Sol (Lut x Stop-N-Think x F-22) – Due 10/01 – Prob. Calf Sex: Heifer**  
 Tested THC/PHAF

*A real powerhouse from one of the best to ever work in the Mimms outfit, this product of a past embryo purchase has always been a favorite and she'll be one to mark with a big star on sale day! She is one of the last daughters available from Mimms Donor 50 that produced a string of top performers over the years including numerous premium sale calves at OK and TX majors along with several top-performing daughters. This cow was herself the Supreme Champion Female of the Potter County Stock Show and it is easy to see why when you review her immense power and striking style. She was bred to produce big premiums and she is coming with a valuable heifer calf having already left a strong replacement at Kroeger Kattle.*

Dam: **BH 026** (BH 3011 x BH Donor 419)

**PE to BH No Worries – Due approx. 8/28 – Prob. Calf Sex: Bull**

*This is one heckuva set of Hereford females and this first set of Boom Boom daughters is outstanding! This special feature is double bred to the BH 3011 foundation from a young dam that is one of the best at Hale Cattle, and note that her second dam is the great BH Donor 419. This heifer is bred to produce on the next level and she surely looks the part with her tremendous body shape and power that she blends with a soft, balanced, eye-appealing look. She'll make a big-time performer for sure but she's not the only one you need to come see this year!*

Female Calved: Fall 2013

Sire: **Carpe Diem**

Dam: **Donor 145E** (Manhattan x Midas 145E)

**Due to calve August 16 to Hef – Prob. Calf Sex: Heifer**

*A product of one of the best Hereford combinations in the Mimms program, this is a big hipped, stout legged full sister to several past winners and top sellers. Her now-deceased dam was a direct daughter of the famed 145E donor at Sullivan Ranch, TX, that produced a long line of leaders like Bailey 545R and the AI sires, Grand Slam and Hard Drive, plus an amazing string of state and national winners. This is the #1 family when it comes to producing major Hereford champions. Mates to this heifer include the Champion Hereford Steer at the Oklahoma AGR in 2012, Champion Middleweight at Tulsa in 2012, a fifth at Ft. Worth, and two steers that sold in the 2015 Mimms calf sale for \$3,800 and \$4,000.*

## Note on Fetal Sexing:

Whenever possible we tried to determine the sex of the calves these bred females are carrying. Not all females were available for fetal sexing and it's an inexact science so calf sex cannot be guaranteed. To the best of our knowledge the females will calve at approximately the dates shown and there is a strong likelihood they will deliver the calf sexes that are shown. Bid accordingly.

### Lot 200C – Three embryos by Picante

### Lot 200D – Three embryos by Picante

- *White hot genetics! This is the genetic sales debut for Donor 906, one Dr. Mimm's top-selling additions from the 2014 Brandon Bird Cow Sale and she is filled with the looks and the blood that works!*
- *Study this cow in the pens before the auction. She is the real deal for structure, style, and power; we are super excited to see her perform. Her totally clean, largely outcross pedigree makes her a cinch for a variety of matings, and her great color – check the pink nose – makes her even handier to use. This should be a great combination with Picante, the powerful, red Heat Wave son that sired a bunch of recent favorites including the Champion AOB Steer at San Antonio in 2013.*

Donor N-117 will be on display sale day

- N-117 is also of the dam of the now-proven sire "Chocolate Milk" whose first crops have drawn strong reviews, and her daughters are outstanding performers as well. The Lot 207 donor is one top daughter and another is the \$60,000 all-time top seller of this event that has created big rewards for Garwood Cattle, OH.
- Another daughter owned by Forbes/Graham/McCollum sold for \$15,000 in the 2012 Mimms Sale before winning multiple shows including a selection as Champion Chi of the 2013 Houston Livestock Show. Her full sister brought \$11,000 in the same auction.
- There may never be another like Donor N-117.

**Lot 207D – Three embryos by Solid Gold**

**Lot 207E – Three embryos by Milkman**

- An amazing daughter of the great Donor N-117, this double-clean leader is off to a racing start!
- The first embryo calf from this cow was a \$5,100 red Milkman steer in the 2014 Mimms Club Calf Auction and another sold to Bonham Show Cattle, OK.
- This big bodied, super sound, huge haired cow carries the red gene so, judging by that first calf, Solid Gold should be just as successful if not better and maybe even more colorful. Also, the Milkman combination mimics the huge success of her mother. Watch out!

