Sells open – Last flush 11/03/14 produced 16 excellent embryos

Celebrate the good times with this wonderful opportunity to acquire one of the very best we've ever owned and one of the very best young donors in the breed! Tea 37W is our 2010 North American International Grand Champion Sim-Influence Female and she has quickly proven herself to be one of the most productive donors we've ever tried. She has been a no-miss producer with a first calf by BMR Explorer that brought \$4,000 and won for the Speckhart family, IL, and a second daughter by I-80 that has been a big winner for Briggs Peine, MN, with selections like Res. Champion Mainetainer of the 2014 Minnesota State Fair and Champion Mainetainer of both the Junior and Open Shows plus a Division Champion of the NAILE Junior Show. Her only crop by Irish Whiskey included 100% premium progeny like the Lot ?? in this sale plus three brothers that were selected as the Champion Pen of 3 Mainetainer Bulls of the 2014 National Western Stock Show in our first-ever entry. Tea 37W is a strong embryo producer – her latest flush produced 16 excellent embryos – and she will be ready to go again after the auction. Her embryos have been in high demand since she entered production and JR Simmental, MI, produced a high-premium daughter by High Voltage from an embryo purchase. We only have one like this cow whose dam was a great producer as well. Trust the Program and go home with one of the most exciting females in the breed!

Bred to calve 3/11 to I-80

An embryo daughter of the Lot 1 feature, this mighty package is a full sister to our 2014 National Western Grand Champion Pen of Mainetainer Bulls. You'll love the potential here as the genetics are just right and this heifer is made so well. She's got the power and curves of her sire – look at the rib, top, and hip shape – with the softer, sounder, looser feminine style of her champion dam. She is one to build around for sure!

BULL March 17, 2014 Tag 908

Sire: **Man Among Boys** (Monopoly x Hard Core x Who Made Who)

Dam: **CARD BROOK 08W** (WAR WAGONHAMMER 3521 x DOCTOR WHO)

Selling full possession and 50% semen interest with the option to double hammer price to acquire full interest

A spectacular blend of red-hot club calf genetics with a very proven maternal line, this is a great bull opportunity from the best of our 2014 crossbred crop. This bull has been a standout since birth as one of the hairiest, biggest bodied, stoutest, and best built calves in our crop. With the limited availability and proven track record of his sire plus the consistency of his dam, he should be great property going forward.

IMPORTANT SALE INFORMATION:

Terms: Terms of sale are cash or good check made payable immediately after the sale and before any cattle are loaded. Invoiced (absentee) accounts are payable in full within 10 days of the sale or are subject to a 2% finance charge on the tenth day. A fee of \$50 will be assessed to all returned checks. **Liability:** All animals and merchandise will be at the buyer's risk as soon as bid off but will be cared for by the seller(s) for a reasonable amount of time during and immediately following the sale. Neither the owners, auctioneers, sale manager or other affiliated personnel may be held responsible for any accidents that may occur. PrimeTIME AgriMarketing NETWORK, Inc. acts only as an agent between buyer and seller and may not be held responsible for any livestock or merchandise. It is to be clearly understood that PrimeTIME AgriMarketing NETWORK, Inc. and its representatives act only as a medium between buyer and seller, and may not be held liable, financially or otherwise, for any failure on the part of the same to fulfill any obligations set forth in this sale or for the truth of any warranties expressed or implied. Neither does PrimeTIME AgriMarketing NETWORK, Inc. assume any financial obligations to collect or enforce the collection of monies between buyer and seller. This catalog has been prepared by the sale manager from information provided by the seller(s) and is assumed accurate as presented to us. However, PrimeTIME AgriMarketing NETWORK, Inc. will in no way guarantee age, pedigree, or reproductive status of the animals selling. All exceptions taken and adjustments made are between buyer and seller. **Breeding Information:** Please see the footnotes regarding breeding information for each lot. All bred females will be examined for pregnancy by a qualified DVM prior to the sale and any changes to their breeding status will be made available sale day. Conception dates listed in this booklet are based on the results of said pregnancy examination and/or known breeding dates, and are intended as estimates of calving date only. **Health:** All animals will be accompanied by a health paper valid for interstate shipment. Buyers should make themselves aware of their respective state's health requirements prior to the sale. **Guarantee:** Cattle and merchandise sell as is. No guarantee, expressed or implied, is made as to an animal's ability to produce transferable embryos or frozen semen. All registered cattle sell with the standard guarantee(s) endorsed by their respective breed association. **Insurance:** Livestock insurance will be available at the clerk's desk. **Trucking:** If you require assistance in transporting your purchases, please contact the sale manager. Every effort will be made to minimize costs to the buyer. **Announcements:** Any announcements made from the sale block by the owner, auctioneer, or sale manager take precedence over any printed material. **Sale Booklet Prepared by:** Craig M. Reiter, Sale Manager.

