Welcome to Martin Livestock

Hello and Welcome to our program,

First, I want to start by saying thank you to all for the successful Dream Girls Sale we hosted this past November. It is a very humbling experience to see families return year after year as we very much value your new and repeat business. We invite old and new friends to join us this February 17th for this edition of our annual Dual Threat Sale; we've got an excellent set of cattle that we know will add value and success to your programs.

It takes a village to prepare cattle for an auction like this one and we sincerely appreciate everyone that helps us on the farm. We couldn't do anything without Jeff "CB" Boland running things behind the scenes, and we also have an unmatched crew willing to do whatever it takes to make all this happen. DJ, Gerrit, Hanna, Aj, Alec, Dallas, Kellen, and Mallory just to name a few. Thank you. And special thanks to Brad Hook, Brad Sinclair and Colton Ogburn for helping us out in a pinch.

This is the best set of cattle we have built for the Dual Threat Sale; they continue to impress us each time we go through them. As we do, we are selling 100% of our top bred heifers here but we have also added some outstanding cows and 4 excellent bulls – 2 of them proven herd sires – to the sale this time. If you are working to make more money with your cow herd, this is a must-see offering and we hope you will attend the auction.

We work hard to make sure our cattle work for our customers and we take great pride in our customer service. Ask around and please call or stop in if you have questions. Your trip to Bargsville will be rewarded.

Thank you,
JIM and MANDY MARTIN
