*Take the fast track to The Winners' Circle with this rare treat from the great Miley 80T, the dam of I-80, Maine Man, I Believe and so much more! This is the fourth of four great females from the same flush that produced the \$80,500 GOET Maine Man and the now-famous full sisters "Hottie" and "Dottie" at Goettemoeller Show Cattle. This is the cow family that is behind so much of the success at Goettemoeller's and this special youngster is the member of the flush that looks the most like Miley 80T!*

*She is young and this is her first chance with a bull like MAB but make no mistake that this one is built to accomplish some very special things. Her sisters have been huge successes so far with first embryo crops that included Alex Witt's multiple-Grand Champion Steer a year ago, three heifers that averaged \$11,500, one heifer that was retained, and two promotion bulls now known as Rodger That and Rodger Dodger. We sold the third full sister in our 2013 sale to Witt Farms, OH, and she promptly produced a strong result for them. We have no doubt that this huge bodied, huge legged, horse-necked beauty will take the success of this great family to a whole new level. Come and see her for yourself. This is the good stuff that works!*

# SHOW·RITE

Show Feeds... Done Rite!

## PRODUCT *spotlight*

### ACCELERATOR CATTLE DEVELOPER

A moderate energy, complete developing feed formulated to optimize animal growth and development. Accelerator's energy level is intermediate to Cruiser and Throttled Up™ making it ideal for developing show bulls, fleshing up show heifers, "fast-growing" market animals, or transitioning cattle from growing (Cruiser) to finishing (Throttled Up™).

"Accelerator provides us with maximum flexibility and simplifies our feeding program. We can appropriately adjust intakes of Accelerator to match up with cattle condition and "fleshing ability. No matter if we need to add bloom in the fall or if we're trying to maintain condition and freshness in the summer, it works for us."

*-Backus Family, Florence, South Dakota*

### SHOW-RITE CRUISER®

A high-fiber, complete growing feed formulated to achieve frame and muscle growth while maintaining "bloom." Cruiser can also be used to maintain "bloom" of market cattle once they have achieved the desired level of finish.

"The cattle we show are sometimes in the barn and on feed for 10-15 months during their show career. Every show is our target. We want our heifers to be in condition to win their first time out, yet maintain fullness, freshness and femininity to be competitive as big heifers during the summer and fall. Show-rite Cruiser allows us to accomplish this at a high level of success."

Calved: March 2007

SIRE: **WHITE LAKE** (FULL FLUSH X CHAROLAIS)

DAM: **MA X AN**

**Sells open and ready to flush – Last flush 12/05/14**

Another big profit opportunity from the deep lineup of embryo producers at Schaeffer Show Cattle, Madonna 701 is a predictable silver powerhouse that is so right for the times. She has produced over \$70,000 in revenue during the last three years with a lifetime running average of \$6,000 per calf and 11.5 embryos per flush. She is open and ready to roll shortly after the auction and she delivers premium quality thanks to her impeccable foot and bone, massive body, and plentiful power blended with incredible look. A son by Smoke & Mirrors recently brought \$15,000 to Bonham Show Cattle, OK, and with the double-clean profile of this cow you can blend her with so many popular sires.

You don't find one like this very often and the Schaeffer/Tice Team doesn't turn loose too many of their proven donors too often. When they do, you need to take advantage. This super freak is the dam of 20 calves that carry an average of more than \$6,000/head including a \$10,000 Point Taken that ended up in the Top 5 at the Nebraska AGR. This cow has also been an embryo sales powerhouse and she is the dam of top young cows in the program, one of which raised an \$18,000 heifer this year. Steers or heifers, Spooke 7198 can raise them all.

She is wildly good looking with the crazy shape, shag, and bone of an extreme leader. Spooke 7198 flushes well with an 8-embryo average and she sells bred to the now-deceased Made to Order whose dam is a past Indiana State Fair Supreme Champion.

Her calves have made a habit of finding the Winners' Circle regardless of the sire with which she has been matched and the built-in premiums you get from this cow family are very real. This cow is older but still very potent and capable of delivering big success like her daughter by BC Raven that is also a donor at Green Oak after being selected as the Grand Champion Chiangus Female of the 2010 NAILE Junior Show or her son by Monopoly that sold to the Streitmatter family, IN, and found the Top 5 Overall several times last season; or her daughter by BMS Spock that brought \$8,000 in our 2011 sale to Tooms Show Cattle, OH. If you know this pedigree — and you should — then you know you can give a little and get a ton here!

One hot tamale and one awesome female, this dazzling redhead is one of the most exciting females we've ever gotten our hands on! We love the quality and flexibility that this heifer brings to the program and we love her kind. She is incredibly smooth and attractive with the great feet and leg design we are looking for plus tremendous angles, hair, and belly shape. She is another exciting package from the great Tamale family at Sullivan Farms, IA, and a full sister to the 2010 NAILE Supreme Junior Female, the Foley family's 2012 Supreme Champion of the Illinois Beef Expo and Reserve Champion Shorthorn-Plus at the Junior National, and also the 2014 Junior National Champion Shorthorn-Plus and Kane Aegerter's 2014 Junior National Reserve Champion Shorthorn-Plus and Champion Chi Female. This is the same family that produced Lots 32 and 33. Come to The Winners' Circle!

