14th Annual
ACE IN THE HOLE
bull & female sale

THURSDAY
FEB. 6. 2025
AT THE RANCH - 1PM CT

Welcome from Rust MountainView

As I write this welcome letter, we are expected to hit 30 degrees and we just dealt with a week of ice. In fact, I can't remember the last time we have dealt with that much ice in a long time. It is nice to have a fairly open winter to this point but also realize there is a lot of winter left in North Dakota!

With that being said our keyword for 2025 is ANXIETY.

As in the past welcome letters I would like to share about my faith and this year we will look at 1 PETER 5:7. It states, Cast all your anxiety on him because he cares for you. In this world today, anxiety is running at an all-time high! It can completely disable you from the fulfillment that God has planned for you. This world at times has enough problems, difficulties, and expectations that create increased anxieties. It can be as simple as doing chores in the morning during a storm to the extreme of having to quit farming/ranching because it is no longer profitable in your operation. Carrying your worries, stresses, and daily struggles by yourself is extremely hard, it can adversely affect the ones closest to you, and shows that you have not trusted God fully with your life. It takes humility however, to recognize that God cares, to admit your need, and to let others in God's family help you. Sometimes we think that struggles caused by our own sin and foolishness are not God's concern. But when we turn to God in repentance, he will bear the weight even of those struggles. Letting God have your anxieties calls for action, not passivity. Don't submit to circumstances, but to the Lord who controls ALL circumstances!

If you decide you want to take advantage of this opportunity to talk about your problems, worries, stresses, and ANXIETIES that you are currently facing in your life please contact one of us at RMVR. It doesn't matter where you are spiritually, we would love to come along side you and pray for the situation and watch God take control of your life and anxieties! It would be a privilege of ours to help start you towards the path of peace, comfort, and conquering your ANXIETIES that our Savior Jesus Christ can provide!

With that being said I would love to officially invite you to our 14th Annual "Ace In The Hole" Bull Sale. I can hardly believe that we are at our 14th production sale. The years have flown by and as I have looked back on the previous sales from the 1st to the 14th it is unbelievable on the strides our cattle have made! One thing that has stayed consistent and constant is that our bull customers and friends are still the best in the business, hands down! If you are in need of a bull/female, or just want to show up and enjoy dinner in a positive, friendly environment, and talk with other ranchers, farmers, and business owners about the previous year please do so. One thing I can guarantee is the coffee will be hot and the food will be outstanding!

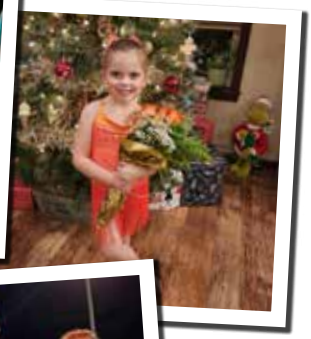

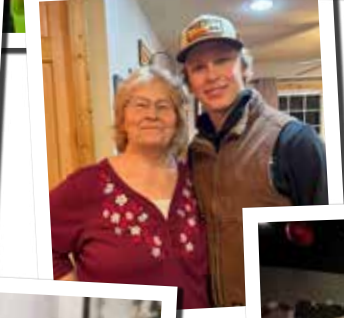

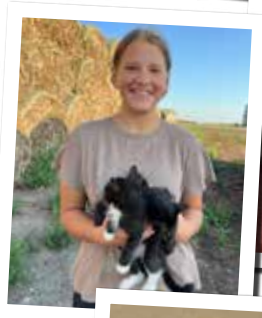

Thank you for taking the time to sit down, read, and view our sale catalog. We truly do appreciate your interest in our program! It takes many aspects in a bull sale to make it successful with the number one being the customer. Please at any time let us know how we can better assist you prior to the sale and after the sale. We VALUE your opinions and we will do our very best to try to accommodate your needs and requests to make everyone more profitable and successful!

With that in mind we invite you to our home/ranch on Feb 6, 2025 at 1pm CT just north of Mercer, ND for our 14th Annual "Ace In The Hole" bull sale!

If you have any questions about the sale offering don't hesitate to call or text. Or if you are in the area, we always enjoy visitors and would love to give you a tour of the ranch.

Thanks again for your interest in our program! May God bless you in 2025!

1:00pm - 14TH ANNUAL "ACE IN THE HOLE" SALE

Welcome from Bohrson

Welcome to the 14th annual Ace In The Hole Bull & Female Sale presented to you by the Rust Mountain View Ranch operation near Mercer, North Dakota. The 2025 edition is sure to be one of the most stacked offerings ever to be assembled for this production sale and we are proud to welcome you all on behalf of all of us at Bohrson Marketing Services.

As always, the offering is impressively made up of mostly embryo transfer calves. The Rust's dedication to acquiring the best donor females and flushing them to industry leading sires and building around them is as evident this year as ever before. Recognizable cow families in North America are well represented in the Simmental, Angus and Charolais divisions. The diversity in the 2025 sale bulls is truly just that. Calving ease bulls, extra age bulls, performance orientated bulls and bulls with big time maternal value is what you will find as you study the catalogue. The open heifer calves are your chance to get a piece of some of the most prominent cow families at Rust to build around for your own operation. The Emmys, Flirts, Khloes, Angels, Sheila's, Beauty's, Roses, Chloe's and Impressive's are all well known cow families well represented in this year's sale offering.

The bulls at Rust Mountain annually are some of the very best investments we see made. ET bulls out of some of the most sought after genetics in the world become available to you early in the bull sale season. These bulls are grown out and developed responsibly with the commercial cattleman in mind and are built around a sound foundation of good feet, structural integrity, muscle shape and do ability. We can't encourage you enough to analyze these bulls for this February 6th sale. The open heifer calves have annually proven to go out and hit donor pens and front pastures for their new operations. In many cases they are some very exclusive genetic opportunities that don't come around very often. We do hope you can make plans to join us in Mercer to take in this exciting sale. The hospitality and food cattle make for a great combination you won't want to miss. Be sure to contact Josh or John to visit about the sale offering. Of any of our trusted sales staff can be of any assistance, please do not hesitate to give us a call as we would be happy to help in your next purchases. We hope to see you in Mercer.

Best Regards,

The Bohrson Marketing Team

Donation

We will again be donating 1.5% of the bull sale gross to Todd and Kamaya Singer and their ministry. By doing the donation this way everyone has an opportunity in a small way to contribute to their mission. Plus it will help me sleep better at night knowing that I am not the one deciding which bull to donate!

They work for CRU and mentor young men and women at the University of North Dakota in Grand Forks and surrounding colleges. It is a great ministry and this is just a little way that Rust Mountain View Ranch can help. I will have Todd go into more detail about his ministry.

Josh Rust

We are the Todd & Kamaya Singer Family. We currently work with CRU where we get the opportunity to work with college students in and around Grand Forks ND. We have the opportunity to mentor and challenge college students as they grow in their faith and as we share the love of Christ with them! Huge thank you to Rust Mountain View Ranch over the years as they have continued to partner with us in our ministry!

One of two from this combination and both are excellent. This worked to be quite a combination in this flush as all products were excellent and these two bulls take the prize. Both are heavy, strong, impressive bulls with easy movement, strong feet and leg construction, and plenty of herd bull presence. This bull is especially impressive in his trunk shape and effortless movement. Own them both.
