Exclusive Donors Unlimited Embryo Purchasing Options & Breeder-to-Breeder Warranties

We do a ton of embryo transfer – ask Dr. Mimms – and we know that the ET process can be tricky and expensive if you do not have the proper resources and tools in place. We want you to succeed with embryos that you purchase from us; so in an effort to simplify the process and expedite progress for everyone involved, we offer the following options and warranties:

Conception Rate Guarantee – If you purchase more than two embryos from us, we'll guarantee you no less than one confirmed 90-day pregnancy. If you purchase more than nine embryos, we'll guarantee a conception rate of no less than 50% on the group. Be sure to approve your embryo technician with us before you implant the embryos. This guarantee is void after 18 months from the sale date.

Embryo Implantation Option – If you like, we'll implant your embryos for you. You purchase the embryos and tell us when you want your calves to arrive. Then, we'll implant your embryos, manage the recipients, and ship you the confirmed pregnant recipients. Please inquire about current recipient costs and be sure to call ahead for more information – The options are unlimited but our recipient numbers are not, so be sure to speak early to reserve your spots!

All Embryos Available For Immediate Shipping In Our Own Tanks

– Get Them In Plenty of Time For Spring Implants – No Hassle, Immediate Shipping

Embryo Pickup and Shipping

Please bring your jug with you to the sale and take your embryos/semen home with you. If you do not take possession sale day, please leave word at the clerk's desk of your intentions for shipping by leaving your shipping method and address, desired shipping date, and contact information. All shipping is at the risk and responsibility of the purchaser but we have several shippers available to make the process easier. **A 14-Day Notice Is Requested For All Shipments.** Hereford Veterinary Clinic, 806/364-1331 (phone) 806/364-2391 (fax) – PrimeTIME, Inc, 877/800-9230

Transportation Cost Share

If you require assistance with transporting your purchases, please let us know. We will have trailers available to haul most anywhere and will guarantee trucking to cost **no more than \$400 per head** to central points in the United States. Direct delivery to your farm or ranch may also be arranged. Please ask for more details.

LOT 1

CACC/MIMMS DONOR 1105

Female Calved: Fall 2011

Sire: **Airhart 577**

Dam: **Maine Anjou**

Sells open and flushing - Lifetime average of 10.6/flush

Selling one-half interest only – The other half will continue to be owned by Mimms Cattle

- The dam of the 2019 San Antonio Livestock Exposition Grand Champion Steer shown by Claire McCormick. We sold half of this cow as Lot 16 in 2016 Share the Future Sale, and when we did we mentioned the impact that 577 daughters had already had on Texas club calf history books. Well, this cow wrote another chapter and she looks to be ready to write some more.
- The San Antonio Champ was a beast, one to remember for sure. He was produced from a pregnancy that Jim Simpson, TX, was smart enough to purchase in our 2017 offering, and he is a flush mate to the exciting bull that Tony Jeffs, TX, purchased last year as well.
- This cow packs a punch for sure and she is producing really well. Our 2016 catalog read, "She comes fully equipped with a massive hip and back that she blends with a remarkably clean front end. She is the kind that leads to exciting results with the hair on or off!". That is all still true today, maybe even more so.
- Carter Airhart is making some changes and has elected to sell his half of this remarkable female. We are selling one-half interest in the cow and your new partner will be Mimms Cattle. Please ask Dr. Mimms for full details of the partnership but cows like this make it pretty simple. Buy, flush, calve, sell, win. Repeat.

Dam: **Mimms 1105** (Airhart 577 x Maine Anjou)

Due to calve August 25 to Tweety Bird – Prob. Calf Sex: Bull

PHA-Free/TH-Free

A natural daughter of our Lot 1 feature, this maternal sister to the 2019 San Antonio Grand is a good-looking brute that is sure to accomplish plenty. The proof is in, this 1105 deal is really potent.

LOT 2A

MIMMS 321

Female Calved: Fall 2013

Sire: **Solid Gold**

Dam: **Irish Whiskey x Meyer 734**

Due to calve mid-September to TM 911 – Prob. Calf Sex: Heifer

PHA-Carrier/TH-Carrier Average of 3.75 on last 4 flushes

A real heartbreaker and one of the top sellers of our 2016 lineup, this cow is just settling in to the routine in Hereford but her frozen embryos are selling for an \$1,100 clip. When it comes to real bone, muscle, and good looks we may not have one better.