#### Lot 208B – Three embryos by Monopoly

- "Candy" is one of the best kept secrets in the show cattle business...until now! This is her embryo sales debut but she's been winning big since she was a calf in the Davis program.
- These embryos will produce full siblings to the 2013 Oklahoma Youth Expo Grand Champion Steer and his full sister that was selected as the Reserve Champion MaineTainer of the 2014 Tulsa State Fair – from the calf division.
- Candy was a winning show heifer and another of her daughters by Wisdom won her division at the 2013 National Junior Maine-Anjou Show. The last natural calf from Candy was a son by Yellow Repo that has been retained for in-herd use.
- This cow is as consistent as they come and these embryos will work great for steers or heifers!

- Lot 210B – Three embryos by Made Right**
- Lot 210C – Three embryos by Kaw-Liga**
- Lot 210D – Three embryos by Kaw-Liga**

- Cut the corner to big success with the world's best Wasp daughter! This one doesn't seem to miss after four outstanding calf crops on the records in Hereford.
- This amazing cow shares a second dam with both the Champion Polled and Champion Horned Steers of the 2014 Ft. Worth Stock Show and her maternal sister – that sold in our 2009 sale to Day Cattle, Meadow, TX – recently produced the Champion British Steer of the 2014 San Angelo Stock Show. This is the best cow family at Hale Cattle!
- The first embryo crop from Donor 713 contained 5 steers that sold for an astonishing average of \$8,580 and her 2014 crop produced an average of \$4,200 on 4 head.

# Lot 210

- The spring 2013 calf sales included a son by Made Right at \$30,000, a bull at \$12,000, and a heifer at \$6,400 – the only three calves sold that spring.
- We sold her first flush in our 2010 Share the Future Sale to Born Ranches, TX, and from it they raised Right Answer 713, the \$25,000-valued bull by Made Right that sold one-half interest to Tee & Joan Knox, TX, and his full brother that was Champion Hereford at the 2012 Belt Buckle and later stood third to the Champion & Reserve Hereford Steers at Ft. Mimms Donor 335A – Calf photo

- Donor 335A, "The Lady In Red", was bred by Dr. Gary Warner, TX, and she was the high-selling open heifer of the 2008 Genetic Progress Sale. She has grown into a stout-producing donor whose first steer calf was the \$5,000 lead-off Solid Gold son that found his way to the winner's circle for the Skiles family, TX, when he was selected as the Reserve Grand Champion of the Dalhart Jackpot and Dalham County Show.
- 335A is also the dam of one of the best young cows in the Mimms herd and these combinations, while different, should be excellent as well. This Lady in Red is a big boned, big hipped, good looking female that is generating in kind!

**Lot 214C – Three embryos by Lotta Leather**

- This little long-eared cow is becoming quite a source of quality! You will not find many American-cross cows in the Mimms pastures and when you do you know they have certain potential.
- This is the dam of the \$7,900 lead off steer by Smilin' Bob in the 2015 Mimms Club Calf Sale that got a great home with the Akers family, TX. He is a special one but not the first strong one from this cow.

Mimms Donor 550

- Her first embryo crop in Hereford included 4 steers that each made the Mimms Calf Auction where they averaged \$4,850 with a narrow range of \$2,800-\$6,000. Those calves included the Champion Light Weight Angus of the 2013 Houston Stock Show and the Cain family's blaze-faced Solid Gold son that was 3rd at Houston in the Chi plus another that was second at San Antonio.
- Our 2013 crop from Donor 550 included a very good, red son by Milkman that was lost before weaning but his brothers showed well including a class winner and a second place in Houston plus a steer that was third at San Antonio.
- See for yourself but this little blaze is nearly as wide as she is tall with some enormous, correct legs plus great balance and shape. She is a red carrier so you get nice color with several blaze faces from these matings.

**Lot 216D – Three embryos by Man Among Boys**

- The dam of the \$12,900 Smilin’ Bob steer that caused a crowd this spring at Mimms Cattle, this silver beauty is becoming one of the most consistent cows in Hereford. With the strength of the 602 tribe behind her, this Mimms product is delivering the goods on a higher level. She has produced top results for us and our customers including Jeff Brandenburg’s 2014 New Mexico State Fair Champion Shorthorn Steer which was a Proud Jazz from this great cow!
- The 2013 Mimms Club Calf Auction showcased the consistency of this great cow when 3 steers by two sires sold for a stout average of \$6,717 with a top of \$8,600. Also a son by Smilin’ Bob brought \$6,300 in the 2012 Mimms Sale and got branded after placing second in his class at Ft. Worth in 2013.
- Beau Brock, TX, purchased a pregnancy in our 2011 lineup that produced a \$7,250 Monopoly son for him and Logan Platte, NE, purchased some embryos that gave him a son by Smilin’ Bob that brought \$8,100.
- The 2011 crop from Donor 701 included three steers that sold in the 2012 Mimms Club Calf Auction for a \$5,650 average.
- This cow is exceptionally consistent; she was bred to be that way.

