Selling one-half interest with 45 day possession in spring 2019 and full possession after the 2019 show season

Recently selected as the Grand Champion Bull of the 2019 Ft. Worth Maine-Tainer Show, Free Money 6E is one of the most exciting bulls available in the breed today. He creates excitement wherever he shows – he was Reserve Grand at the 2018 American Royal – as his combination of muscle, body mass, power, and style is hard to find in one animal. See him for yourself at the auction but we think you'll be as excited about his potential as we are. Selling one-half interest and full possession though seller reserves the right to show Free Money 6E through the 2020 National Western; buyer will have 45-day possession this spring and unlimited possession after January 2020.

A literal herd bull and major champion factory, Velvet 112W is one of the most powerful MaineTainer cows in the herd book. She is the dam of two OMAA top-selling bulls; Daddy's Money, top-seller of our 2013 sale at \$7,250 that went on to sell one-half interest for \$100,000 after winning the AMAA Triple Crown Championship and siring major winners himself is now the #1 bull in the AMAA for registrations, and, Clean Money, the top seller of our 2017 sale that now works for Rodgers Cattle, IA.

Velvet 112W is also the dam of Team Blake, the herd sire at Martin Livestock, IN, that was a 2-time Louisville Reserve Champion and is now a sire of Louisville winners himself. He and Daddy's Money were the first full brother duo in history to win both the Grand and Reserve Championships at the NAILE.

Velvet also combined with I-80 to produce Code Black, the Reserve Grand Champion of the 2015 National Western that now works for Kopp Land & Livestock, IN. Her influence is heavy in this catalog and throughout the breed.

If you want to pay the bills and keep your program moving in a right direction, you've got to stick with trusted cow families. The descendants of Ka Ba Rose T90 have proven this female line to be prolific and profitable over and over. Black Irish Rose 408 is one of my best-raised MaineTainer cows and has generated on average \$3500 on steers and heifers. While several daughters were shown by the Sankey sisters and now in production at the farm, this profitable donor creates bankable premiums each year and competes at every level of the show industry.

The Monopoly embryos will produce full sibs to a winner from Guyer's Chosen Few that sold to Devin Olsen (\$8000); high seller for SANK fall of 2018 to Bidle Farms, IN (AkSarBen Champion MaineTainer); and one of Jeff Miller's high sellers in the fall of 2016.

The Man Among Boys embryos will produce full sibs to a 2018 high seller at JB's online sales in Ohio (\$5000+); the Reserve Overall Pen of Three heifers at NAILE 2016 for Jeff Miller, IN.