LOT 2C

MIMMS 229A

Female Calved: Fall 2012

Sire: **Red Hawk**

Dam: **Mimms Donor 29** (Tank x Hoo Doo)

Due to calve August 2 to Snow Goose – Prob. Calf Sex: Heifer

PHA-Free/TH-Carrier Average of 7.2 on 7 lifetime flushes

One of our famous twin daughters of Mimms 29, this cow is a real beauty and she is off to a great start though we have mostly mated her for females so far. She looks the most like her dam whose sons by Dakota Gold and Solid Gold brought \$30,000 and \$7,600 this spring.

**Selling full interest and possession in the
buyer's choice of these donors. One cow will sell.**

LOT 2B

MIMMS 4510

Female Calved: Fall 2014

Sire: **Solid Gold**

Dam: **CACC 510** (804 x K.C. x Wall Street)

Due to calve August 5 to Business Done Right – Prob. Calf Sex: Bull

PHA-Free/TH-Carrier Average of 6.6 on 7 lifetime flushes

The maternal sister to proven leaders like American Idol and Red Hawk, this young favorite has some rare tools and she is coming with a hot calf. Her sisters have been productive leaders and we've done a lot with cows bred like her and maybe not as attractive.

LOT 2D

MIMMS 504

Female Calved: Fall 2015

Sire: **Out There**

Dam: **Mimms Donor 29** (Tank x Hoo Doo)

Due to calve July 29 to Snow Goose – Prob. Calf Sex: Heifer

PHA-Free/TH-Carrier Average of 6.7 on 7 lifetime flushes

Outrageous quality and potential! This is another elite daughter of Mimms 29 and we loaded up on her embryos for 2019 calving. When you see this one you will know what we mean; she is awesome and her dam and great older sisters ensure her breeding value. The last three steers from her dam have sold for \$30,000; \$19,000; and \$7,600.

Cody Roth Cattle

We love to sell packages that put you in the win column right away. We've been doing it right for 15 years and we have no intention of stopping even though sometimes we do it at our own expense. You have to give to get.

We are giving up a lot with this pair of full sisters to the amazing, but now deceased, Mimms/Boysel Donor 10 that has been one of our most popular and successful females in recent crops. Progeny from Donor 10 include the \$29,500 top seller of our 14th Share the Future Sale plus outstanding full sisters in this sale, our keeper pens, and more features for 2020. Bulls from Donor 10 are tops whenever they come up for sale and have averaged \$5,350 so far plus 7 steer calves sold for an awesome \$7,200 average including a \$14,000 one this spring to Bonham, OK.

Both of these cows are young and perfect for the high-demand Shorthorn steer market – their full brother just brought \$25,500 for Cromwell Cattle, TX, this spring. We will have a hard time remarking them if we can at all. They are full sisters to Payton Herzog's 2014 Dallas Grand Steer from a remarkable cow that Neal Ray Davis purchased in our 2014 sale for \$28,000. Both are full sisters to the \$21,500 Lot 1 female in our 2017 that now works for Gary Johnson, TX. Both are bred for immediate rewards. Go for the win.

Three embryos by In God We Trust

Lot 4BB: Embryos of Mimms 377
Three embryos by HL That's Right

We have loaded this 15th anniversary event to make it one to remember and, after much thought, we have elected to turn this power freak loose for your enjoyment. She has been one of the most popular donors in our lineup since she debuted here in 2017 and we are likely turning her loose too early but...anyway. This maternal sister to BDR and Goldmine is without a doubt the best daughter of True Grit and has always been a sight to see, especially when she was nursing 977. She is so stout and freaky yet amazingly double clean – we retested her. She will change your thinking and she has the power to change your program. #sharethefuture #mindblower

Due to calve September 19 to TM 911 – Prob. Calf

Sex: Heifer

PHA-Free/TH-Free

From the amazing but limited 977 cow that also gave us Lot 4, here is a gorgeous full sister to Gold Mine and a maternal sister to Business Done Right. She was a little lean at photo time after weaning a calf so be sure to give her a good look at sale time. She is extreme necked and super hairy with the right bone, easy feet and a perfectly-versatile size. She will be popular.