Due to calve August 2 - Available sale day – Recipient is a crossbred cow Tag 245

#### Lot 227C – Three embryos by Heat Wave

- Be careful. Lightning can strike anywhere in this offering – and it often does. This beautiful cow is delivering big results for our customers; so much so that we're barely getting a chance to use her ourselves.
- We sold a flush from her in our 2012 sale to Roecker Cattle, IA, that returned more than \$60,000 from their first four calves sold – that's an average of more \$15,000 per calf!
- We sold a pregnancy from this cow and Heat Wave in our 2014 Share the Future Sale to McCollum Cattle, TX, for \$2,750. Her heifer calf brought \$10,750 this spring. Several other breeders have ranked their 107 progeny among their best in recent crops and a 107 daughter by Chocolate Milk was the \$8,900 top heifer of the 2014 Mimms crop.
- This cow is a modern show cattle machine. We loaded up on her embryos for 2015 because her calves have been so consistent. These are proven combinations with this well-proven beauty that is quickly becoming one of the very best in our lineup!

#### Lot 228C – Three embryos by Solid Gold

#### Lot 228D – Three embryos by Heat Wave

#### Lot 228E – Three embryos by Solid Gold

- This full sister to several club calf legends has become a legend herself with amazing performance over the years in Hereford! She's not as young as she once was but her style and power are even more in demand than before and she keeps cranking out the hits like a \$53,000 son by Solid Gold in 2013.
- She is loaded genetically and her next crop seems to always be better than her last! She is a full sister to greats like Miss Perfection, the dam of Smooth Sailing and favorites like our Mimms Donor 701. Her dam is the amazing and now-deceased Ms Chill 602G formerly the leader at Sullivan Ranch, TX.
- The 2013 Mimms Club Calf Auction featured 7 head from Donor FF602 that sold for an amazing average of \$12,245 with the top 5 head at \$15,700 and the top steer being a \$53,000 son of Solid Gold. Included in the group were four sons that brought \$7,500 each – amazing consistency.
- Her previous crop was nearly as good posting an average of \$5,200 from 4 sons with each one born selling between \$3,100 and \$6,500. Previous crops included a pair of sons by Solid Gold that sold for \$8,500 each in the 2011 Mimms Auction plus more sons by Heat Wave sold for \$7,000 and \$4,600.
- She has been raising them right since she started — like the \$7,750 daughter by Chunky Monkey and another son by Heat Wave that sold to Jess Shirley, TX, and was the first place Heavy Chi Steer at the 2011 San Antonio Stock Show.
- This popular powerhouse is a leader because she is too talented to blend in with the pack – see for yourself sale day!

#### Lot 230D – Three embryos by Man Among Boys

#### Lot 230E – Three embryos by Man Among Boys

- *This cow was a powerhouse that we lost too soon. We were just getting her lined out and her calves have been excellent but now she is gone. Take advantage of some of these final packages because this cow is capable of delivering major success!*
- *These combinations should work great for hair or slick shows because this cow was arguably the best necked, biggest butted cow in our lineup; and that's saying something. She gave us a \$4700 steer this spring and the pregnancies we sold a year ago produced some strong reports as well.*
- *Sorry we cannot show you this one anymore because if we could you would already be bidding!*

Donor Dam: **Charolais**

#### Lot 231A – Three embryos by Lone Wolf

#### Lot 231B – Three embryos by Lone Wolf

- *Big news from this big feature of our 2013 Share the Future Sale! You'll remember her from when she was selected by Eric Baudino, IL, for \$11,500 and when her daughter by Lone Wolf brought \$13,000 to Sally Carwile, TX, but this smoky powerhouse now works for Hale Cattle, TX, and she is back again with her best combinations!*
- *She is one of the few Charolais-influenced females you'll find by Irish Whiskey and she was a winning show heifer for the Stierwalt family, OK. Her first embryo crop was a huge success with four steers by Lone Wolf that sold for an average of \$8,050 including one at \$20,000 and another American steer by Crenshaw that brought \$3,500.*
- *These embryos are essentially our last from a great DU hit and a sire whose semen is not for sale!*