The first of two spectacular embryo heifers – see also Lot 3B - from one of the most proven pedigrees on the place, here is a great improvement option filled with rare and proven genetics. Both the top and bottom of this pedigree are now-deceased but their combination of excellence paid off again in the form of these two great full sisters. Previous full siblings to this pair include the 2009 National Western Angus Show Reserve Champion Heifer – her son by QLC Superior was Grand Champion Angus Bull of the 2014 Indiana State Fair - our 2013 Angus NJHS Division Champion Female, and the high-selling son shown here. Both of these sisters are, like those before them, filled with quality and upper-level potential. Close your eyes and pick one; you can't go wrong.

Bred 4/12 to No Remorse – Safe-in-calf

This super-stylish Broker daughter was the Mark Hoge family's selection of the FCC calf crop a year ago and when you see her, you will know why. She is extra good in her lines and balance with a soft, sound design and exceptional udder quality. The angles on this heifer are very good and it's easy to see how beautiful of a cow she is going to be.

CARD JP LASS 106W

VERMILLION JP LASS 1066

Bred to calve 2/15 to I-80

One classy Lass by CARD Stress Relief, here is an exciting favorite from the very top of our bred heifer crop! We love the profile and design of this heifer whose dam is a full sister to the cow Larry Ott, IN, selected from us in 2008 just before she paid for herself with her very first calf. Expect this one to deliver profit as well with her sweet body shape, softer leg, and fantastic style. She might the hairiest in the set!

HXC ANGUS 252

Bred to calve 2/07 to Snap Chat

More style and power from CARD Stress Relief, the top seller of our 2011 bull crop, this is another one to rely on from this deep offering. She offers a largely outcross pedigree blend with tremendous balance, great hair, and a fuller, rounder rib shape that will work great. She'll have one of the first by CARD Snap Chat!

HXC ANGUS 3011

Bred to calve 3/20 to Final Drive

The kind we love to make top cows with, here is a valuable piece of the puzzle by CARD The Situation. This very young heifer will calve well before her second birthday and she is the long, angular, level kind that blends easily with so many sires to produce premiums. Her outcross pedigree will give you some real punch that pays!

A maternal sister to Lot 57

 SAV BLACKCAP 2152

Bred to calve 3/22 to Snap Chat

Another fancy and fertile daughter of CARD The Situation, this May heifer will deliver something sweet by Snap Chat well before her second birthday. She is another sound footed, long bodied, feminine standout from our reliable Blackcap 652 cow that also produced a \$7,500 Lock 'N Load daughter that sold to Diamond M Cattle, KS, in our 2013 sale.

BT PIERRE 866N

DR PIERRE 99F

Bred to calve 3/25 to Final Drive

From a massive Angus dam that gave us a \$4,000 heifer a year ago that now works for Mark Wills, IL, this is a very different daughter of Walks Alone. She will surprise you with her length of body and feminine angles plus she is so good at the ground. She'll have an excellent first baby as there is too much cow power here to deny!