LOT 7

ROTH R713

Female Calved: 2007

Sire: **Hoo Doo Charolais**
 Dam: **Hoo Doo Charolais**

Due to calve August 16 to Control Freak

The dam of Gold Dust, sire of an expansive string of winners and high sellers including a pair of Texas major breed champs in 2016, this amazing cow still has plenty to give. She will calve again this year - right on time - and still looks and works great. You can see why she has been so successful when you study her ideal size and balanced profile with a perfect neck set and shape. Give a little and get a lot.

 Dam: **Mimms N-117** (Heat Wave x GK/Mimms Donor N-117)

Due to calve August 26 to In God We Trust - Prob.

Calf Sex: Bull

PHA-Free/TH-Free

As royal of a pedigree as we have, this sweet-looker is a full sister to major winners and AI sires from the amazing N-117 donor that was a leader here for years. She is a knockout for sure - awesome muscle shape, balance, and udder quality on a perfect-sized body - and she is a real calf raiser that placed two top steers by IGWT in the crop this year. Her full brother was Grand Steer of the 2011 Ft. Worth Show, her full sister was Champion Chi Heifer at Houston in 2013, another full brother is the accomplished AI sire, Chocolate Milk, and a pair of maternal brothers won class 11 at Ft. SHIRLEY 1350

Female Calved: Fall 2013

Sire: **Troubadour**

Dam: **Meyer 734 granddaughter**

Due to calve September 19 to Open Range (Yellow Jacket x Alias) – Prob. Calf Sex: Heifer

TH-Free

Smutty and real good, this young favorite is a choice selection off the top of the young Shirley cows. She raised a \$4,000 Jesse James son as her first bull calf and her most recent calf was an outstanding Open Range daughter that was retained. Expect another good one - and many more - from this balanced, good looking, pretty uddered cow that is darn sure stout enough. She struts when she moves.

Shirley Cattle

LOT 10

SHIRLEY 1482

Female Calved: Fall 2014

Sire: **Paddy O'Malley**

Dam: **Grand Slam x Maine Anjou**

Due to calve September 1 to Out N Front – Prob. Calf

Sex: Heifer

TH-Free

This is a strong-producing, young one to mark with a star in your book! Her first bull calf was a \$4,000 son of Daddy's Money that ended up 4th in the middle Maines at Houston, and we think this a valuable heifer calf in her belly now. With her unique pedigree, this cow will create blacks, reds, and Simmy's with a shot at a Hereford depending on how you mate her, plus she is TH-Free. She is easy to handle on foot, real gentle in fact, but she does not like horses. If she did, we would not turn her loose yet.

Shirley Cattle

LOT 11

SHIRLEY 1277

Female Calved: Fall 2012

Sire: **Who's Pete** (Who Made Who x Pistol Pete)

Dam: **Charolais cross**

Due to calve August 26 to Out N Front – Prob. Calf Sex: Heifer

TH-Free

This smoke is a full sister to the Shirley 1107 donor whose three steers by Here I Am averaged \$10,000 this spring. She is stout, sound, and gentle with excellent hip and top shape. Expect a good, silver baby by Out n Front, the Sires Unlimited graduate that is a son of Out There out of Mimms Donor 705.

LOT 12

BOYSEL Y12

Female Calved: 2015

Sire: **Red Rooster**

Dam: **GK Miss Outlaw M-51** (Thomas Outlaw x G-1)

Due to calve June 29 to Texas Tea – Prob. Calf Sex: Bull

TH-Free/PHA-Free

A big-ribbed, roomy, tiny-necked Red Rooster that is young and bred to pay you back quickly. Her dam is none other than the famous Outlaw M-51 cow that gave us Stud Monkey, the dam of Goldilocks, and years of high sellers in this sale. This cow will make reds, blacks, and silvers upon request.

Sire: **Airhart 577**

Dam: **Airhart 952**

Due to calve August 8 to Here I Am –

Prob. Calf Sex: Heifer

PHA-Free/TH-Free

This cow offering is loaded with opportunity! This cold-blooded, pink-nosed tank weaned a \$2,200 heifer by IGWT that Derek Howard, OK bought this spring and she has been reliably good each year; two good daughters sell here. This is a high potential combination with Here I Am for this surprisingly moderate and massive 577 daughter.

