Our 2019 offering is small but very mighty and we will kick it off with a pair of exceptional females from the legendary Miley 80T, one of the most successful Maine/Chi females of all time. This prime-aged queen has always been great and she has fulfilled her destiny already with a \$10,000 daughter that sold for Kyle Lemmon, MD, and a super-sweet heifer calf that stays to replace her. She is the product of a great flush that also included a winning show heifer and top bull that worked for Soehnen Cattle, OH. Miley 80T will go down as one of the greatest of all time but her recent production has waned considerably. Put these two on the "must have" list.

An elite donor at the peak of her productivity, Camille X066 has established herself as a leader in the Schaeffer program. Her 2019 crop was a memorable one and her calves are off and winning already. This cow is the dam of a \$17,000 daughter that was the Fennig family's Reserve Division Champion at the 2019 North American International where a pair of \$12,500 daughters were also class winners of the MaineTainer show. This is just her third crop in Hagerstown and it is a sign of things to come although Camille X066 has always had the potential with her awesome bulk, smoothness, and power. She flushes very well (avg 16 on conventional work) and we've sold a few embryos for a \$1050 average so far. It takes proven cows like this to get to the Winners' Circle and we love to share as much as possible. Camille can do it!

Welcome Back to The Winners Circle!

Happy Holidays! I hope you can join us as we gather again for an important edition of The Winners' Circle Sale, our 12th. Our numbers are fewer but our quality is much higher throughout and I know you will find more than one thing to love in this offering.

No one raises and sells more winners than the three firms in this auction in our part of the world, no one. Each year they continue to improve their programs to keep ahead of the competition and THEIR PLAN IS WORKING! Their cattle improve, their management improves, and their opportunities for you expand. It's all working!

Please look through the offering and plan a pre-sale visit to any of the farms if you like. Then join us sale day in the great facility at Green Oak. We won't keep you long but I know it will be time well spent!

Best wishes to you and yours!

The yummy good stuff from Who Dat Lady 2037Z and Bismarck, this is a sweet full sister to Kate Mize's \$45,000 National Western Champion Chi Female. Check out the awesome head and neck that this more moderate beef stamps on a super-long, heavy body with tremendous udder quality. Her dam has done it all and this one will be a prized cow – like her sisters that sell here.