- Donor 117 is the smoky power source behind the success of Freeze Frame! These combinations will produce full and maternal siblings to Freeze Frame, and you will not find them anyplace else.
- Our previous sales have featured a number of females bred to Freeze Frame and customers have asked for more of them. Remember that our 2013 Share the Future top seller was a \$30,000 Lot 60 Freeze Frame daughter that now works for Garwood Cattle, OH.
- Kroupa Genetics has a stout set of calves out of Donor 117 that look really exciting plus a young herd sire by Bojo from Donor 117 that is extra impressive. All calves have been cream colored or gold with a few baldies.

Unregistered Angus Cow

Donor Sire: **DHD Traveler 6807**

Donor Dam: **Donor 398**

**Lot 235A – Three embryos by The Irishman**

**Lot 235B – Three embryos by Kadabra**

- The hard-to-find maternal basics with more gas, Donor 4267 is a very powerful 6807 daughter of Dr. Mimms' famous 398 Angus donor. She is a customer favorite for her consistent quality; the kind that brings them back for more each year.
- Her spring 2014 daughter by Irish Whiskey brought \$12,000 in the Panhandle Perfection Sale to Pryor, IA, and Bird, TX, and she is one of the only calves we've ever gotten a chance to make due to customer embryo demand.
- We told you about the quality of this special female in our 2006 Share the Future Sale and she has not let up since though she will not last forever. Her foundation donor dam provided several highlights including a pair of top-selling daughters by Meyer 734 and Chill Factor plus a son that was second at the Houston Livestock Show.
- 4267 is another year-over-year favorite that you need to try if you haven't yet!

- Three years in a row of Lot 1 features from this family make these genetics "must haves" for your next crop! This great female is our only remaining clone to the great Donor 401 and she is carrying on the legacy of success for this great family.
- Her clone produced Lot 1 in our 2014 sale and Lot 1 in this event, and this impressive cow finally got a chance to go to work for us this year. She produced a very strong crop with 7 calves selling for nearly a \$3,000 average including a steer at \$5,500 – all by Man Among Boys.
- The original Donor 401 produced a strong list of hits like the 2007 Ft. Worth Reserve Grand Champion Steer, and the 2002 Aksarben Grand Champion Steer along with several other favorite females. She is gone but her legacy lives on, and we know that these combinations will work for herd bulls, steers, and better females; the cow power here is too strong not to.

- Great Meyer 734 daughters like Donor 50 never go out of style. They just keep delivering the kind you can sell, show, and make work in all sorts of programs. Check Lot 20 in this booklet for more proof of what this cow does and why we consider her to be the best half-blood Simmental descendant of one of the best club calf Angus cows of all time.
- The 2013 Mimms sale crop from this cow was one of our best on record with fantastic success from three different sires! A son by Solid Gold brought in \$44,000 to rank him as the second high seller of his crop, a daughter by Believe In Me brought \$14,000, and another daughter by Walks Alone brought \$6,000. All together, six calves from this beautiful baldy averaged \$11,933.
- A son by Heat Wave was third in Class 8 of the 2010 Ft. Worth Steer Show, a son by Smooth Sailing was Champion Gelbvieh at the Tulsa State Fair Prospect Show and 3rd AOB of the Oklahoma Youth Expo, and nearly everything from this cow has sold for a strong premium.
- She is the last of the great Black Witch tribe at Hara Farms, OH, and these combinations are sure to add a new dimension to a very proven foundation!

**Lot 243C – Three embryos by Chocolate Milk**

- Another new addition to the program and another proven winner! Lilly was a big-winning show heifer that has become a big-winning cow and she seems to work with everything!
- This gorgeous show piece is amazingly double clean and she is racking up big successes. Her son by Friction was a strong winner for the Daniels family, OH, as was his full sister that won several times for Megan Hunt, OH. A son by Smilin' Bob won 5 times for the DeFrank family, OH, and his brother by Chocolate Milk is winning now for the Peters family, OH. Another son by Monopoly brought \$8,750 to Virginia as Lilly seems to hit it big each time she is flushed.
- We'd love to show you this one sale day because she is a real show stopper but she will be absent so she will have to let her track record speak for itself. Don't fix what isn't broken.