MIMMS 525

Female Calved: Fall 2015

Sire: **Red Rooster** (Lifeline x Dam of Tank)

Dam: **Mimms 1152** (Airhart 577 x Airhart 952)

Due to calve August 2 to Tweety Bird – Prob. Calf Sex: Bull

PHA-Free/TH-Free

From the massive, outcross tank that sells here, this is a strong pair of maternal beauties coming with high-potential calves; Tweety Bird sired at least one \$7,500 baby in his first crop. Look for this pair of square backed, big boned, docile favorites in the pens. They're "little big cows".

A sweet sextet of sisters from All Day and the foundation 0333 cow, there is plenty of quality to go around in this litter. All Day is a purebred Charolais that has been yielding top results. There is a lot of quality and utility in this flush and there will be top production cows emerge from this lineup. Their brothers are emerging as go-to sources of quality and older sisters are leaders like the \$8,900 one that Sid Arnold, GA, purchased here in 2018 plus Mimms 58, a featured donor in this lineup, is the dam of two calves at \$10,700 and \$8,900 to Kevin Newman, TX.

Longtime customer Brandon Hush, KS, purchased the dam of these females in our 2016 Share the Future Sale and we promptly purchased a flush right back from him because we loved the cow; she is a muscle and style freak with a unique pedigree. This pair of daughters by Red Raider is real good. This red one is the freaky, slickin' kind with great parts.

Yikes, this thing is good! She is the natural daughter of the massive 5D23 and one of the youngest in the sale so adjust your eyes a little to enjoy this 3-D power tank that descends from elite cow lines. Due with what should be a valuable first calf, this girl is wide and right. She was built from a very similar combination to the one we used to produce Jess Shirley's great 1222 cow that has been a rock for him and this year hatched the Champion Limousin Steer at San Antonio.

The full brother to Business Done Right, sire of the 2018 Houston Grand Steer and 5 other class winners at that Texas major plus numerous big winners around the country, this full 2YO is really complete and well made. Younger full brothers were favorites of our 2018 Sires Unlimited Sale where they averaged \$7,200, and everything from the 977 cow has been good and valuable including several females in this offering like the Lot 4 and 78 features. This bull is well mannered and well made with impressive muscle, foot size, bone, and extension. He has been a good one all along.

Polled/Pink Nose BW: 73

A super-smooth, great-looking dude from a stacked pedigree, this bull offers improvement opportunities for calving ease, body shape, fleshing ability, structure, and good looks. He is the first calf from the 520 donor whose second just brought \$18,250 as the second-top seller of the 2019 Mimms Club Calf Sale. His dam is a beautiful maternal sister to Lots 4 and 78, Business Done Right, and Gold Mine; you can see the strength of the Mimms 977 pedigree in this polled, pink nosed standout.

Polled/Pink Nose BW: 83

The first - and maybe the only - son to sell from the \$61,000-valued and now-deceased Lot 1 feature of our 2016 Share the Future Sale, this is high caliber equipment for club calf production. This bull bleeds quality and potential from start to finish and we are excited for you to see him. He is polled, white, and pink nosed and ripped wide open with power. He offers an exciting combination of size, muscle, structure, and balance that are hard to find, especially in a double clean, polled, largely-out-cross package. His dam was a daughter of Carter Airhart's famous 721 cow that delivered major buckles, herd sires, and high sellers with regularity; she is a maternal sister to the dam of our heifer bull, Tweety Bird. Did you see this guy's freaky maternal sister in the sale?

A powerhouse steer-maker from the rising star known as Donor 369, if you need more power and good looks then this is the bull for you! This dude is ripped open with muscle and pure stoutness including tremendous base width, great foot size and shape, no sheath, and such a neat and tidy front end. He is the natural calf from the 369 cow whose daughter was the \$34,000 high seller of the Kris Black Cream of the Crop Sale and whose two sons are a \$15,000 prospect that sold in the 2019 Mimms Calf Sale and his older brother that was a popular second for Jett Hale to the Reserve Grand Steer at Houston this spring. We took the 4123 cow straight to the donor pen after she hatched this stud. All six of these bulls are very impressive – we only kept the extreme top end to sell – but this one might take the prize for structure, flexibility, body shape, and good looks. He is so soft, wide, and easy moving and he never stops wrong or misses a step. His young dam is a beauty and she is a daughter of the 123 cow that sold in this sale in 2012 whose dam was a \$28,000 cow for Bradley Hale. Note the 70 lb BW.

