## GOET 87 "Li'l Tyra"

Female Calved: 2009  
SIRE: **MANCHILD** (HANNIBAL X DOUBLE STUFF)  
DAM: **TYRA** (PALE FACE X HEAT SEEKER)

**Sells open with three embryos by I-80**

**Tested THF/PHAF**

**Selling one-half interest with the option to double the hammer price to acquire full interest**

*Thank you, Santa. Thank you, indeed. Li'l Tyra is here and the season just got brighter. She was a sure-shot Winners' Circle feature once Brian decided to sell her but her status as our Lot 1 feature was cemented when we found out on photo day that she is TH and PHA Free. Wait until you lay eyes on this piece of show calf equipment. Wow!*

*Li'l Tyra is a way-massive, ground-pounding freak with huge feet and legs, and the middle and back to match; and she looks just like this on the stop. She has produced 100% white faces thus far and now that we know she is double clean — it was always assumed she was a carrier judging by her looks - the lights just came on in a whole new arena. It will not be long until this one hits the big time — just like the Lot 1 donor of our 2011 sale whose recent crop included a pair of steers at \$40,500 and \$15,000 plus a heifer last year for \$15,000 that went on to be selected as the Reserve Chi Heifer of the 2013 Oklahoma Youth Expo — and we are inviting you along for the ride. Treat yourself to The Winners Circle this time!*

*A powerful smoky investment and improvement option from the best of the bred heifers at Schaeffer Show Cattle, this gorgeous lady is one of many reasons you need to attend The Winners' Circle – in more ways than one – this year. She was a many-time Champion Charolais Composite Female including a selection as the Third Overall Female of the 2012 Ohio AGR Preview because she is blessed with so much natural power and good looks yet is still so sound and functional. It is very hard to find a true half-blood Charolais female that is this properly sized and structured with such good hair and this big of a body. We know the kind of revenue she will lend to any program, and we want to work with you to get it done. Oh, Charlene!*

## 4A GOET 073

Reg. PB Maine-Anjou Female

Calved: Spring 2010

SIRE: **HOT COMMODITY** (HOTLINE X STRICTLY BUSINESS)

DAM: **BPF MILEY 80T** (HARD DRIVE X MERCEDES 701P)

**Bred to calve 2/06 to Man Among Boys**

The first of two very rare features from BPF Miley 80T, the dam of I-80, Maine Man, and I Believe, this young donor is a full sister to the famous "Hottie" and "Dottie" donors at Goettemoeller Show Cattle. Like the rest of this flush that included her \$80,500 full brother, this cow is a magical Maine-Anjou masterpiece from arguably the most valuable cow in the AMAA herd book. She is built for premium production with her amazing blend of style and power that you so rarely find in a high-percentage female. Her full sisters are off to the races in production with first embryo crops that included the Grand Champion Steer in Ring A and the Reserve Champion Steer in Ring B of the 2013 Heart of It All Preview, three heifers that averaged \$11,500, one heifer that was retained, and two promotion-quality bulls that will be heard from soon. Together, they form the hottest young donor duo in the GSC herd and this third sister — who will knock you over with her potential and is bred to produce a full sibling in-blood to her sisters' best products — makes the bred-in quality in this line that much more impressive. You better get at least one of these Miley daughters now because we may never sell any more of them!

Calved: March 2012

Sire: **MERCEDES BENZ** (ALI x MERCEDES 701P)

Dam: **BPF MILEY 80T** (HARD DRIVE x MERCEDES 701P)

**Bred to calve 2/17 to Northern Improvement**

Only four Dottie daughters have ever left the farm — two of them sell here — and this line-bred concoction is a genetically-enhanced beast that a smart breeder will not let out of his sight. She offers two shots of the great Mercedes 701P in a moderately-sized, neat-necked form that will deliver a real punch in production. Her dam is the anchor of the Goettemoeller program and the secret of the success of I-80, and this heifer will be so valuable in production. This first calf — and each one thereafter — has very real herd sire or donor potential.

SIRE: DR WHO  
DAM: DINERO (SIMMENTAL)