Functional stoutness, great looks, and high maternal all rolled into one exciting female here! This is the kind we work so hard to raise and look so hard to find; we've just got to share a piece of her because we know how hard she is to find. This unique feature is clean by pedigree and unrelated to so many bulls we would use with her plus she is so easy on the eyes. We love the type and build and pedigree of this heifer and we're excited to see where she goes from here.

**Bred to calve 2/14 to Frisky Whiskey**

*A gorgeous piece of the puzzle from two greats — I-80 and Donor 431. Her dam was the high-seller of our 2011 Winners Circle Sale when Campbellco, OH, selected one-half interest in her and she has since produced a string of top calves including a \$42,000 son by Believe In Me that went to Reimann Ranches, SD, and will be shown by the Schnoor family, CA, at Denver this winter, his full brother that was selected as the Reserve Grand Champion Steer of the 2014 NAILE for Alex Alliger, IA, and Solid Gold son at \$40,000 that will be shown in Texas. This heifer has that special "wow" look about her head and neck - just like her mother — and she is super sound with dazzling hair and balance. She'll take you to The Winners' Circle!*

## 68 TSSC Money Maker 323A

Female Calved: March 2013

SIRE: **MONOPOLY MONEY**

DAM: **TSSC MACHO 58** (3C MACHO X ANGUS)

AI 4/15 to I-80 – PE to S/T Cruiser 6/01-10/01 – Safe AI – Due 1/23

Another great female from TSSC Macho 58, this heifer is built like a great, young cow should be and her dam just eclipsed the \$125,000 mark in total sales. Soehnen Cattle Company, OH, selected an impressive maternal sister to this heifer a year ago for \$9,000 and another brought \$8,000 this fall; this cow is super consistent. We love the elegant, maternally-driven build of this heifer that has the great hip, balance and the proper blend of power and bone to make a top performer. Her disposition is super as well.

## 69 TSSC Money Maker 317A

Female Calved: March 2013

SIRE: **MONOPOLY MONEY**

DAM: **AUBREY'S BLAZE BLACK STAR** (STAR POWER X PALE FACE)

AI 4/23 to I-80 – PE to S/T Cruiser 6/10-10/01 – Safe AI – Due 1/31

Go for big banners with this big legged tank from a \$50,000 dam that was a former Champion Simmental of the Hoosier Beef Congress. This special heifer is extra curvy and bold in her design with fantastic bone and hair from start to finish. Her maternal sister was a great looking, \$7,000 selection in our sale a year ago to Steve Hudson, MO.

ANGUS

**AI 4/12 to Bush Unbelievable – PE to S/T Cruiser 5/16-7/01 – Safe AI – Due 1/20**

*Be prepared to fall in love with this one at the auction. She didn't picture as impressive as she is but that's hard to do because this heifer is outstanding. She is huge footed and great structured with the wide, robust build it takes plus she is so good necked and headed. She is double-clean by pedigree and has the powerfully feminine design we love!*

## 72 WB 82

Female

Calved: Spring 2013

SIRE: ADRENALINE SON (MEYER 734 X WINDSOR X CUNIA)

DAM: NORTHERN IMPROVEMENT X HELTER SKELTER

**AI 6/13 to Mercedes Benz – PE to Silviera's Style x WB Zeva (Friction x Draft Pick) 6/14-7/15 – Safe AI – Due 3/24**

*We failed to get a good photo of this heifer that shows her to be as good as she is and that's our fault but if you miss her that's yours. She is one of the best in the crop with her super complete and powerful design. She is bred maternally but she has better muscle and more width of body and bone. She should be a favorite producer for years!*

**AI 4/16 to I-80 – PE to Twerkit 4/20-7/09 – Safe-in-calf**

*The most physically powerful of the Green Oak breds, this one has some very exciting tools for the trade! She could have a better attitude but she is wider, thicker, and stouter than a pair of heifers and she is still very easy on the eyes. Cowboy up and load a very high potential breeding piece here!*

**GREEN OAK FARMS**

**74** Durham 35

**Lot 100A - Three embryos by Monopoly**

**Lot 100B - Three embryos by Yellow Jacket**

At least one 90-day confirmed pregnancy per package is guaranteed when terms are followed

*Your first chance to access a big feature of our 2013 Winners' Circle Sale, these are some exciting embryo packages from a young donor that is off to a great start. Bella 32Z sold one-half interest at the top of our 2013 sale to Smithson Farms, IN, because of her incredible combination of power, mobility, and wild shag. Since then she has produced a strong daughter by Mercedes Benz and flushed well. And, the big news...can you believe she is double clean? These should be great combinations with her and the first of many big things to come!*