- This feature of our 2016 Share the Future Sale turned into the star we knew she could be and now she is the dam of the 2019 San Antonio Grand Champion Steer shown by Claire McCormick. She is just one of the elite options available to you in our 15th anniversary lineup, but surely one of the most important.
- The 2019 San Antonio Grand was produced from a pregnancy that Jim Simpson, Dimmit, TX, selected from our 2017 lineup and his care – along with the efforts of others - resulted in one of the most impressive and popular champions in recent years. That calf was incredible for sure and he is a flush mate to the new bull that is turning several heads at Tony Jeffs Show Cattle, TX.
- Donor 1105 has matured into some kind of gorgeous bovine machinery. She has the style and power that makes the other cows jealous and she has a Texas club calf pedigree that we know clicks with a variety of sires today. Consider that the dam of Airhart 721, the dam of so many recent notables, is a 577 daughter, for starters.
- This blend with In God We Trust, sire of the 2019 Ft. Worth Grand Champion Steer, has us especially excited and we fortunately have enough to share.

NOTE: Here is an excerpt from our 2018 catalog: "Very few 577 daughters started off as well as this one has. Study her on sale day and mark these packages as must-haves. This cow gives great looks and great color; it will only be a matter of time before she strikes major gold!" Remember...when we say "Share the Future," we really mean it.

- Scott Hellbusch's 180 donor has staked her claim as one of the very best club calf producers in the game because she delivers major hits year after year, and she was recently the \$110,000-valued top seller of the 2019 Frozen Gold Sale because of her amazing consistency and potency. She is bringing her talents to Hereford and, like we always try to do, we are going to share...a little.
- This cow is the dam of Julia Frye's 2018 American Royal Grand Champion Steer by Here I Am – that calf was also Grand at Sioux Falls and the Kansas Beef Expo plus Reserve Grand Prospect at the National Western – and multiple other major winners. Sons by Here I Am have fetched as much as \$69,500 as baby calves as this cow has totaled over \$600,000 in progeny sales alone.
- Donor 180 is a total knockout with Monopoly as well. That combination has produced a \$56,000 baby calf plus the Grand Champion Steer of the 2015 Arizona National. Two different daughters by Monopoly were selected as the Champion Market Heifers at the 2015 Missouri State Fair and the prestigious Ak-Sar-Ben in 2016. These are not easy shows to win.
- This cow really makes some hay and she has another elite crop on the ground this year that we will be hearing from soon. Plus the best young cow at Hellbusch's is a daughter of 180 and she had his top selling steer in 2018. Dr. Mimms brought half of Donor 180 home to add even more strength to his donor battery and she will fight hard to be the best. She is tried and true – she has 40 calves over \$4,500; 18 over \$15,000; and a pair of \$50,000 so far - and proven to have that magical ability to make the best better.
- We are working on a photo of 180 but have not gotten it done yet; go see her if you can. She is a silver, polled, double-clean beast with feet and bone ample enough for a pen of cattle and hair to match. These embryos will get you silvers, blacks, and black & whites. They will get you noticed.

- VALUE ALERT...our Aggie embryos have been sticking very well and the calves have been awesome. Ask us about the new ones we have in the north.
- The Dallas Champion was sired by Solid Gold and Aggie placed 12 calves – a full dozen from 13 born out of 17 embryos put in – in the 2019 Mimms Club Calf Sale that combined to average \$9,421 on steers and heifers. The top was a \$32,000 Solid Gold son, and the top 5 averaged \$18,810. Yowza.
- This cow raises banner winners in crossbred steer shows and purebred heifer shows. They win banners with the hair on or off. All of these matings work very well with her. She is pretty darn fabulous we have to say.

Lot 203B – Three Embryos by Easy Jett

- Hale Cattle did it again! Their cattle and their great customers covered all 4 of the banner winners in Ft. Worth this year in the Hereford steer show. In fact, every class winner and all of the seconds in the horned show carried a BH brand plus 8 of the top 10 middleweight and 6 of the top 10 heavyweight horned steers. Gheesh.
- These embryos will produce full siblings to BOTH the Champion and Reserve Polled Steers in Ft. Worth this year – shown by Ryan Stephens and Harper Hale, respectively – as well as the first place lightweight Horned, second place heavy weight Horned, and second place light weight Polled steers..
- This is the BH 0002 line that is so prevalent and dominant in the Hale herd. It flat out works and you can get more of it in Lot 204.