**Bred to calve 2/17 to Man Among Boys**  
**Retaining the right to one flush or not less than six embryos**

A production powerhouse from the heart of the Goettemoeller herd, here is Lexie 500, a multiple winner for the Clark Chamberlin family, IN, during her show career and now the dam of high-premium stock. She looks as good as ever and definitely pulls her weight in the pasture with a top attitude, excellent milk, and a habit of breeding AI on the first service each year. She is the dam of the \$23,000 Monopoly daughter that topped a past NAILE Chi Sale, won the Chi divisions of the Heart Of It All and Hoosier Beef Congress, and is now the donor featured here as Lot 6 after producing a pair of calves at \$34,000 and \$15,000. Another big winner from the Goettemoeller program, this sugary-sweet donor was a multiple-champion MaineTainer for the Printz family, OH, as a youngster. She has become quite a producer with credits like a \$10,000 Heat Wave son in 2011 and premium calves each year. In tough company, she has slid under the radar in recent years but she is perfect for this blend with Believe In Me and she is ready to hit it out of the park. "Wow" power and exactly what you've come to expect from The Winners' Circle, here is a proven Goettemoeller donor that has made a habit of delivering cutting-edge quality, strong profits, and purple banner results. With her amazing balance and classic show ring look, this prime-aged cow has delivered big hits like a \$15,000 son in 2010 and the Streittmatter family's Monopoly steer from a year ago that was a multiple-champion Chi steer including a selection as the Third Overall Prospect of the 2012 Hoosier Beef Congress. She is great necked and huge hiped with perfectly-powerful bone that works so well plus she is amazingly double clean. Her dam has given us a number of hits and was one of our favorite, early show heifers so it is no surprise this natural daughter has worked so well. This cow milks great and does everything well. Board here for your trip to The Winners' Circle!

*What a bovine beast this one is! She's not your typical Heat Wave daughter with her flawless construction, immense, feminine shape and top pasture performance. This young cow has produced a premium calf in each year of production and is only being offered due to a herd reduction at Golliher Farms who showed her to several championships as a calf. She is beautifully constructed and milks great and she has a notch higher percentage Chi blood to make several combinations, like this one, more versatile.*

### Important Sale Information:

**Terms:** Terms of sale are cash or good check made payable immediately after the sale and before any cattle are loaded. Invoiced (absentee) accounts are payable in full within 10 days of the sale or are subject to a 2% finance charge on the tenth day. A fee of \$50 will be assessed to all returned checks. **Liability:** All animals and merchandise will be at the buyer's risk as soon as bid off but will be cared for by the seller(s) for a reasonable amount of time during and immediately following the sale. Neither the owners, auctioneers, sale manager or other affiliated personnel may be held responsible for any accidents that may occur. PrimeTIME AgriMarketing NETWORK, Inc. acts only as an agent between buyer and seller and may not be held responsible for any livestock or merchandise. It is to be clearly understood that PrimeTIME AgriMarketing NETWORK, Inc. and its representatives act only as a medium between buyer and seller, and may not be held liable, financially or otherwise, for any failure on the part of the same to fulfill any obligations set forth in this sale or for the truth of any warranties expressed or implied. Neither does PrimeTIME AgriMarketing NETWORK, Inc. assume any financial obligations to collect or enforce the collection of monies between buyer and seller. This catalog has been prepared by the sale manager from information provided by the seller(s) and is assumed accurate as presented to us. However, PrimeTIME AgriMarketing NETWORK, Inc. will in no way guarantee age, pedigree, or reproductive status of the animals selling. All exceptions taken and adjustments made are between buyer and seller. **Breeding Information:** Please see the footnotes regarding breeding information for each lot. All bred females will be examined for pregnancy by a qualified DVM prior to the sale and any changes to their breeding status will be made available sale day. Conception dates listed in this booklet are based on the results of said pregnancy examination and/or known breeding dates, and are intended as estimates of calving date only. **Health:** All animals will be accompanied by a health paper valid for interstate shipment. Buyers should make themselves aware of their respective state's health requirements prior to the sale. **Insurance:** Livestock insurance will be available at the clerk's desk through Great American Insurance. **Announcements:** Any announcements made from the sale block by the owners, auctioneer, or sale manager take precedence over any printed materials. **Sale Booklet Prepared by:** Craig M. **AI 5/18 to I-80 – PE to S/T Cruiser (Sooner x Irish Whiskey) 6/01-8/01 – Safe-in-calf**

*Foundation cow genetics from the \$600,000+ producing Fancy Pants line, this big ribbed, well-made heifer is bred to create lasting success and profit. Her dam is a maternal sister to S&S Pennies from Heaven P29 and S&S Smarty Pants K1, the foundation of the Schaeffer program and the dams of many champions like the one featured here as Lot 34. This heifer is sound, complete, and attractive with the right muscle shape and the right blood to work!*

From the Shorthorn Cherry family that has been a cornerstone of the success at RC Show Cattle, OH, this striking purebred heifer is backed by a donor dam is that is a full sister to RF RC Moose, Dirk Diggler, and Marchino from the same tribe that also produced RF RC Damn Proud. Also, a maternal sister to this heifer produced GJD Swagger, a 2013 ASA All-American as this heifer's pedigree is even deeper than her belly. She's a sweet one and she is due with a first Maineliner/Shorthorn+ that should do it!

**Bred to calve 1/28 to SAV Brilliance – Prob. Calf Sex: Heifer**

A real nice Maine-cross female with a pleasing profile and build highlighted by a sharp hip and front end. She was a late decision to sell so she is a little leaner but don't penalize her because she has the look that pays and the clean pedigree to breed to anything. Her first heifer calf should be a big bellied favorite!