- *This cow is generating as expected after she was the \$41,000 top seller of the Wildcat Creek Dispersal and a foundation of their Red Angus program. She is quite a powerful and impressive sight to see in the HVC pens. There may not be a bigger bodied to ever work in Hereford and she is ready to anchor the base of powerful reds that we all need to meet demand.*
- *We do not have any of these combinations yet but they ought to be valuable and unique as both bulls will bring just a pinch more gas to the party. The first calves in Hereford from this cow were very well received with sons that averaged \$3,600 and a set of heifers in our replacement pens that are worth the trip. The longer folks own them the more they will love them.*

LOT 210

EMBRYOS OF MIMMS DONOR 504

Donor Sire: **Airhart Out There**
Donor Dam: **Mimms Donor 29** (Tank x Hoo Doo)
Donor 504 is Tested THC/PHAF

Lot 210 – Three embryos by HL Paid In Full

- See Lot 2 for more from this amazing animal. We can offer three of her embryos because we are scared you might take her in that choice lot. She will be hard to resist but it's okay with us if you do.
- The 29 cow – her dam - was ahead of her time for great structure with great power and advanced belly shape; her daughters are even better.
- Snowshoes for feet, perfect angles to her hocks and legs, massive middle shape and breadth, ideal muscle, and that signature Out There front end. This new donor is very young but she is surely among our most gifted. See for yourself and cast your vote. #maxpower

Donor 504 is Tested THC/PHAF

Lot 211A – Three embryos by Blood Diamond

Lot 211B – Three embryos by Business Done Right

- Another of the young and powerful options in our Lot 2 special. This thing is so good it makes you smile. She looks so much like the Lot 1 cow – dam of the 2019 San Antonio Champion Steer – that it's scary. Please don't choose her.
- This cow is a maternal sister to proven leaders like American Idol and Red Hawk and multiple top-producing females. We sold a stout one a year ago to Open Bar and Patin, TX, and she promptly delivered a \$7,500 first calf for them.
- This kind does not miss. It's just a matter of when, what the sire will be, and who will raise it.

Donor 321 is Tested THC/PHAC

Lot 212 – Confirmed, heifer pregnancy by Business Done Right Due to calve August 4 – Available sale day – Recipient is a crossbred cow Tag 254

- This rig is some real eye candy, just like the other options in the special Lot 2 choice lot. Maybe better. You decide.
- Dr. Mimms bought her to blend with Business Done Right but has not had a chance to see any calves yet; the one selling here will be one of the first.
- You wanna talk about muscle with balance and structure?!? No one shares the sugar like Donors Unlimited.

Recipient is a crossbred cow Tag Y264

Lot 213B - Confirmed, bull pregnancy by Blood Diamond
Due to calve August 27 - Available sale day -
Recipient is a crossbred cow Tag Og7

- *Chunky Monkey's best is back with a brand new combination and she is more proven than ever! This beautiful specimen has been in high demand ever since Don Boysel shared her with the world and she is proving herself over and over again through her consistent success.*
- *A string of 826 sons have been top performers with two top sellers being the new AI sires Bread N Butter and Plot Twist owned by Justin Holloway, TX, and Kirk Roecker, IA. Plus, our 13th female lineup featured a quarter of daughters that sold for a \$4500 average to Bramblett, Doskocil, Foester, and Swaim.*
- *This great cow puts style and function together in a very desirable and powerful package. Blood Diamond ought to be just the ticket for her build and track record.*

Lot 214D - Three embryos by Here I Am

- *The smoky clean freight train that topped our 2015 sale is delivering the goods as promised! This \$33,000 beast is the dam of the \$21,500 top-selling steer of the 2018 Mimms Club Calf Sale and we've got some full siblings to sell here!*
- *That high-selling steer was by Exit 174 and he was surely a high-light but he is not the only strong baby from this club calf machine that produced three high-selling sons before him.*
- *You will not be able to see the things that make Donor 945 so unique anymore because she is injured and not doing well, but she was one ultra-powerful, ultra-flexible beast in her day. Her calves have won and sold well each time she has some. These packages will hit again!*

Donor Sire: **BH 3011**
Donor Dam: **Tiger x Hi Ho**

Lot 215 – Three Embryos by H-12

- When you're great you're great, and this cow is really great. She only hits home runs.
- This cow is the dam of back-to-back Champion Hereford Steers at the Ft. Worth Stock Show. Her 2018 champion was by H-12 and her 2019 version was by Right On Time.
- This cow also produced the Champion Hereford Steer of the 2018 Oklahoma Youth Expo and the \$6,800 heifer that Bobby Kaufman, TX, selected here last spring.
- A daughter of this cow by BH Legacy, Hale 102, is the dam of Mason Allan's Champion Polled Hereford Steer at Houston this spring.
- Three sons by H-12 sold this spring for \$17,500 each. These precious embryos will give you full access.

EMBRYOS OF HALE DONOR 312

Donor Sire: **Made Right**
Donor Dam: **J-Wow** (Carpe Diem x Heat Wave)

Lot 216 – Three Embryos by Right On Time

- These things are hot enough to melt your tank. Bradley Hale's 312 donor is rattling off the big hits each time her calves arrive and these embryos will yield replicas of her best stuff.
- This is the recipe used to produce London Bird's multiple champion Hereford steer last season that won the Belt Buckle and the Battle of the Cattle and often times made it in the Top 5 overall.
- This spring brought more of these Right On Time calves from Donor 312 and they hit the pay window to the tune of \$17,500, \$15,000, and \$7,500 while another brother was second at San Antonio.
- Donor 312 was produced from a pregnancy that sold in a past Share the Future Sale and she was the high-selling heifer calf of the 2013 Mimms Calf Sale. Her dam is the most productive daughter of Carpe Diem.

Donor Sire: **HL Ammo 388**

Donor Dam: **HL Donor 474** (Charolais x Maine)

Lot 217A – Three IVF embryos by Blood Diamond

Lot 217B – Three IVF embryos by HL Paid In Full

- The dam of *Business Done Right* and one of the most proven donors in the Mimms lineup, this cow and her calves are proving themselves time and again.
- These are the first embryos we have been able to share from 977 in quite a while and it is hard to say when she will be done.
- Donor 977 was a former *Share the Future Sale* feature and she paid off right away with the arrival of her second calf – *Business Done Right* – and she has also given us big time sires like *Gold Mine*, several strong-selling sons, and amazing donors like *Mimms 377* that sells here as Lot 4 plus much more.
- Donor 977 is a snow-white, pink-nosed sweetheart by *Ammo 388*, the same bull that sired so many top calves like the 2010 *San Antonio Grand Champion Steer*. She is a beautiful example of double-clean quality.

Lot 218A – Three Embryos by Business Done Right

Lot 218B – Three Embryos by HL Paid In Full

- These will be some of the last from this amazing cow that has been one of our most successful. She is another female that sold right through this sale and went on to earn well over six figures in production.
- This is the dam of *Snow Goose* – a highlight of our first *Sires Unlimited Sale* – and many more favorites like the \$8,900 heifer that *Sid Arnold, GA*, selected here a year ago and new Mimms donors like *Mimms 58* whose first calves have sold for \$10,700 and \$8,900.
- Our 2019 sale features 9 impressive daughters of this cow. See them in Lot 83.
- The first natural calf from 0333 brought \$6,000, and her 2014 crop by *Lovin' 620* included a \$7,000 steer and 4 head that averaged \$4,833 and we sold a pair of heifers to *Carter Airhart* and *Jim Simpson* in our 2017 sale that averaged \$5,200.
- The 2017 *Mimms Calf Sale* featured 3 sons by *Business Done Right* that averaged \$5,366.
- The donor dam of 0333 was one of the best of the *Horn Livestock program* and these are great combinations with 0333!

Due to calve August 11 - Available sale day -
Recipient is a crossbred cow Tag 405

Lot 219B - Three embryos by Monopoly (original)

Lot 219C - Three embryos by Heat Wave (original)

- We bragged pretty heavy on this beauty here a year ago and we think even more of her now that we got some calves. She has been a favorite since she arrived and now she is proven.
- The first steer crop from her included sons by Monopoly at \$7,000 and \$26,000 that sold in the Mimms Calf Sale and The Main Event Sale this past March.
- 571 was one amazing looking animal when she calved for the first time with an excellent son of Gold Standard that is being retained as a herd bull. She cracked her pelvis last spring and is not quite as impressive as she was but she is still some kind of futuristic sight in the HVC pens. The feet, balance, belly, and neck are so unique on this girl. Be sure to see her.
- This is another new cow but we think you'll agree that a little investment here was a wise move. Better to get in early when a cow is built - and bred - like this one.

 Donor Dam: **Mimms 52R by Heat Wave**
 Donor 352 is tested THF/PHAF

Lot 220A - Three embryos by Monopoly (original)

Lot 220B - Three embryos by Red Rocky

- The first frozen offering from this black beauty is one you need to invest in. This cow has been waiting for a chance to shine and she hit the jackpot in her first attempt.
- The first steer from her to sell was a \$14,250 son of Monopoly that went to Steve Bonham, OK, in the 2019 Mimms Calf Sale. He was the first but he will surely not be the last.
- This cow is a knockout with a great pedigree that will breed true for style, hair, and muscle even though she is double clean. Her dam was the DU favorite that served here for several years; she was a shorter legged, rounder ribbed Heat Wave daughter that bled power.
- Do not bet against this one, especially with these combinations.

Lot 221B - Three embryos by Here I Am

- Our first spring frozen offering from this \$30,000 powerhouse gives you a chance at her best by the dominant sire, Here I Am.
- This moderate, barrel ribbed, snake necked leader is all clean but great haired and very productive. She gave us a really impressive son of Twerkit this year and she has been great with Here I Am.
- Calves from this mating include a pair of winners and multiples in the \$4000+ range, and Here I Am has sired a slew of recent major winners plus the \$165,000 record setter of the 2019 Mimms Calf Sale.
- Go see this cow - and her latest son - if you get the chance. She is worth it!

Lot 222F – Three embryos by Smokin Bob

- You know her. You love her. This cow is something else – for sure. She has been a non-stop source of success since she entered production.
- She is now the dam of 5 lead-off steers in a row for Mimms Cattle and her consistency for big premiums is amazing.
- Her 2018 son by Smokin' Bob brought \$5,500 and her 2016 steer by Smilin' Bob was the \$22,000 top seller of the 2016 Mimms sale while his full brother was the \$7,900 first steer in the ring in 2015.
- Her 2017 steer crop AVERAGED \$4050 on 4 head and her very first son led off the 2011 Mimms sale and sold for \$5,000. He found his way to the winner's circle for the Skiles family, TX, multiple times.
- Colin Welper, TX, bought a set of eggs from "The Lady In Red" and raised himself a 3rd place ABC at San Antonio last spring.
- This cow delivers. Maybe as well as anything we have. She is well proven with the Bobs and this combo with Texas Tea ought to be very interesting.

- The first offering from a hot, new power source — these packages ought to be just the ticket! This giant legged, ultra-thick cow was built for high-level steer production and there is no better partner for her right now than HIA, sire of multiple major winners and the \$165,000 record setter of the 2019 spring sale season.
- This unit looks so good that she makes the cold days warmer and the dust less dustier. She is beastly through her chest, heart, and hip with some monster britches and that softer flank should be ideal for this blend and others. She's an eye-fol for sure and her old school, throwback pedigree is one we have plenty of experience with.
- These calves will be Simmy's or black crosses to light 'em up!

- The frozen genetics sales debut of a Texas club calf legend, we saved some awesome stuff for last. This cow may have more Texas major breed champions to her credit than anything in the arsenal and she is just now making enough that we can share her success.
- Donor 66 is the dam of Tommy Glover's 2016 OYE Reserve Grand Champion Steer and she has had a string of calves that have worn F brands. One was Champion Shorthorn at Ft. Worth in 2012 for the Bland family and another was Reserve Champion Shorthorn for Mills Meier in 2016, the same year another son of this cow won the middleweight Shorthorns at the same show where she had another son win the same class the year before. Whew!
- She is getting better even though she got injured and skipped 2 years. The 2018 crop from Donor 66 had 4 steers that averaged \$22,375 this spring including the \$27,500 son shown here.
- Last but not least — you better get some of these working for you!
